## Local, Fresh Food at Area Markets

Fresh foods grown in the area are plentiful and available in a number of locations.

The Sewanee Gardeners' Market, open every Saturday, 8–10 a.m., in the summer, will have its opening day Saturday, May 27. The Market is located on Highway 41A, next to Hawkins Lane and the Mountain Goat Trail.

The Cowan Farmers' Market is open 7 a.m.–noon, on Saturday, North Tennessee Street. Call Hazel Watson at (931) 691-2622 for more information and to become a vendor.

The Cumberland Farmers' Market has breads, fruits and vegetables, eggs, coffee and meats available. Learn more online at <<http://sewanee.locallygrown.net>>.

The Franklin County Farmers' Market is open 7 a.m.–noon, Tuesday, Thursday and Saturday through October on Dinah Shore Blvd., next to the Franklin County Annex building. Call (931) 967-2741 for more information.

## IONA Art & Readings

The Spring Festival of Artists and Authors at IONA: Art Sanctuary opened in May with readings and art exhibits. Readings begin at 5 p.m. at 630 Garnertown Rd. All events are free and open to the public. There will be an exhibition of photographs by John Willis through May 26.

On Tuesday, May 23, readers will be Peter Trenchi (creative writing), the Rev. Nikolas Combs (poetry), and Virginia Craighill (poetry and verse).

Lynn Cimino-Hurt (poetry), Michael Cimino-Hurt (poetry and short story), and Kiki Beavers and John Beavers (film and TV blog) will be the featured readers for Wednesday, May 24.

David Landon with Chris Bryan will perform scenes from "King Lear" and more on Thursday, May 25. Jennifer Michael will also read poetry.

On Friday, May 26, readings will be given by Camila Hwang-Carlos and Malia Carlos (poetry), and Robert Walker (poetry). Marsha Carnahan will play the flute.

Members of the Class of 2017 and their advisors take a break during farm day.

## SAS Graduation Events

St. Andrew's-Sewanee School will host its commencement exercises during the weekend of May 19–21.

The weekend begins with the baccalaureate service at 5:30 p.m., today (Friday), May 19, at the school's outdoor altar. This year's baccalaureate speaker will be SAS English teacher Claire Reishman. The baccalaureate service is followed by a banquet for seniors, their families and guests in Robinson Dining Hall. The final event of the evening is the senior lead-out and Annie presentations in McCrory Hall for the Performing Arts.

At 10 a.m., Saturday, May 20, the school community will gather under the tent at the outdoor altar for Honors Day, a celebration of student achievements throughout the year and major awards recognizing outstanding leadership, service and scholarship. Following the program, guests are invited to a reception in Simmonds Hall. Student artwork will be on display in the SAS Gallery throughout the weekend.

The weekend and the school year concludes on Sunday, May 21, with a commencement Eucharist and commencement exercises, which begin at 10 a.m. under the tent at the outdoor altar. There will be a reception in the Spencer Room.

## O'DONOHUE RETIREMENT

### To the Editor:

The Board of Directors of Folks at Home announce that Kathleen O'Donohue will be retiring from her position as Executive Director at the end of 2017. Since its inception in 2010 Kathleen has led this organization as director, following the board's vision. Through O'Donohue's guidance, Folks at Home has grown from a good idea to a vibrant agency that connects persons in need of care with service providers and volunteers. Kathleen has been the touchstone for the Sewanee community to make those connections as well as someone who has personally enhanced the community at large.

Folks at Home continues strong in its mission to empower individuals to live at home with dignity in the community they love and the Board will be doubling our efforts to insure that mission persists under new leadership. We will be celebrating Kathleen's contributions to Folks at Home in a formal way in the fall. In the meantime, you can let her know how much she is appreciated by giving a thanksgiving donation in her name.

Community members Tim Graham and Marilyn Phelps have joined board members Linda Hutton and John Solomon on a Search Committee to select the next Executive Director. If you or someone you know would like to be considered for this job, please submit your inquiry to Linda Hutton at <justlinda@charter.net>.

Folks at Home has received widespread community support since its inception. We look forward to that support continuing as we move forward under new leadership.

*Jo Ann Barker, President,  
Board of Directors ■*

## FOOD DRIVE THANKS

### To the Editor:

Many thanks to everyone who participated in the "Fill a Bag, Help Feed Families" food drive on May 13. Thank you to all who donated healthy food and to the postal workers who collected it. The CAC provides weekly groceries for those in need and all who donated food will help us fill the bags. Thank you for your generosity!

*Betty Carpenter, Director, Community Action Committee ■*

## ROTARY THANKS

### To the Editor:

As I will conclude my year as club president for the Monteagle Sewanee Rotary Club in June, I want to express my gratitude for how the community has supported our projects throughout the year.

Our annual Hunger Walk, held during Labor Day weekend, had 372 walkers and 52 partners, enabling the club to distribute \$12,000 to local agencies—the CAC at Otey Parish and the food bank at Morton Memorial Methodist Church. Last October, the club gifted Monteagle Elementary School fifth graders with dictionaries. In March, we held our annual Cajun Supper, feeding about 500 and raising \$5,000 for international projects we support, such as the Sustainable Agricultural Program in Haiti with Sewanee Outreach. Our spring golf tournament also was well attended and great fun. We had 75 golfers and 60 hole sponsors to participate. From those proceeds, we are able to provide scholarships for a graduating senior at Grundy County High School, to contribute to our University of the South endowment fund, which provides an annual scholarship to a local student attending Sewanee, and to support SAS students who attend RYLA (Rotary Youth Leadership Awards) each fall.

All in all, it was another outstanding year of service opportunity for the club, and without the generous support and participation of so many community members, we would not enjoy such success with our projects. For this I want to say thank you!

We meet weekly for breakfast each Thursday at 8 a.m. at the Sewanee Inn, with fascinating programs and visiting speakers. Guests are always welcome, please join us.

