## 209 Community Members and Students Walk to School for SES

Sewanee Elementary School participated in the 2010 International Walk to School on Oct. 6. The purpose of the event was to enhance the health of our children and to improve air quality and the environment.

This year the school had 209 walkers participating in the half mile walk. The walkers met at the

University Book and Supply Store and walked along the sidewalk to the front steps of the school. The participants were greeted by "Stripes" the tiger and received a healthy snack from the school teaching assistants. The snacks were provided by the school cafeteria staff.

## Moffat Will Address Forest in Flux in University Lecture

Steverson Moffat will give a presentation, "Forest in Flux: Multiple Resource Management on the Nantahala National Forest," on Tuesday, Oct. 26, at 4:30 p.m. in Snowden Hall, room 215. The Sewanee community is invited to attend.

Entering its second century of service, the U.S. Forest Service faces a staggering number of challenges. Although the agency emerged from the timber wars of the 1980s with new leadership and institutional attitudes, the legacy of that conflict still dictates what it can and cannot accomplish as it grapples with old growth, roadless areas, wilderness, healthy forests and "ology". The Nantahala National Forest is representative of the issues currently facing forest managers, and Moffat will use current projects to illustrate broad trends in the National

Forest System.

Moffat is a Sewanee forestry and geology alumnus from the class of 1988. After Sewanee, he began his career in natural resources with the Nature Conservancy in South Carolina. He then earned an M.S. in forest ecology from Clemson University and a Ph.D. in forest policy from North Carolina State University while working as an independent consultant. From 1999 to 2010 he was a policy analyst for the USDA Forest Service Southern Research Station lab in New Orleans, where he was also an adjunct member of the faculty at Tulane University. In June of this year he became the National Environmental Policy Act coordinator for the Nantahala National Forest. Moffat is married to Bess (Hogan) Moffat, class of 1988, and they have four children.

## Woman's Club Will Tour Chen Hall on Oct. 27

Sewanee Woman's Club members and their guests are invited to an afternoon tea and a tour of the University vice-chancellor's house, Chen Hall, on Wednesday, Oct. 27, at 1:30 p.m. Bonnie McCardell is hosting the Woman's Club and has invited historian John Tilford to act as tour guide as he discusses the numerous historical Sewanee furnishings that now adorn the house. Chen Hall is located on the corner of University and North Carolina avenues.

Make reservations by Friday, Oct. 22, by calling Caroline Shoemaker in Sewanee (598-0982), Marietta Potet in Monteagle (924-7666) or e-mailing Marianna Handler at <mariannah@earthlink.net>. Those members who signed up at the last meeting need not RSVP again. Special parking will be available, but members are asked to carpool, when possible.

The Sewanee Woman's Club is open to all women in the area, and newcomers are most welcome.

## McBee Benefit Saturday in Legion Hall

Family and friends of Glenn McBee are planning a benefit to collect contributions for his health care costs. The public is invited to a dinner in the American Legion Hall on University Avenue on Saturday, Oct. 23, from 4 to 7 p.m. The menu is fried chicken, baked beans, potato salad, rolls and dessert for a \$7 donation per plate, dine in or carry out. There will be an auction for cakes and other donated items.

Monetary donations are welcome and should be sent to Regions Bank, Glenn McBee Fund, 69 University Ave., Sewanee, TN 37375

## Rock Quarry Meeting Next Thursday

The Pelham Valley Preservation organization will hold a meeting at 7 p.m. on Thursday, Oct. 28, in the Pelham United Methodist Church Fellowship Hall to examine the possible establishment of rock quarries that might impact local communities, including Pelham, Deepwoods and Cooley's Rift.

## Sewanee Blood Drive Oct. 27

Phi Gamma Delta is hosting a blood drive on Wednesday, Oct. 27, from 10 a.m. to 3 p.m. in the Bishop's Common Hearth Room.

To make an appointment, visit <www.givelife.org/index.cfm?group=registration&hlc=UofS19&hostlookupcode=UofS19> and use the sponsor code "uofs19". Or interested donors can e-mail Ted Robinson at <robiner0@sewanee.edu> and include a preferred time and other times that you can donate.

According to Robinson, Phi Gamma Delta community service chair, "For the small price of an hour of your time, you can save several lives. As you know, your donation will have an immediate impact on the Sewanee community. One hour of your time could add years to another's. From blood transfusions to emergency trauma surgeries, blood donations are essential to life-saving services."

## Brockett Talk Explores Latin America/U.S. Relations

On Tuesday, Oct. 26, at 4:30 p.m. in Gailor Auditorium, Charles Brockett, the University's Biehl Professor of International Studies, will present a talk titled, "Reflections on the Challenging Relationship between Latin America and the United States."

In the lecture, Brockett will reflect upon his many years of research on politics and the role of the U.S. in Latin America. The event is open to the public, and a reception will follow the lecture.

