

For Your Information...

RAIN OR FOG? TURN YOUR LIGHTS ON

You are reminded that it is Tennessee law that you turn on your lights whenever it is raining or foggy. You may be able to see other drivers—but can they see you? The life you save may be your own.

PEDESTRIANS/BIKERS – EXERCISE CAUTION...

When you are out getting your exercise, following a few simple rules will keep you on the go. Walkers should walk on the left-hand side of the road, traveling against the traffic; bicyclers should travel in the right-hand lane, going with the flow of traffic. During the day, both walkers and bikers should wear clothing of bright, easily seen colors, and, from dusk on, wear light, reflective clothing. In any case, don't just assume drivers can see you. Be on the lookout for your own safety.

CONVENIENCE/RECYCLING CENTER HOURS

The Convenience Center, for household garbage, trash and recycling, is located on University Avenue by the golf course. Its regular hours are: Monday, 1-6 p.m.; Tuesday through Friday, 3-6 p.m.; Saturday, 8 a.m.-4 p.m.; Closed Sunday. Closed on national holidays. There are blue recycling bins for metal (tin, appliances, etc.), newspapers/magazines, plastic, plastic bottles and aluminum cans. Glass is not recycled here.

BE SAFE! OBEY THE BICYCLE HELMET LAW

Tennessee law requires all persons under the age of 12 to wear a helmet while riding a bicycle on any state road. University Avenue is a state road and, therefore, subject to the law. The act also contains provisions requiring restraining seats on bicycles for passengers who are children under 40 pounds or who are less than 40" tall.

PLANNING ON BURNING BRUSH?

You need to call the Sewanee Fire Tower (598-5535) to obtain to permit, if you intend to burn brush between October 15 and May 15.

ATTENTION: MOUNTAIN BIKERS & HORSEBACK RIDERS

Be aware of each other on the forest roads and the Perimeter Trail. When attempting to pass riders, bikers should call out to the riders so as not to spook the horses, listen for special instructions from the rider, and pass with caution. When approaching from the opposite direction, bikers should dismount and allow horses to pass by.