*Lynn Cimino-Hurt, President,  
Monteagle Sewanee Rotary Club ■*

## NOT AN EASY DECISION

### To the Editor:

Public service can be a thankless job, so let me take a moment to express my gratitude to Adam Tucker for his recent work on the Franklin School Board. The decision about the future of middle school education in the county was not an easy one, and I appreciate his letter in last week's Messenger outlining his thinking on the

topic. As I know from my own time on the School Board, this is not a county that believes in raising tax revenue for investment in public education. Had North and South Middle Schools been properly maintained over the past half century, we would have the two schools many of us would like us to have. But there's no reason to think future County Commissions will be spending more on education than past ones have. And let's be honest—nobody in a decade's time will be happy with a slipshod renovation of two 50-year-old schools, regardless of how passionately some at present feel about it. To my mind, that passion would be better put into making alliances with other progressives across the county to elect more forward-thinking commissioners.

*Chris McDonough,  
Sewanee ■*

## WHERE DOES IT END?

### To the Editor:

An ancient sage said "those who fail to learn from history are doomed to repeat it."

If all the reminders of all the historical events and persons found offensive to anyone were removed, where would that leave us?

*Don Shannonhouse,  
Monteagle ■*

## Grundy County Rotary Club Meeting

The Grundy County Rotary Club meets at 11:30 a.m., Tuesdays at Dutch Maid Bakery in Tracy City. On Tuesday, May 23, Grundy County resident, Stephen Wickham will speak to the Rotary Club of Grundy County about his planned trip to Turkey to be a part of the first archeological dig to unearth a portion of what is believed to be Noah's Ark. The remains of the ark were first discovered in 1960 from an aerial reconnaissance photo taken in 1959. However, it was not until a series of extensive tests had been completed that the Turkish Government finally declared the area a National Park in 1987. Repeated efforts to excavate the site have been turned down. Recently, a series of electrical resistance scans confirmed the earlier studies and have revealed that there is much more to the site than previously thought. "This site holds a lot of secrets about our world that we know very little about," said Wickham. "I am honored to be able to participate in a very small way to help uncover some of those hidden secrets." Those present will have an opportunity to hear some of the current findings regarding this site and the message that it conveys to us today.

## Grief Recovery Seminar

Folks at Home will host the Grief Recovery Method in collaboration with Compassus Hospice & Palliative Care.

The eight-session series will begin at 1 p.m. on Tuesday, June 6 and end on August 1 (no session July 4). Each session is about 1.5 hours at the Sewanee Community Center.

Whether your loss is from death, divorce or end of a relationship, loss of a career or job, loss of trust, loss of faith, or loss of health/independence, grief is the normal and natural reaction to any loss. The problem is that we have been socialized to believe that these feelings are abnormal or unnatural. Register by Monday, May 22, by calling Folks at Home (931) 598-0303 or emailing <folksathome.sewanee@gmail.com>.

## Green-Hawkins-Mooney Families Reunion May 27

The Green, Hawkins and Mooney family reunion will begin at 11 a.m. on Saturday, May 27, at the large pavillion behind Monteagle City Hall.

Lunch will be at noon. Please bring covered dishes, pictures and lawn chairs. For more information or questions call Brenda Colvin, (931) 598-0848.

*Shop and dine locally!*

## Dr. Ming Wang to Address Monteagle Sewanee Rotary Club

Renowned eye surgeon, Dr. Ming Wang of Nashville's Wang Vision Cataract and LASIK Center, is scheduled as guest speaker for the Monteagle Sewanee Rotary Club's breakfast meeting at 8 a.m., Thursday, May 25, at the Sewanee Inn.

Dr. Wang will discuss his transition from being a teenager in China to becoming an eye surgeon in the United States. He will also present a first hand account and historical overview of the "Trade Relations Between The US and China." The talk will include the country's economy and business opportunities available for the US.

Dr. Wang grew up in China during the devastating Cultural Revolution when millions of the country's youth were deported and condemned to a lifetime of hard labor and poverty. To avoid such a life, he learned to play the er-hu, a Chinese musical instrument similar to the violin. This allowed him to participate in the government's propaganda program and continue his education.

The doctor's remarkable real life story inspired a character in the nationally acclaimed book, 'God's Not Dead. In 2014 the book became a blockbuster movie and Dr. Wang's character was also included in the film version. An autobiography about his interesting life has also just been released.

The Nashville Kiwanis Club recently named Dr. Wang "Nashvillian of the Year" in recognition of his special work with children from all over the world. Likewise, the Middle Tennessee FiftyForward organization has selected him to receive their 2017 "Crowning Achievement Award" for his work with the senior citizen population.

Thursday, June 1 will be a Club Assembly.

She is survived by one grandson, several nieces and nephews, and special friend, Tom “J.L.” Anderson.

Funeral services were on May 15 in the funeral home chapel with Minister John Yeoman and Chaplain Richard Barger officiating. Interment followed in Fall Creek Cemetery. For complete obituary go to <www.laynefuneralhome.com>.

## Sewanee Utility District of Franklin and Marion Counties Water Quality Report 2016

### Is my drinking water safe?

Yes, our water meets all of EPA’s health standards. We have conducted numerous tests for over 80 contaminants that may be in drinking water. As you’ll see in the chart on the back, we only detected 11 of these contaminants. We found all of these contaminants at safe levels.

### What is the source of my water?

Your water, which is surface water, comes from Lakes O’Donnell and Jackson. Our goal is to protect our water from contaminants and we are working with the State to determine the vulnerability of our water source to ***potential*** contamination. The Tennessee Department of Environment and Conservation (TDEC) has prepared a Source Water Assessment Program (SWAP) Report for the untreated water sources serving this water system. The SWAP Report assesses the susceptibility of untreated water sources to ***potential*** contamination. To ensure safe drinking water, all public water systems treat and routinely test their water. Water sources have been rated as reasonably susceptible, moderately susceptible or slightly susceptible based on geologic factors and human activities in the vicinity of the water source. The Sewanee Utility District of Franklin and Marion Counties (SUD) sources rated as slightly susceptible to potential contamination.

An explanation of Tennessee’s Source Water Assessment Program, the Source Water Assessment summaries, susceptibility scorings and the overall TDEC report to EPA can be viewed online at [www.state.tn.us/environment/dws/dwassess.shtml](http://www.state.tn.us/environment/dws/dwassess.shtml) or you may contact the Water System to obtain copies of specific assessments.

### Why are there contaminants in my water?

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. Community water systems are required to disclose the detection of contaminants; however, bottled water companies are not required to comply with this regulation. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency’s Safe Drinking Water Hotline (800-426-4791).

For more information about your drinking water, please call Water Superintendent James Smartt at 931- 598-5201.  
Este informe contiene información muy importante. Tradúscalo o hable con alguien que lo entienda bien.