Brockett joined Sewanee's faculty in 1979, and he will retire at the end of this year. Known to many in

Sewanee, Brockett has taught countless students in his courses on Latin America, the U.S. presidency, and international studies. Brockett has authored two books, "Land, Power, and Poverty: Agrarian Transformation and Political Conflict in Central America" (1998) and "Political Movements and Violence in Central America" (2005), as well as dozens of articles and chapters on the politics of Central and Latin America. He has travelled extensively in the region, including trips to Guatemala, southern Mexico, and South America on three Fulbright grants.

## Serving Where Called

Seven years ago this column began to support the large number of reservists and National Guard members called up for active duty to serve in the war in Iraq. About 50,000 troops remain in Iraq to support and train their military and assist with counterterrorism.

On Dec. 1, 2009, President Barack Obama announced he was sending additional troops to Afghanistan to focus on reversing the Taliban's momentum. Today thousands of our troops are deployed in this volatile area.

This is a reminder that someone else is standing guard and facing fire for us. Please keep the following individuals, their families and all those who fight for freedom in your prayers:

Ron Bailey  
Nick Barry  
Robyn Cimino-Hurt  
James Gregory Cowan  
Robert S. Lauderdale  
Alan Moody  
Brian Norcross  
Christopher Norcross  
Dustin "Dusty" Lee Parker  
Brandon Parks  
Michael Parmley  
Greg Rinkes  
Charles Schaerer  
James Jay Scott

Jeffery Alan Wessel

U.S. Army Sergeant **James Jay Scott** is serving his second tour of duty in Iraq. Scott is the grandson of **Jim and Sally Franklin** of Monteagle.

If you know of others in our Mountain family who are in harm's way, please give their names to American Legion and Auxiliary member Louise Irwin, 598-5864.

### F.C. COMMISSION REPORT To the Editor:

The Franklin County Commission meeting of Oct. 18 proved to be quite routine. Essentially we approved a whole host of quarterly reports, new business resolutions and election appointments. The only action affecting the University was the rezoning of 12 acres from "general residential" to "mixed use," fronting on Highway 41A, for the purpose of relocating the Duck River Electric office in a larger location where the utility could store needed materials for its work. This motion passed without any dissent. We need to add that the County Commission meets in the Annex of the former Franklin County High School on Dinah Shore Blvd. and not in the courthouse.

### SENIOR CENTER EXERCISE CLASSES—WHAT A BARGAIN! To the Editor:

This is actually to the senior citizens of Sewanee: I don't understand why more of you do not take advantage of Rachael Lynch's chair exercise class at the Senior Citizens' Center. There are usually four of us in the class and some days, just two. I'm not sure you realize that no matter what your condition—wheelchair or walker or just the normal aches and pains of growing old—that is all the more reason you should all take advantage of these classes. Men or women, it doesn't matter. We all need it. The classes are easy and if there is an exercise you are not able to do sitting

down, then just don't do that particular one. Everyone over 65 (and younger) should keep moving to keep on living. I have to tell you that in Florida, I paid \$250 a year to go to exercise classes twice a week. Here it is FREE, and the classes are on Monday and Thursday at 10:30 a.m. If you wish, you can also stay for lunch or take it home with you—it is only \$3; what a buy! Come on, men and women, give up your chair in front of the TV for a 45-minute class. You won't be sorry. I have lived in Sewanee for almost three years and have taken advantage of this class almost since my arrival.

### CUSTOMER APPRECIATION! To the Editor:

The vendors of the summer Sewanee Gardeners' Market would like to thank our loyal customers for another great year. Hope you have a great winter and see you next year.

### SUCCESSFUL FUND-RAISER FOR FIERY GIZZARD To the Editor:

The Friends of South Cumberland's Half Moon Mountain Magic was a most successful fund-raiser for Fiery Gizzard and an equally great FUN-raiser for the hundreds who turned up to support the cause. Special thanks to Tennessee State Naturalist Randy Hedgepath, who came to honor donors to the Yeatman Project, which has now raised over \$25,000 for land acquisition in his honor; and those who gave directly to the Fiery Gizzard Project. The Friends of South Cumberland's total contribution to this project will exceed \$100,000!

Special thanks to the DuBose Conference Center, for donating the use of their pavilion; to Clifftops, for providing invaluable manpower; and to the city of Monteagle and Mayor Marilyn Nixon, for expediting the beer license. It is great to have such supportive neighbors! Thanks to the bands who gave free performances: Bazzania, Sarah Mallory/Jennifer Parmley, Broad Mountain Brewgrass Band (formerly Peckerwood) and the Fiery Gizzard String Band; and to our business partners: Dutch Maid Bakery, Lupi's Pizza, Mountain Breeze, Flury's Grocery and Mountain Outfitters. And to the Messenger, for great publicity!

### SUPPORTING THE DEMOCRATIC PARTY To the Editor:

To Susan Clark, and those who read her letter in the Sept. 30 Messenger—I don't know whether I'm a Progressive; labels never seem to fit right. However, from what I know of being a Progressive, it's a huge improvement over what Republicans stand for now.

The GOP used to be a respectable political party; after all, it began as the party of Lincoln. Now it's the party of ranting know-nothings like Rush Limbaugh, Sarah Palin, Sharron Angle, Karl Rove, Michele Bachman, Glenn Beck and a host of airheads on Faux "news" who lie and distort the truth.

Clark asserts that the Democratic Party would "have the government telling you what to eat, drink, drive, what you can watch or listen to on TV, the radio and the internet, and force you to buy health insurance." Now, there's a joke—except for the health insurance.

Yes, thanks to Republican intransigence, we still do not have that hallmark of modern civilized nations: universal health care. And, so, in an effort to rationalize our current health care "system"—and save money—Democrats are going to make everyone get health insurance. Boo-hoo. There are several ways of doing it. Are we to suppose Clark also objects to car insurance?

Clark succumbs to one of those frequently-encountered Republican canards and claims that Democrats want to control our lives. That's just not true. Democrats believe in choice and

freedom. Democrats want to educate, inform, tell the truth, and enlighten the American public so that we can all make good choices. Democrats believe in democracy.

Republicans believe in corporate oligarchy; they want to keep their cronies feeding at the federal trough while giving as little as possible to the actual people. Republicans oppose issuing subpoenas to those involved in the BP oil spill; what are they hiding? In order to "win," the Republican Party resorts to lies and distortions in an appeal to the ill-educated and ill-informed who are too gullible or trusting to imagine how much they are being lied to. The spinmasters of the Republican Party stoop even further, using racism and bigotry to whip up fear, hatred, and ugly mean spiritedness.

That is not America. We are better than that.

While far from perfect, the Democratic Party gives the people enough credit to engage them in discussions based on facts, sense and civility. The American people are not stupid, nor as easily manipulated as Republicans seem to think. Not everyone is listening, but those who are know that the Democratic Party is the best chance we have for restoring dignity and fairness to the steadfast American worker, soldier, and citizen.

**New Directions for CCJP To the Editor:**

I would like to respond to the letter from Courtney Zeitler in the Oct. 7 issue of the Messenger suggesting new directions for the Cumberland Center for Justice and Peace. At this time, CCJP has voted to focus on Camp Anytown recruitment, nuclear disarmament, opposition to the Afghanistan War and sustainable consumerism. The decision about where to direct our energies is made by consensus at the annual June retreat, an event open to the public where community participation and input is welcome and encouraged. Over the course of the year, CCJP may take up other issues of local or grassroots significance when the need becomes apparent. The letter to the editor in response to anti-Islamic sentiment that arose surrounding the Murfreesboro mosque was an example of this, and, certainly, anti-Islamic sentiment is related to the Afghanistan conflict, a current focus topic. To become involved in the work of CCJP contact Leslie Lytle (598-9979 or <sllytle@blomand.net>) or visit the website at <www.ccjp.org>. Thank you for caring,

Leslie Lytle, Executive Director  
CCJP ■

**TAX CUTS, HEALTH CARE To the Editor:**

It's sad that there are people calling for even higher tax rates for high income earners, while protecting themselves. You can rightfully choose a lifestyle that brings in less money, but the idea of others paying a larger share of what they earn to fund what you want (but aren't willing to pay for) is selfish.

Some people tend to forget that the money really belongs to those who earn it. It's not the government's money. I've heard (note: unconfirmed) of a proposal in the U.K. for businesses to send employee earnings directly to the government for appropriate (only partial, of course) disbursement to the irresponsible saps who actually earned it. None of the Bush tax cuts should expire.

On a health care note: the use of the phrase "40 million without health insurance" is a canard that contains probably 10 to 15 million who choose not to have health insurance. As demonstrated by some companies and health insurers now reducing coverage, we're all going to be feeling the effects of that "reform." The system needed some sizable changes certainly, but 2,000 pages of unread interference (and the inevitable 100,000 pages of regulations to be determined by the bureaucrats) is ridiculous.

This election, vote for the candidates that best fit your goals for your community and the country. I voted for both Republicans and Democrats in the November 2008 elections. It's actually legal to do that.

### Barbara Cawthorne Crafton Featured During St. Mary's Quiet Day

On Saturday, Dec. 18, from 9 a.m.-3:30 p.m., the Community of St. Mary is offering an Advent Quiet Day that is open to the general public. Space is limited, so interested individuals should register soon.

Barbara Cawthorne Crafton, an Episcopal priest who currently heads "The Geranium Farm," an online institute for the promotion of spiritual growth and practice, will be the presenter. Crafton has a long experience of parish life and chaplaincy and as an actress, director and producer. She has worked for many years in combining the lively arts and the life of faith. Her books, articles and radio scripts have won many awards, including numerous Polly Bond Awards from Episcopal Communicators and the coveted Gabriel Award for religious broadcasting.