### How can I get involved?

Our Board of Commissioners meets on the fourth Tuesday of every month at 5:00 PM at the Utility Office. Please feel free to participate in these meetings. The SUD Board is elected and consists of five members. Each member serves a four year term. Decisions by the Board on customer complaints brought before the Board under the District’s complaint policy may be reviewed by the Utility Management Review Board of the Tennessee Department of Environment of Conservation pursuant to Section 7-82-703 (7) of Tennessee Code Annotated. You can also visit our website [www.sewaneeutility.org](http://www.sewaneeutility.org) for more information

### Is our water system meeting other rules that govern our operations?

The State and EPA require us to test and report on our water on a regular basis to ensure its safety. We have met all of these requirements. Results of unregulated contaminant analysis are available upon request. We want you to know that we pay attention to all the rules.

### Other Information

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial, or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radioactive contaminants, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA and the Tennessee Department of Environment and Conservation prescribe regulations which limit the amount of certain contaminants in water provided by public water systems. SUD’s water treatment processes are designed to reduce any such substances to levels well below any health concern. FDA regulations establish limits for contaminants in bottled water which must provide the same protection for public health.

Due to all water containing dissolved contaminants, occasionally your water may exhibit slight discoloration. We strive to maintain the standards to prevent this. We at SUD work around the clock to provide top quality water to every tap. We ask that all our customers help us protect our water sources, which are the heart of our community, our way of life and our children’s future.

### Do I Need To Take Special Precautions?

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have under-gone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about not only their drinking water, but food preparation, personal hygiene, and precautions in handling infants and pets from their health care providers. EPA/CDC guidelines on appropriate means to lessen the risk of infection by Cryptosporidium and other microbiological contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

### Lead in Drinking Water

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. The Sewanee Utility District is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>

### Water System Security

Following the events of September 2001, we realize that our customers are concerned about the security of their drinking water. We urge the public to report any suspicious activities at any utility facilities, including treatment plants, pumping stations, tanks, fire hydrants, etc. to 598-5611

## Water Quality Data

What does this chart mean?

- **MCLG** - Maximum Contaminant Level Goal, or the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- **MCL** - Maximum Contaminant Level, or the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology. To understand the possible health effects described for many regulated constituents, a person would have to drink 2 liters of water every day at the MCL level for a lifetime to have a one-in-a-million chance of having the described health effect.
- **MRDL**: Maximum Residual Disinfectant Level or MRDL: The highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for the control of microbial contaminants.

Contaminant	Violation Yes/No	Level Detected	Range of Detections	Date of Sample	Unit Measurement	MCLG	MCL	Likely Source of Contamination
Total Coliform Bacteria	NO	0		2016		0	<2 positive samples	Naturally present in the environment
Turbidity <sup>1</sup>	NO	0.04	0.02-0.15	2016	NTU	n/a	TT	Soil runoff
Chlorine	NO	1.8	1.4-2.1	2016	ppm	4	4	Water additive used to control microbes.
Copper	NO	90%= 0.10	0.003- 0.452	2015	ppm	1.3	AL=1.3	Corrosion of household plumbing systems; erosion of natural deposits; leaching from wood preservatives
Fluoride	NO	0.47	0.41-0.52	2016	ppm	4	4	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories
Lead <sup>2</sup>	NO	90%= .0006	.0011- .0036	2015	ppb	0	AL=15	Corrosion of household plumbing systems, erosion of natural deposits
Nitrate (as Nitrogen) <sup>3</sup>	NO	BDL	BDL	2016	ppm	10	10	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits
Sodium	NO	11.3	11.3	2016	ppm	N/A	N/A	Erosion of natural deposits; used in water treatment
TTHM <sup>4</sup> [Total trihalomethanes]	NO	49	25-81	2016	ppb	n/a	80	By-product of drinking water chlorination
Haloacetic Acids (HAAs)	NO	35	21-56	2016	ppb	N/A	60	By-product of drinking water disinfection.
Total Organic Carbon <sup>5</sup>	NO	1.08	1.00-1.20	2016	ppm	TT	TT	Naturally present in the environment.
Chlorine	NO	1.8	1.4-2.1	2016	ppm	4	4	Water additive used to control microbes.

- **MRDLG**: Maximum residual disinfectant level goal. The level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.
- **Below Detection Level (BDL)** - laboratory analysis indicates that the contaminant is not present at a level that can be detected.
- **AL** - Action Level, or the concentration of a contaminant which, when exceeded, triggers treatment or other requirements which a water system must follow.
- **Parts per million (ppm) or Milligrams per liter (mg/l)** – explained as a relation to time and money as one part per million corresponds to one minute in two years or a single penny in \$10,000.
- **Parts per billion (ppb) or Micrograms per liter** - explained as a relation to time and money as one part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.
- **Nephelometric Turbidity Unit (NTU)** - nephelometric turbidity unit is a measure of the clarity of water. Turbidity in excess of 5 NTU is just noticeable to the average person.
- **TT** - Treatment Technique, or a required process intended to reduce the level of a contaminant in drinking water. During the most recent round of Lead and Copper testing, 0 out of 20 households sampled contained concentrations exceeding the action level.

<sup>1</sup>100% of our samples were below the turbidity limit.  
<sup>2</sup>Infants and young children are typically more vulnerable to lead in drinking water than the general population. It is possible that lead levels at your home may be higher than at other homes in the community as a result of materials used in your home’s plumbing. If you are concerned about elevated lead levels in your home’s water, you may wish to have your water tested and flush your tap for 30 seconds to 2 minutes before using tap water. Additional information is available from the Safe Drinking Water Hotline (1-800-426-4791).

## Summer Book Study Opportunity

Southeast Tennessee Episcopal Ministry (STEM) is offering a three-week study group featuring "Primary Speech: A Psychology of Prayer," by the well-known theologian and Jungian analyst Ann Ulanov. The study will be led by the Rev. Amy Bentley Lamborn, Vicar of STEM, who did her doctoral work with Ulanov. The book explores the human experiences of such issues as desire, fear and anger in relation to prayer, as well as what happens when we pray for others.