The title for the Community of St. Mary's Advent Quiet Day is "The Turning of the Year." It will be an Advent theme, involving three meditations in which Crafton will lead participants in looking back and looking forward for the coming of the infant Jesus. As she puts it: "The end of the year. The

end of the decade. The coming of the infant Jesus."

To register for the Advent Quiet Day contact either Sr. Madeleine Mary or Sr. Elizabeth at 598-0046. The suggested donation is \$30 for the day and lunch is included. Checks should be made out to the Community of St. Mary and sent to 1100 St. Mary's Lane, Sewanee, TN 37375. Please include your name and telephone number if you leave a message on the voice mail at St. Mary's Convent.

### Sunday at Otey Parish

Please join the congregation on Oct. 24 for the celebration of the 22nd Sunday after Pentecost at the Holy Eucharist, Rite II, at both 8:50 and 11 a.m. Between services, during the 10 a.m. Sunday School hour, classes for all of God's children are offered.

For children, nursery care is available for 0-2 years old and three levels of Godly Play classes for 3-year-olds to fifth-graders. Middle school youth are invited to attend "Photography: Grateful Reflections," led by Stephen and April Alvarez. High school youth are encouraged to "Text and Teach," led by Fr. Joe Ballard and Betty Carpenter.

Adults may choose between four classes: The Seekers class begins an

exciting series titled, "Saving Jesus." Led by Elizabeth Wilson and Julie King Murphy, this is a 12-week study with input from 30 well established theologians that challenges us to consider how we see Jesus. The Adult Forum, hosted by David Bowman and John Bratton, welcomes Herald Alveres and John Paul Joseph, two amazing Haitian men who are both strong Christians, physically challenged, and accomplished artists who will share their journeys and artwork. The Lectionary Class, led by Pete Trenchi, will focus on the Gospel lesson: Luke 18:9-14, the Parable of the Pharisee and the Tax Collector. The No-Class Class will meet in the parish kitchen for fellowship time.

Nursery care is available from 8:30 a.m. until 12:30 p.m. for children up to 3 years old and for those children who might not quite be ready to sit through "big church." Coffee hour follows the second service. Questions: Robin Reed (636-0010).

## Catechumenate Meets Oct. 27

Everyone is invited to Catechumenate, sponsored by All Saints' Chapel, on Wednesday night, Oct. 27, at 7 p.m. in the Bairnwick Women's Center on Mississippi Ave. behind the Bishop's Common.

This week's topic, presented by University Chaplain Tom Macfie, is "The Church in the World." The Catechumenate invites students, faculty and staff, seminarians, and community members to explore and learn about faith and life in a trusting environment. As always, the evening begins with fellowship, homemade baked goods and Stirlings coffee. Following the presentation participants will form into small groups and discuss their own journeys with God.

For information contact Catherine Outten, lay chaplain, at 598-1251 or the chaplain's office at 598-1274.

## Growing in Grace

On Sunday evening, Oct. 24, at 6:30 p.m. in All Saints' Chapel, Growing in Grace's guest speaker is the Rev. Sharon Hiers from St. Bartholomew's Episcopal Church in Atlanta, where she is the associate rector for youth and young adult formation, as well as the chaplain to Emory University. Hiers graduated from the School of Theology in 2007.

While at Sewanee, she found a deep passion for the life of the whole community, and was involved with the work of All Saints', particularly with the Catechumenate. She has taken her love of young adults into her parish. She writes "being on the journey is not always easy, and the college years often are key years for growth in many areas, including spirituality. Community is vital as Christ calls us to find our way in the world and in God's love."

Everyone is welcome to join this informal come-as-you-are worship service. Acoustic guitars and drums lead the participants in music (new and old!), and refreshments are provided afterwards. For information call Catherine Outten, lay chaplain, at 598-1251.

## E-H Hospital Update

### Employee Recognition

Emerald-Hodgson Hospital (EHH) selected Rita Guess as the September Employee of the Month. Rita is a certified nursing assistant in the EHH skilled care facility. Rita has worked in health care since 1996. She joined the EHH staff four years ago. Rita and her husband Rick reside in Tracy City. An avid outdoors enthusiast, in her spare time Rita enjoys fishing, boating and camping. Rita was tapped for recognition in a random drawing among all EHH employees having September birthdays. Rita's award includes use of a close-in parking space for the month of September and a gift basket with movie tickets and other goodies. Congratulations Rita Guess!

### State of the Hospital

EHH Administrator Ralph Underwood reported that for the second month in a row, outpatient visits at EHH were on the rise, increasing by 10 percent compared to September of 2009. General admissions fell below last year's levels, but the decline was countered by an increase in 23-hour observation visits, in keeping with a recent trend in response to insurance companies making it more difficult for patients to meet the criterion for admission. Emergency room visits were down slightly compared to September 2009, while the number of skilled care admissions rose by almost 30 percent.

## Aiken Taylor Award-Winner Honored Nov. 4

The Sewanee Review is honoring Louise Glück, one of the most lauded poets in the United States today, with the 2010 Aiken Taylor Award in Modern American Poetry.

The public is invited to attend the Aiken Taylor Award presentation to Glück on Thursday, Nov. 4, at 4:30 p.m. in Convocation Hall, followed by her reading and a reception. On Wednesday, Nov. 3, David Yezzi will give a lecture, "The Measure of Louise Glück," at 8 p.m., in the McGriff Alumni House, also followed by a reception. Glück's books will be available for purchase at both events.

In addition to her work as a poet, Glück has made a considerable imprint on contemporary American letters as an educator and as a champion of young writers. Aside from teaching in the creative writing programs at Boston University, the University of Iowa and Goddard College in Vermont, Glück taught at Williams College for 20 years, and she currently leads seminars in creative writing at Yale University. In 2003, Glück was appointed judge of the Yale Series of Younger Poets; her first selection was "The Cuckoo" by Peter Streckfus. Streckfus will be on campus to introduce Glück at the Aiken Taylor Award presentation.

Glück is the 24th recipient of this prize and follows such important writers as Donald Hall, Wendell Berry, Gwendolyn Brooks and Maxine Kumin. Through the generosity of Dr. K. P. A. Taylor (brother of poet Conrad Aiken), the Sewanee Review established this annual award in 1987, honoring a distinguished American poet for the work of a career. Howard Nemerov was the first poet honored and was followed by Richard Wilbur, Anthony Hecht and W. S. Merwin.

## Taiko Drummer Endo Performs Oct. 30

Sewanee's Performing Arts Series will feature Kenny Endo, a leading persona in contemporary percussion and rhythm, in Guerry Auditorium at 7:30 p.m. on Saturday, Oct. 30.

Endo has played drums since the age of nine, but hearing taiko (Japanese drumming) for the first time was a life-changing experience. "You experience it not only with your ears, but your whole body," he says.

Originally trained as a jazz musician, Endo is now a leading force in contemporary taiko performance, blending traditional Japanese music, Western percussion, and rhythms from around the world into original melodies and improvisation. He works with diverse genres of music, as well as other art forms, from dance to theater and video. Endo is celebrating his 35th year of taiko with a tour featuring an all-star cast of musicians from Japan and the U.S. who perform his new work "Gateway—'Ma' vs. Groove."

## Film on Tibet's Struggle for Freedom

A free screening of the poignant and thought provoking documentary "The Sun Behind the Clouds: Tibet's Struggle for Freedom" is scheduled for Thursday, Oct. 21, at 7 p.m., in Gailor Auditorium. The film examines the 2008 Tibetan uprising against Chinese rule and the story of more than 100 Tibetan exiles in India who set out on a march to return to their homeland, committed to principals of nonviolence and convinced this was the only action they could take to support their countrymen. Tibetan author and activist Jamyang Norbu, who is featured in the film, will facilitate a discussion session following the screening.

A political activist and writer currently living in the United States, Norbu previously lived for more than 40 years as a Tibetan exile in India. Following the film, Norbu will take questions from the audience and lend a firsthand perspective to the events depicted in "The Sun Behind the Clouds," as well as new developments in Tibet's struggle for independence since the film was produced.

The film event is being sponsored by the Cumberland Center for Justice and Peace. For information contact Leslie Lytle at <sllytle@blomand.net> or 598-9979.

Demonstrations will be led by Sewanee faculty, staff and students.

The events are sponsored jointly by the University chemistry department and SAACS.

Families that homeschool are invited to a celebration on Friday, Nov. 5, in Blackman Auditorium in Spencer Hall/Woods Lab, at 3 p.m.

National Chemistry Week is an outreach program of the American Chemical Society aimed at improving the public's awareness of chemistry's contributions to our everyday lives and its importance to the nation's economy. ACS members, industry, educators and chemistry enthusiasts celebrate it nationwide. Visit <[www.acs.org/ncw](http://www.acs.org/ncw)> for information.

American Chemistry Week occurs Oct. 17-23 and the theme this year is "Behind the Scenes with Chemistry—Movie Magic." As a preview, Jennifer Bachman from the University's chemistry department demonstrated to SES second-graders in Courtney Gibson's class how glass was made for special effects and stunts in the movies.

Sewanee Elementary School volunteer and Scholastic Book Fair chair, Amy Dye, reads one of the great selections available during this fall's Fair to second graders.