The study will take place on Wednesday, June 14, 21, and 28, from 12:30–2 p.m., in the Parish Hall of Trinity Episcopal Church, Winchester. The book study is open both to members of STEM and interested members of the community. Participants may bring a brown bag lunch. Coffee and tea will be provided. Copies of the book are available through Amazon and other online retailers.

For more information or to register for the study, please contact Lamborn at <stemvicar@gmail.com>. A schedule of readings will be provided to participants in advance of the first meeting.

Monteagle Sewanee Rotary Club president Lynn Cimino-Hurt presented a \$2,500 check to Dixon Myers from funds raised at the Club's Cajun Dinner that supports international projects. Local Rotarians in conjunction with the University of the South support the Haiti Institute to plant coffee, ced, acajou and mango. Farmers in Haiti use the crops to support their local economy.

## Summer Conferences on Campus

### Adult Tennis 1 & 2

The University of the South will be hosting Adult Tennis Camp through May 21 with a second session running from June 1–3. This camp is geared towards players aged 21-81 and at all ability levels. The program is designed to aid attendees in refining their skills and building camaraderie, both on and off the court.

### Leadership Nashville

The Leadership Nashville Foundation will be stationed in Sewanee from May 25–27. Connection, communication and cultivation of civil society are the aims of the conference. Attendees will engage in dialogues meant to dissect Nashville demographically, focusing on improving crime, public works, racial tensions, arts funding and educational programs.

### Summer Workers

Classes may be over for the semester, but the University's campus will still be abuzz this summer. Almost 80 students have remained to work with professors, provide hospitality, aid research, support administration and more. Of course, they are sure to make time for relaxation and sunshine, too, before it's back to the classroom in August.

### Un viaje a Espana

From May 23–June 18, a select group of students will be enrolled in a demanding Spanish literature course. Following completion of the class, students will spend three weeks in Spain to trek along the Camino de Santiago.

## SAS Res Opens June 5, Pass Required

The St. Andrew's-Sewanee School campus is home to a beautiful man-made lake created decades ago by the monks and students of St. Andrew's School. The "Res," as it is called, is restricted to school use during most of the year. However, for a small portion of the summer (this year June 5 through July 31) members of the extended SAS community may use the Res if they have a permit.

To be eligible to apply for and purchase a Res pass and parking permit, community members must have an SAS sponsor employed by the school (signature will be required) and be at least 18 years old. Application can be made at the SAS Administrative Offices in Langford Hall between 8 a.m. and 4 p.m., Monday–Friday, after May 22. Please note that the office will be closed on Memorial Day, Monday May 29. Season permits are \$75. A one weekend permit may be purchased for \$25. SAS alumni and current parents may purchase a season permit for \$25. The Res may not be used by permit holders until June 5.

Group rates for those not affiliated with SAS or the University of the South will be \$150 per half day for up to 25 individuals. Groups must provide lifeguards and proof of insurance. To apply for group use, contact Andrea Booher, [aboohier@sasweb.org](mailto:aboohier@sasweb.org).

In addition to having a permit and parking pass, all Res users must abide by the regulations below:

No one may swim alone.

No rope swings may be installed or used.

Use is permitted only between dawn and dusk each day.

Minor guests must be accompanied by someone over 21.

No glass containers, alcoholic beverages or any illegal substance may be brought to or consumed at the Res.

Fireworks, firearms and other weapons are not permitted.

Smoking and fires are prohibited.

Trash is not to be thrown in the water or left on the grounds.

Conduct befitting a school environment will be displayed at all times.

Res pass holder must have pass with him/her when at the Res and display a Visitor's Parking Permit in the left rear window of their vehicle.

The Res will be patrolled for proper use but lifeguards are not present. Users swim and use the Res at their own risk.

For more information, contact SAS Chief Financial Officer Sarah Lodge, [slodge@sasweb.org](mailto:slodge@sasweb.org) or (931) 463-2163.

## DREMC Members Warned of Bill Payment Scam

A power bill payment scam has hit the Shelbyville area of Duck River Electric Membership Corporation's service area.

This fraud appears to be aimed at members and originates from an (866) area code. The scammer informs the member that their DREMC bill is overdue, and the service is subject to immediate disconnection unless they call the number back to pay over the phone and the meter box will be removed from their home.

The member recognized it was a scam immediately when the caller stated he was from Middle Tennessee Electric. "The member did the right thing by calling us to let us know so that we could warn other members," commented Shelbyville District Manager Mike Bayne. "If you ever have any question about your bill or recent payment, dial your local DREMC office yourself to ensure that you are talking to an actual DREMC employee working in one of our local offices," advised Bayne. "You just can't be too careful these days."

DREMC members will receive mail notices of bills past due and scheduled disconnection. There also are a variety of ways to pay bills, including in the local offices, by phone talking to a DREMC representative on lines manned 24/7, online at [dremc.com](http://dremc.com) and by using the co-op's mobile app (a free download).

Duck River EMC, a Touchstone Energy® cooperative, is a not-for-profit, member owned organization providing electric and other services to more than 73,000 homes and businesses in southern Middle Tennessee. Duck River EMC serves an area of approximately 2,500 square miles in Bedford, Coffee,

Franklin, Giles, Grundy, Hickman, Lawrence, Lewis, Lincoln, Marion, Marshall, Maury, Moore, Rutherford and Williamson counties in southern Middle Tennessee.

## Memorial Day Closings

Memorial Day is Monday, May 29. All federal, state and county offices will be closed, including the banks and post offices. Other closings include the offices of the University and St. Andrew's-Sewanee School, the Sewanee Senior Center and Otey CAC office.

## What To Do With All That Stuff?

### Donate It To These Organizations!

Spring cleaning, moving out of a dorm, leaving Sewanee for a new adventure: all these are great opportunities to leave your housewares, clothes and other items you no longer need with agencies that help people across the Mountain.

Sewanee's Hospitality Shop, located at 1096 University Ave., accepts clothing of all sizes, and also takes children's toys, books, gift items, housewares and small appliances. There is a donation bin behind the building.

The Community Action Committee in Sewanee accepts nonperishable food items, cleaning supplies (laundry detergent, cleansers) and paper products such as diapers, paper towels and toilet paper. It is located at the Otey Memorial Parish Hall.

For prescriptions that are either expired or no longer needed, take them to the Sewanee Police Department for safe disposal.

The Grundy County Clothing Bank accepts donations of clothing 8:30–11 a.m., Thursday and Friday. It is located at the old Grundy County High School in Tracy City.