## SES Book Fair Deemed Great Success

Recently, the Sewanee Elementary School library was transformed with the set-up of the Scholastic Book Fair. This is one of the favorite events with the students. So much excitement! Amy Dye chairs the Book Fair each year and organizes the many volunteers required to have a successful fair, as well as doing the accounting when it ends. Cheryl King, SES librarian, greatly appreciates the help of so many people during this fun week.

SES parents are very supportive of the fair as they wish to foster their children's reading and to help the library generate funds for new library books. It is a win-win situation for all. The spring book fair will be in late February and all are welcome to come and enjoy the array of books.

## Fall Deer Pre-Cull Continues

The University is holding a two-phased deer cull on the Domain for the purposes of herd management, ecosystem balance and community safety. The phases consist of a fall pre-cull and a Christmas break cull.

The pre-cull, currently underway, occurs on the following dates: Oct. 23-24; Nov. 6-7, 20-21, 24 and 26-28; and Dec. 4-5 and 11-12. Hunting will begin at sunrise and end at sunset on these dates. There will be no hunting between 10 a.m. and 2 p.m.

During the pre-cull, hunting will be archery only—with no exceptions. Hunting will be conducted in large perimeter zones. Pre-cull maps of the areas is available on the Messenger website, <www.sewaneemessenger.com>, and displayed at duPont Library, the SPO and the bulletin board at the Sewanee Market.

The following trails will remain open at all times: Tennessee Avenue, Rails-To-Trails bike path, entire Perimeter Trail, Bridal Veil Falls trail, Piney Point trail, Beckwith's Point trail, Caldwell Rim trail, Solomon's Temple trail in Thumping Dick Hollow. Bow

hunters will be located at least 100 yards from trails and fire lanes.

In an effort to increase the number of deer taken, two changes have been made to the pre-cull this year. In addition to the dates listed above, hunting will take place between sunrise and 8:30 a.m. on all weekdays, beginning Oct. 11 and ending Dec. 17, except there will be no hunting on Thanksgiving Day. Second, the hunting area has been increased this year: the zone beyond the Equestrian Center has been extended farther out Breakfield Road and an all-new zone near Lake Dimmick has been added.

All members on the veteran cull team have attended safety training sessions, as in previous years. Hunters have been pre-selected from a pool of University faculty, staff and students, and their family members.

The Community Action Committee (CAC) will process a number of deer and distribute venison to families. The police department will also make surplus whole deer available to members of the community.

## U-12 Boys' Soccer Team Victorious

Sewanee's U-12 soccer team traveled to northern Alabama on Oct. 16 and swept a doubleheader from teams in Madison and Monrovia. In the first game at Madison, Sam Thomas, Blaise Zeitler, Draven Tate and Sam Smith all scored goals to lead Sewanee to a 5-0 victory. Zachary Taylor, Andrew Bachman and Thomas led the way in goal, while Kellen Vogelfanger, Jacob Hanson and Joseph McDonough were effective at mid-field.

In the second game of the day, Sewanee traveled to Monrovia and garnered their second win by a score of 8-3. A.J. Mullin, Dan McNair, Smith, Thomas and Zeitler scored goals while Taylor, Bachman and Thomas were steadfast in the net. Noah Huber-Feely and Elliott Duncan played hard at midfield and as forwards. Sewanee is now 6-1 on the year and travels to Fayetteville this weekend to play Huntsville.

## SAS Volleyball Team Scores 4th Winning Season

The St. Andrew's-Sewanee School girls' varsity volleyball team finished the season 14-13, recording their fourth winning season in a row. Seniors Elle Gilbert, Catelyn Hutcherson and Ivy Chuang played major roles in the team's success this season. Gilbert and Hutcherson were named to the 2010 Bledsoe County Volleyball All Tournament Team, as the team took first place, defeating Grundy County in the championship game.

The team got off to a quick start, winning 10 matches in a row; however, the team suffered several key injuries in the middle of the season as Gilbert was lost for the season. Despite starting three freshman, Madison Culpepper, Jenna Burris and Sam Stine, the Mountain Lions were able to regroup and put together a competitive team. Coach Rob Zeitler said, "I am proud of how much this team improved in the game of volleyball and how they learned to be good teammates. They really learned to build each other up and support each other when things were not going so well."

The Mountain Lions were knocked out of the regional tournament by Webb School of Knoxville.

## Field Hockey Team Defeats W&L

Despite being outshot 24-15, the Sewanee field hockey team walked away with a 4-3 victory over visiting Washington and Lee on Oct. 16. Elise Landau and Taylor Skeen both racked up two goals apiece to lead the Tigers over the Generals. Sewanee moves to 4-8 on the year.

Skeen started off hot for the Tigers, putting one past W&L just five minutes into the contest. She added to her own goal just 1:26 later when she found the net again, this time off a pass from Carly Grimm. Landau added to the Sewanee scoring attack when she put in an unassisted goal to make it 3-0 Sewanee. Washington and Lee countered with a goal to make it 3-1 heading into the half.

W&L kicked off the scoring in the second half to make it 3-2 in favor of the hosts. Alex Hensleigh tied things up at the 19:27 mark, when her shot made its way into the goal to even it at three apiece. But Landau wasn't done for the day. With just 12:12 left in the contest, Landau netted the game-winner when her unassisted

shot sailed into the W&L net. Landau's second goal of the day put the Tigers up 4-3, and they would never look back as they cruised to victory over the Generals.

W&L held the edge in shots, 24-15, and corners, 12-5. Morrow and Detmer each picked up eight saves for the Tigers.

## Sewanee Volleyball Team Focuses on Defense

The Sewanee volleyball team dropped all matches to nationally ranked teams Oct. 15-16 at the SCAC East/West Crossover. On Friday, the Tigers fell to No. 20 Southwestern in three sets, 5-25, 13-25, 9-25, before losing to No. 11 Colorado College, 3-0 (14-25, 16-25, 14-25). On Saturday, the Tigers wrapped up play with 0-3 scores to Trinity University and Centre College.

Sewanee drops to 1-25 on the year and 0-12 in SCAC play.

## Trinity Prevails Over Sewanee in Gridiron Action

One Tiger team walked away from McGee Field on Saturday afternoon, Oct. 16, with their first conference victory. Unfortunately for Sewanee, it was the Tigers of Trinity University who claimed the win. The two teams battled throughout the entire 60 minutes of play and were separated by just seven points with less than five minutes left, but Trinity prevailed 17-3.

The Tigers fall to 1-6 on the season and 0-4 in SCAC play. Sewanee returns to action Oct. 23 when they travel to Birmingham-Southern College.

Sewanee accumulated 138 yards of total offense on the afternoon,

82 of which were passing yards. Trinity netted 344 yards of offense on 175 passing yards and 169 rushing yards. The Trinity Tigers held the edge in first downs, 17-8. Zeke Wilson led Sewanee's rushing attack with 46 yards on 17 attempts. Lee Schurknight finished the day 10 of 25 passing with no interceptions for 82 yards. Chad Morehead led the Tiger receiving corps with 39 yards. Zac Atkins paced the Tiger defense with 15 tackles and a sack. Alfonza Knight finished the day with 14 tackles, one fumble recovery and one interception. Andrew Walters added seven tackles in the effort.

## Sewanee Soccer Team Downs Covenant

Sophomore Bess Goodman scored two first-half goals as the Tiger women's soccer team downed host Covenant College 3-1 on Oct. 15. Goodman's goals, her sixth and seventh in the last three games, put Sewanee ahead early in the first half, and the Tigers never looked back as they cruised to their third win in a row.

The Tigers started off hot in the first half, collecting eight shots in the period. Goodman opened up the scoring with her seventh goal of the season. Goodman's goal came off a free kick after a Covenant foul. Goodman pushed the Tiger lead to 2-0 with another shot off an assist by Faith Spencer. Sewanee came out even stronger in the second half as the Tigers racked up 10 shots, while the defense held the Scots to just two shots in the period. Spencer picked up her third goal of the season when she added a Tiger insurance goal at the 59:25 mark. Goodman and Spencer accounted for every Tiger point of the

evening. The defense held on after Spencer's score as Sewanee picked up the 3-1 victory.

The Tigers finished the night with the edge in shots, 18-5, and finished even in corner kicks, 4-4. Virginia Zakas picked up the win in goal for the Tigers after stopping three Scot shots. Sewanee moves to 7-5 on the year with their third straight win. The Tigers will host Rhodes on Oct. 22 and Hendrix on Oct. 24.

## Sign Up for Martial Arts

Raven Pool, son of Cydney and Lance Pool of Sewanee, has been studying martial arts in China since Sept. 11, 2009, having spent one full year at Kunyu Mountain Shaolin Martial Arts Academy under Master Guo. He is teaching martial arts at the Sewanee Community Center until January 2011, when he will return to China for his second year of training. While here, he will accomplish some homeschooling requirements. He plans to continue his education in Chinese martial arts and traditional Chinese medicine for five years at Kunyu Shan, in tandem with earning a degree in English here.

Ongoing, family-friendly classes are held on Tuesdays and Thursdays: 6:30-7:15 p.m., Sanda, fighting without weapons, and cardio kickboxing; 7:15-8:15 p.m., Wing-Chun Kung Fu, a style of martial art "like the struggle between snake and crane"; 8:15-9 p.m., Baji Fist, Tai-Chi Fist, and weapons. Saturday morning classes from 8-9:30 a.m. focus on Tai Chi and Kung-Fu. For information about classes or to register, call 598-0911.