The Appalachian Women's Guild accepts children's and adult clothing, small household items and non-perishable food items. It is located at 492 Main St., Tracy City.

Bicycles in working condition can be donated to Woody's Bike Shop, 90 Reed's Lane, Sewanee.

Lions Clubs across the region collect eyeglasses. To find the nearest location go to [www.lionsclubs.org/EN/our-work/sight-programs/eyeglass-recycling/how-you-can-help.php](http://www.lionsclubs.org/EN/our-work/sight-programs/eyeglass-recycling/how-you-can-help.php).

The Franklin County Library accepts donations of books, audio books, CDs, DVDs and videos. It is located at 105 S. Porter St., Winchester; 967-3706.

Goodwill bins are located in nearby cities: at 2113 Decherd Blvd., Decherd; 361 Kimball Crossing, Kimball; 1905 N. Jackson St. #120, Tullahoma; and 2161 Hillsboro Blvd. #5, Manchester.

Finally, remember that no one wants things that are broken, dirty or incomplete. If you wouldn't give an item to a friend, think twice before donating it to one of these organizations.

## Diplomas Available for Veterans

For any World War II, Korean War-Era or Vietnam Veterans: If you did not receive your high school diploma due to entry into the Armed Forces of the United States, you may now be awarded a high school diploma by your local high school.

Tennessee state law allows for the awarding of high school diplomas to the honorable men and women who stepped forward to serve their country.

Veterans who fall into this category should contact their local school superintendent to register their name and to request the awarding of a high school diploma. You will have to present your military discharge papers.

If a veteran needs assistance, contact Sergeant Major Larry E. Williams at (931) 924-3000 or (931) 224-3226, email at <tennesseans2@blomand.net>.

## Egg Drop Held at SES

Each year Sewanee first graders are asked to design a container that can safely carry an egg to the ground when dropped. This year, Isaac King, owner of King's Tree Service, provided his bucket truck and assistance with the project, dropping the containers from high above the SES playground. Some containers were more successful than others, but the students and teachers always enjoy this great first-grade tradition.

# Fourth of July in Sewanee

Planning continues for the “May the Fourth Be With You” celebration. The next planning meeting is at 5 p.m., Monday, June 5, at the Sewanee Senior Center.

### Food Vendors Wanted

The Fourth of July committee calls for food vendors to provide a varied menu for our events. Food vendors are welcome at the street dance on Monday, July 3, during the day on Tuesday, July 4, and that evening at the fireworks. Any interested vendors can contact Charles Whitmer at <charles.whitmer@gmail.com>.

### For the Children

The Fourth of July committee requests volunteers for the children’s games. If you can do face painting, fortune telling for the children, or if you are available to help run one of the games, please contact Nancy Mann at <nancy.mann@sewanee.edu>. We are also working on rebuilding some games and building new ones, so if you are a handy-man or -woman and would like to help in that regard, contact Nancy.

### Donations

The Fourth of July committee asks for your monetary help for this year’s festivities. Although some activities charge a small fee, covering the cost of the day, our fantastic fireworks show requires extra funding from the community. If you would like to donate, contact Louise Irwin at 598-5864 or Tracie Sherrill at 598-0040 for more information.

### Fourth of July Cake Contest

Calling all cake bakers! Have a

favorite cake recipe or a talent for cake decorating? Put your skills on display this Fourth of July by entering your cake in the Sewanee Woman’s Club Annual Cake Contest! Entering is free of charge, and the winner of the Best All-Around Cake gets \$100 cash, courtesy of IvyWild. But there’s more!

Adult winners of the Best Tasting, Best Decorated, and Best Representation of the Theme cakes each get a ribbon and a \$50 gift certificate to IvyWild. Under-13 winners of the Best Tasting, Best Decorated, and Best Representation of the Theme cakes each get a ribbon, a \$5 cash prize, and a gift certificate to the Blue Chair for two ice cream cones.

Winners of the Best Tasting, Best Decorated, and Best Representation of the Theme contests will be entered in the Best All-Around Competition. Thanks to Ken Taylor for his ribbon sponsorship.

Show up to register and set up your cake between 9–9:45 a.m. on Tuesday, July 4, at Sewanee Elementary School (209 University Avenue).

Winners will be announced at noon. All are invited to view the cake entries, and there will be a cake tasting party on site afterwards. Enter as an individual or as a team. One entry per person or per team. Questions? Please call Susan Peek at (615) 504-5404.

### Parade Entries

Are you ready for a spectacular “force”-filled and festive Fourth of July parade? We want you and your organization represented to make this year’s parade the best yet, and with our fabulous theme, May the Fourth Be With You, we hope to see many creative and fun entries. Anything with wheels is welcome: flatbeds, cars, convertibles, golf carts, wagons, wheel-

barrows, bikes, big wheels, scooters; but on foot (or hooves) could be even better, especially if you have a colorful banner (or signs, big hats, confetti, giant pinwheels, etc.) declaring who you are and what you do for this diverse community.

The parade begins at 2 p.m., Tuesday, July 4, with line up on Lake O’Donnell Road starting at noon. Judging will begin at 1 p.m. with trophies for best float, best decorated vehicle, and best horse, and blue ribbons for best decorated bicycle, best banner, and best costume.

If you’re interested in entering, fill out the parade entry form found below. This year, all entries must complete and return an entry form by Saturday, July 1, to be in the parade. If you have any questions, email Leigh Anne Couch at <leighannecouch@gmail.com>.

### Arts & Crafts Fair Vendors Wanted

We invite you to participate in our Arts & Crafts Fair beginning at 9 a.m., Tuesday, July 4, in Shoup Park, where you can view the parade without leaving your booth, rain or shine. There is a \$20 non-refundable fee and spaces are limited and pre-assigned, so sign up early. Contact Bracie Parker at <melaniebracie@yahoo.com> for more information and for your entry form. Come spend the day with us, sell your wares, and enjoy the parade and other fun activities.

# Summer Enrichment Day Camps at the Knowledge Nook

Gene and Joy Snead are heading up a series of day camps to assist area young people to keep their learning skills sharp while having summer fun. Each camp will feature a famous artist, projects, games and movement.

The week long day camps will be offered during the second, third and fourth weeks in June and July. The camps are 10 a.m.–noon daily. Cost for each camp is \$25 per day or \$100 for the entire week. Costs include all supplies and materials.

Bugs and Botanicals—June 12–16: Inspired by artist M. C. Escher our Bugs and Botanicals art camp will kick off the Summer Art Camp series. Campers will learn about Escher and make beautiful, graphic tessellations inspired by him.

Freedom—June 26–30: Freedom is the theme of this art camp inspired by artist Jasper Johns. This artist used flags, numbers, and even targets in his art. We will make colorful art with these elements.

Me, Myself and I—June 26–30: Artist Frida Kahlo will provide the inspiration for our Me, Myself and I art camp. This Mexican artist painted

her self portrait some 55 times. We are going to use various mediums to create images of ourselves.

Nature—July 10–14: The Nature themed art camp will feature Andy Goldsworthy. He collaborates with Nature to create his unique art. He often lets his art remain in nature so it changes and ultimately disappears. Artists at this camp will use elements from Nature to discover, create and let go.

Circus—July 17–21: The Circus art camp will feature the work of Alexander Calder. He believed art should move and be viewed from all angles. We will use his inspiration to create mobiles and playful Circus characters.

Superheroes—July 24–28: Superheroes is always a very popular art camp. This year’s camp will feature artists Stan Lee and Roy Lichtenstein. These two artists used their talent to create some of America’s most beloved Superheroes. We will create our own comic strip and use words in an onomatopoeia offering of our own.

For more information email <sneads@edge.net> or call (931) 205-3529.

## Acoustic Jam Summer Schedule

The Acoustic Jam will be on its summer schedule on Tuesday, May 23. The jam will meet 7–8:30 p.m. every Tuesday in the Arts Council Room at the Water Building in Tracy City (14371 US-41). All acoustic instruments and skill levels are welcome. Some instruments are available for exploration and practice. The Acoustic Jam is sponsored by the Grundy Area Arts Council.

## Wee Actors Guild Present 'Shrek the Musical JR.'

Nasty will be nice and Millennium Repertory Company will be ogre-the-moon when the Wee Actors Guild present their production of "Shrek The Musical JR." The Wee Actors Guild consists of performers ages 4–12. This family-friendly musical comedy follows the adventures of an ogre named Shrek (James Goldston) who has learned the hard way that "people hate the things they cannot understand." For many years he has protected himself from the hurtful actions of those who are scared of him by living as a recluse in a cozy cesspit. One day, his peaceful swamp is disturbed by new tenants: fairytale misfits—including Pinocchio (Rebecca Thomas), the Ugly Duckling (Lucy Smith), the Wicked Witch (Jaxen Waggoner), Peter Pan (Eliza Griffey), Mama Bear (Brylee Haithcock), Papa Bear (Denzel Galindo), Baby Bear (Lily Hummel), Gingy (Loralei Petty), the Three Pigs (Abby Hummel, Branham Freeze and Jack Sherrill) and the Big Bad Wolf (Trey Elgouhary)—have been banished there by the villainous Lord Farquaad (Dimitri Sherrill). In order to gain back his land, Shrek makes a deal with Farquaad to rescue the feisty princess Fiona (Alyssa Freeze) from a tower guarded by a fierce dragon. Setting off with his faithful companion, Donkey (Bella Harris), Shrek begins the journey of a lifetime filled with adventure, romance and hilarity.

Performances are May 20–28, Fridays and Saturdays at 7:30 p.m., and Sundays at 2 p.m. at the Manchester Arts Center at 128 E. Main Street, Manchester. Tickets are \$10 for students, seniors, and military, and \$12 for adults. Tickets may purchased online at <millenniumrep.org> or phone (931) 570-4489.

## 'Art as Teacher' Show

The Franklin County Arts Guild celebrates more than 30 years of Higher Education Scholarships to deserving Franklin County students. The community art show "Art as Teacher" celebrates art as well as art teachers as essential in understanding the world around us. The show features work that epitomizes how arts are used to teach history, science, and even math. One piece is by a teacher who was painting along with her students while teaching body and face proportions and light source using a live model. The show will run through June 18.

The Franklin County Arts Guild invites original contributions from Franklin County artists of all ages in any media for inclusion in its Community Arts Shows at the Artisan Depot. Individuals wishing to submit work for the next community show "Vacation" should submit their work at the Artisan Depot from June 15–18 during gallery operating hours. Each artist is invited to explore the theme in their own interpretation and have fun with it.

The Artisan Depot is operated by the Franklin County Arts Guild and is located at 204 Cumberland St. East, Cowan. Gallery hours are noon to 5 p.m. on Thursday, Friday and Sunday, and 11 a.m. to 5 p.m. on Saturday.

For more information about upcoming community art shows, the gallery or the guild go to <www.fcaguild.wordpress.com> or <www.facebook.com/artisandepot>, or contact Diana Lamb at (931) 308-4130.

## Outside Inn Rendezvous 2017

The Outside Inn Rendezvous 2017 is a performance reunion of artists, musicians, and actors that will take place on June 9 and 10 in Cravens Hall in Sewanee. Five hours of continuous entertainment will be featured each evening of the weekend. This year the reunion will be themed as "Moulin Rouge" and will include the artistic performances, and the production, backstage and house skills of University alums, professors and spouses. Everyone on the Mountain is invited to attend.

The Outside Inn was the coffee house and performance venue for Sewanee Arts, a student-led organization at the College that thrived on

the Mountain from 1972–1983. The original building is now the Ayres Multicultural Center. The Outside Inn was open each weekend during the school year and had live entertainment including jazz, folk, performance art, and a variety of teas, coffee and snacks.

The Outside Inn Rendezvous 2017 will feature professor Kash Wright as he joins the house jazz band, which includes Tony Winters, Billy and Leigh DuBose and Towson Engsberg. Jim Chickering, Wendy Arthur, Em Chitty, Tom Potts, Margaret Fleming and Tica Gibson will perform solo sets.

On Saturday evening, there will be a special performance of "My Father's War," the highly-acclaimed

drama written and performed by Carole Ponder and Robert Kiefer. "My Father's War" tells the true story of Herschel Ponder, a WWII fighter pilot, and his struggles with the aftermath of combat. Musical sets will be performed both before and after this special dramatic presentation.