## Overtime With Coach Shack

By John Shackelford

In my first year of collegiate coaching back at UNC-Asheville, we interviewed a prospective athletic director who was, at the time, coaching football at Davidson College. Someone in the room asked him why we should hire a guy whose football team was 1-8 the previous season. His answer is something I have found to be true over the years, even though I may not have understood or believed it just then. He explained that he always had to be a better coach with those kinds of teams. "When you are 1-8, you have to be out there every day selling it, motivating players, teaching basics, being repetitive, encouraging and recruiting harder for the next year." He went on to say that when he had a 10-0 team, "all he had to do was point the bus in the right direction. His thoroughbreds would take care of the rest."

Two of Sewanee's senior athletes are Chris Hague, a member of our cross country and track teams, and Jay Hill, a member of our tennis program. Both athletes have grade point averages that soar above the 3.8 no-fly zone. Jay is a double major in economics and psychology, and Chris is majoring in psychology, as well. Chris is an All-SCAC runner, All-Region, National Scholar Athlete and found time to swim for the Tigers his first two years on campus. Jay has been named National Scholar Athlete in each of his first three seasons and has led the tennis team to regional and national recognition as a four-year starter. He was chosen as a sportsmanship award winner in the SCAC last season. Chris drives the BACCHUS mobile on the weekends and serves as the organization's treasurer. Jay spent this past summer in Cambodia, Bangladesh, Puerto Rico and Spain studying microfinance programs. Chris is planning a weekly periodical called Mountain Top Gourmet with tips on nutrition, eating out, budgeting and cooking this year, and Jay has already published one of his papers from his research in psychology.

Both of these young men are among the finest athletes in the SCAC and can hold their own in national competition. Both of them are among the top academic students in Sewanee and are also active in our campus community. They are the kind of gownsmen who you see on the Dean's List and the All-Conference team at the same time. They are just two of the many athletes from our various teams on this campus who exemplify what it means to put the word student before athlete.

Wouldn't you enjoy it if just once after a televised Division I football or basketball game the announcer would ask the athlete that just ran for 100 yards or scored 30 points how his classes were going? Maybe ask them what sort of papers they were writing that week and how they fit in studying for exams with all the travel?

When you coach the type of kids that the Sewanee coaching staff, including Jeff Heitzenrater and myself, have the privilege of coaching, like Jay Hill and Chris Hague, you don't have to ask those questions. All you have to know is which way to point the bus.

Tell them you saw it HERE!

## Nature Notes

### Lake Eva Wildflowers

Late-blooming wildflowers are conspicuous at the edge of Lake Eva off the Jump-Off Road. On Oct. 13, **Jean Yeatman and Joy Dog** walked around this small lake and found Parnassium asarifolia (below, left). Its white petals are marked with thin green lines, and the leaves are rounded. Then they encountered the Blue Bottle Gentian flowers (below, right) in clusters at the end of the stems. Soon the Turtle's Head will bloom. Various species of Eupatorium and asters are still in bloom, so enjoy them while they last. A pair of Wood Ducks flew up to add to the colors. They call "whoo-eek, whoo-eek," and are feasting on acorns, black gum berries and water plants.

## F.C. Humane Society Pets of the Week Meet Miranda & Kenzie

The Franklin County Humane Society's Animal Harbor offers these two delightful pets for adoption.

Miranda is an energetic little Miniature Pinscher mix who loves attention. She is a lap dog, and she likes to play fetch. Miranda would like to be an "only dog" so she has all the attention to herself. She is up to date on shots and spayed.

Kenzie is a Tortoiseshell kitten with big green eyes. She is really playful, but she's also a real cuddle kitten who loves to watch TV. Kenzie

is negative for FeLV and FIV, house-trained, up to date on shots and spayed.

Call Animal Harbor at 962-4472 for information and check out their other pets at <www.animalharbor.com>.

Please help the Humane Society continue to save abandoned pets by sending your donations to the Franklin County Humane Society, P.O. Box 187, Winchester, TN 37398.

## From Bard to Verse

by Scott and Phoebe Bates

*Birthday of Samuel Taylor Coleridge,  
Oct. 21, 1772*

...The shadow of the dome of pleasure  
Floated midway on the waves;  
Where was heard the mingled measure  
From the fountain and the caves.  
It was a miracle of rare device,  
A sunny pleasure-dome with caves of ice!

A damsel with a dulcimer  
In a vision once I saw:  
It was an Abyssinian maid,  
And on her dulcimer she played,  
Singing of Mount Abora.  
Could I revive within me  
Her symphony and song  
To such a deep delight 'twould win me,  
That with music loud and long,  
I would build that dome in air,  
That sunny dome! those caves of ice!  
And all who heard should see them there,  
And all should cry, Beware! Beware!  
His flashing eyes, his floating hair!  
Weave a circle round him thrice,  
And close your eyes with holy dread,  
For he on honey-dew has fed,  
And drunk the milk of Paradise.

—From "Kubla Khan"  
by Samuel Taylor Coleridge (1772-1834)