Tony Winters will have an art gallery in the foyer of Cravens Hall during the Rendezvous. A silent auction of themed baskets to benefit marginalized youth in Southern Appalachia will be in the same area. Doors open at 6 p.m. both nights. Admission is free and open to the public. Donations are welcomed.

## Varsity Girls' Tennis Loses in Sub-State

The St. Andrew's-Sewanee varsity girls' tennis team finished the regular season in fourth place in the Division IIA Middle East Region, good enough to earn a place among the top eight teams in the state.

On May 15, the girls travelled to Memphis to face the top team from the West, St. Mary's, in the Sub-State round. SAS lost the match 4-1, with the lone win coming from No. 1 singles player Ester Yang. No. 2 singles player Tessa Shackelford lost a close match 6-2, 4-6, 2-6.

## SAS Soccer Earns Third in District

St. Andrew's-Sewanee School boys' varsity soccer team fell 3-0 on May 11 at Battle Ground Academy in the Middle/East Region Tournament.

SAS finished third in the district.

SAS assistant coach Geoffrey Smith said the team fought hard and defended well. He said SAS was strong in the midfield, but BGA attacked quickly and frequently.

## Pilates Mat Classes Begin June 6

## SAS Summer Camps Registration Underway

St. Andrew's-Sewanee School has opened registration for SAS Summer 2017, another exciting season of camps and arts programs. Information about these camps and online registration are available at <sasweb.org/summer>.

SAS basketball camp will be from 9 a.m. to noon, May 30-June 2. This day camp is for boys and girls in grades one-eight. The cost is \$100.

Soccer camp will be from 9 a.m.-3 p.m., June 5-9, and costs \$200. Pee wee (rising third graders), Junior (rising fourth-fifth graders) and Youth (rising sixth-eighth graders) soccer camps offer players instruction and drills to promote better ball handling skills and game strategy.

Choir camp under the direction of SAS music teacher Katherine Anderson is for children in grades one-seven. The camp will be June 19-23 from 10 a.m. to 4 p.m., and costs \$200.

High adventure camp, June 26-30 is an overnight camp for teens who have some basic outdoor experience and would like to learn more technical skills such as rock climbing, bouldering and rappelling. Nights will be spent at base camp on SAS's 550-acre campus. Students will help cook meals, build fires and clean up each night. Cost is \$800. There is a limit of 12 campers.

All-sports camp, July 3 and July 5-7, for grades one-six, meets 9 a.m.-3 p.m., and costs \$200. All-sports camp is a general sports and activity camp. Campers will enjoy a variety of sports including soccer, kickball, dodge ball, basketball, tee ball and swimming. This camp is a great way for kids to make new friends in Sewanee and enjoy active days outdoors.

Creative writing camp, July 10-14, 9 a.m.-3 p.m. is for children in grades four-nine. Open to aspiring writers, this camp offers creative writing activities. Campers will create, collaborate and publish their works and will learn to address audience, voice, setting, word choice, characterization and point-of-view. Projects will include journaling, blogging, performing and publishing in the genres of short story, creative nonfiction, drama and poetry. Most importantly, this camp is designed to be fun, engaging, motivating and inspiring. The cost is \$200.

In addition to the programs listed, SAS will offer an English Language Summer Immersion (ELSI) program, August 4-18. This program is primarily intended for new and returning SAS students. For more information contact the SAS Admissions Office <admissions@sasweb.org>. SAS will also host the Tennessee Interscholastic Cycling League's Mountain Biking Camp July 10-15. For more information contact Speed Baranco <sbaranco@gmail.com>.

## Davila Earns Spot in NCAA Tourney

Sewanee women's tennis player Clementina Davila has earned a bid into the NCAA Singles Championships, the NCAA recently announced.

This is the second straight season Davila will compete at the national event. A year ago, she earned All-American honors with former Tiger doubles partner Lindsey Liles.

For the individual championships, the national committee selected seven singles players and three doubles teams from each of the four regions. The individual championships will consist of 32 singles players. The selection of teams and individuals for the championships is based on win-loss record, strength of schedule, and eligibility and availability of student-athletes.

The team championship will take place May 22–24, and the individual championships May 25–27, both at the Champions Tennis Club in Chattanooga, and will be hosted by the University of the South and the Chattanooga Sports Commission.

In her third season, Davila was ranked both as a singles player and a doubles competitor in the regional rankings. She finished with a 10–5 mark in singles and went 12–5 in doubles.

During the season, Davila played at No. 1 singles and doubles. She had impressive wins over No. 9 Ikioka of Redlands and No. 11 Brogan of Mary Washington.

## Lynchburg Holds Off Tigers in Lacrosse

No. 16 ranked Lynchburg College overcame multiple weather delays that lasted more than two hours to rally past the Sewanee men's lacrosse team 14–12 during second-round action of the NCAA Tournament in Virginia.

The Tigers had their best showing in the NCAA Tournament in program history and finished the season with a 10–7 record.

Down 14–11 with five minutes to play, Sewanee's Hayden Hunt answered with an athletic shot around the crease. However, needing to keep possession, the Tigers could not get the ball down the stretch. Lynchburg won the ensuing faceoff and was able to run out the clock.

Overall, Sewanee outshot the Hornets 33–31. The Tigers also won more faceoffs as Cason Liles and Ryan Stubits combined to go 17-for-29.

Individually, Peter Brown was outstanding, finishing with four goals, one assist and two groundballs. Hunt also played well with a hat-trick on five shots.

In goal, Selby Austin closed out a remarkable career with 10 saves.

## Tiger Women's Tennis Team Falls in NCAA Tourney

Despite a great effort, the No. 17 ranked Sewanee women's tennis team's season came to an end at home on May 13, as the Tigers fell to regional rival and No. 13 ranked Washington & Lee, 5–3, during second-round action of the NCAA Tournament.

Early on, the Tigers and Generals battled in close matches at all three doubles positions. At No. 1, Brooke Donnelly and Tessa Hill jumped in front of Sewanee's Clementina Davila and Darby Duval by multiple games. W&L also did the same at No. 3, as Mary Hampton and Anna Kreynin raced out to an early lead over Sewanee's Sara Thompson and Bea Benavides. However, just when it looked like W&L would run away with both matches, Sewanee answered back. Both Tiger teams rallied to tie by the 12th game.

Down the stretch, W&L finally closed out the match at No. 1 when Donnelly and Hill survived for an 8–6 win, but Thompson and Benavides were able to claim an 8–6 win for the Tigers. The Generals won another close match at No. 2 when Michelle Fleenor and Lauren Hassell defeated Christina Merchant and Ellie Czura by the same 8–6 score.

With the overall score in favor of the Generals, 2–1 heading into singles, the Generals extended their lead after Donnelly and Fleenor both claimed individual wins. Down 4–1, Sewanee did not quit. Haley Tucker wrapped up an impressive 7–5, 6–0 win over Hassell at No. 5. The Tigers' Maggie Crumbliss then closed out Mary Hampton McNeal at No. 4, 6–4, 3–6, 6–0.

After both those victories, Sewanee was down 4–3 with the remaining matches at No. 2 and No. 6 in their third sets.

At No. 2, Sewanee's Czura rallied to win the second set at 7–5 after falling in the first set 6–4. In the final frame, Hill had her first match point for W&L at 40–0 with the score 5–4. However, the Tiger freshman fought back to win the next six points. Unfortunately, Hill broke Czura in the next game and then served out the game, set, and match at 7–5.

With the contest decided, Sewanee's Duval and Emily Kochard's close match at No. 6 went unfinished. Duval lost the first set, but rallied for the second and the match ended at 4–6, 6–4, 2–3.

## Sewanee Men's Tennis Topped in NCAA Regional Final

The No. 22 ranked Sewanee men's tennis team fell in its NCAA Tournament Regional championship match by a 5–0 score against long-time rival and No. 3 ranked Emory on May 14 in Atlanta.

The loss was only the fourth defeat all season for the Tigers. Sewanee wrapped up its year with an impressive 22–4 record. All four losses came against nationally-ranked teams, including two by the Eagles.

Emory opened the contest by winning at No. 2 and No. 1 doubles. Scott Rubinstein and James Spaulding defeated Jack Gray and Alejandro Becker at No. 1, 8–3. A court over, Adrien Bouchet and Max Renke topped Andres Carro and Jordan Brewer, 8–4.

Finally, at No. 3, David Omsky and Jonathan Jemison closed out a tough match from Sewanee's Avery Schober and Aubrey Davis, 8–6.

From there, Emory capped off their Sweet Sixteen win as Jemison defeated Carro in singles, 6–1, 6–2, and Josh Goodman topped Davis by the same score.

## NATURENOTES

Carpenter bee. Photo from pestworld.com

### The Birds and the Bees

"Let me tell you 'bout the birds and the bees and the flowers and the trees, the stars in the sky..." (Dean Martin). Three flycatchers are now singing and calling around our house. The eastern phoebe serenades us all morning with its distinctive "phoebe" song and is quite visible, darting from open perches to catch insects, as is the flycatcher habit. The eastern wood-pewee has returned from its wintering grounds further south and is delighting us with its "pee-a-weee" and "peeyoo" calls. We don't see it, though, as it forages higher in the trees. And we are now hearing the loud "wheep" call of the great crested flycatcher, also having returned from southern regions and also hard to catch a glimpse of.

The yearly battle with the carpenter bees continues as they tunnel into the wood beams of our porches. They can be distinguished from bumble bees by their bare, shiny abdomens.

The oxeye-daisy blooms gaily in May, so widespread that it may be taken for a native wildflower, but it came over with the early European settlers. To reach Europe, though, it had already spread over much of the northern hemisphere from its native China. Linnaeus named it *Chrysanthemum leucanthemum* and it is indeed closely related to the endless variety of cultivated chrysanthemums.

The male cones from our white pines are just about ready to drop off, so we live in hope that the pollen storm will soon abate and that we can start collecting again from our rainwater collection system. Since pollen floats on water (the pond is covered), we can't let it get into our tanks and decompose.

The bright stars of the winter circle, as taught to us by Jack Lorenz, are now fading into the sunset, so to speak. Sirius, the dog star in Canis Major, is now gone from view, but a few are still visible for an hour or two in the west-Procyon form Canis Minor, Castor and Pollux, the twins, and Capella in Auriga, the Charioteer.

Introduction to Birding—Meet Ranger John at 9:30 a.m. on the Meadow Trail behind the Visitor Center, 11745 US 41, Monteagle, for a birding walk. Don't know much about

Jade

Larry

## Pets of the Week

### Meet Jade & Larry

Animal Harbor offers these two delightful pets for adoption.

Jade is a sweet mature kitty with big green eyes. She loves to curl up into a cuddly ball and lounge around until she gets up to seek affection, treats, and a little play. Jade is negative for FIV/FelV, up-to-date on shots and spayed.

Larry is a playful, outgoing Boxer-mix puppy who is just full of energy! This 4-month-old sweetie will play endless games of tug. If you are looking for a new companion to add some excitement and happiness to your everyday life, Larry is the one for you! He is heartworm-negative, up-to-date on shots and neutered.

Animal Harbor offers substantial adoption fee discounts for veterans and seniors. Every Friday is Black Friday at Animal Harbor. On Fridays, adoption fees will be reduced 50 percent for black or mostly black pets more than 4 months old who have been at Animal Harbor for more than a month. Pets adopted from Animal Harbor qualify for a free post-adoption wellness exam by local veterinarians.

Animal Harbor is located at 56 Nor-Nan Road, off AEDC Road, in Winchester. Call Animal Harbor at 962-4472 for information and check out the other pets at <[www.animalharbor.org](http://www.animalharbor.org)>. Enter the drawing on this site for a free spay or neuter for one of your pets. Help Animal Harbor continue to save abandoned pets by sending donations to Animal Harbor, P.O. Box 187, Winchester, TN 37398.

birding? That's OK; neither does he; come learn with him! This easy walk will be approximately 1.5 miles and last 30-45 minutes.

Savage Falls Hike—Join Ranger Murray at 9:30 a.m. at Collins West parking area, 2689 55th Ave., Gruetli-Laager, for this easy 4 mile round-trip hike to Savage Falls, which marks the head of Savage Creek Gulf. Be sure to bring your camera.

Friday, June 2

Suter Falls Hike—Meet Ranger Murray at 2 p.m. at Collins West parking area, 2689 55th Ave., Gruetli-Laager, for a relatively steep 2-mile hike to enjoy the geologic beauty of Suter Falls, which marks the head of the Collins Gulf.
