

Nancy Berner Named University Provost

University of the South Vice-Chancellor John McCardell has announced the appointment of Nancy Berner as provost of the University, effective July 1. The Board of Regents approved her appointment during its meeting June 13. Berner will succeed John Swallow, who has been named president of Carthage College.

Nancy Berner was named associate provost in 2012 and since that time has been the provost's primary associate in overseeing the day-to-day operations of the University and in executing strategic and operational initiatives. In recognition of her increasing duties, she was named vice provost for planning and administration in 2014 and vice president for planning and administration in 2016. Prior to joining the provost's office, she taught biology at Sewanee for 20 years.

"Nancy's knowledge of the University is deep, and her service has been exemplary," said McCardell. "It was apparent, after observing Nancy's commitment and dedication to the University, her collaborative leadership style and the positive results achieved by her in so many varied undertakings, that the best successor to John Swallow was already on campus."

Berner's responsibilities and accomplishments during the past five years have been broad and numerous. She took responsibility for the University's 10-year report to the Southern Association of Colleges and Schools Commission on Colleges (its regional accrediting association), a process that resulted in accreditation being reaffirmed last year. She has served as the University's Title IX coordinator, charged with monitoring compliance with those laws and regulations. And along with Dean of Students W. Marichal Gentry, Berner co-chairs a Task Force on Campus Sexual Climate to ensure that the University's commitments to address campus sexual misconduct are being maintained and to offer recommendations for improvement.

Berner is the William Henderson Professor of Biology. In addition to her record of teaching excellence, she served as interim associate dean of the College, was elected to two three-year faculty terms on the Board of Trustees, and served on numerous administrative committees including the Campus Master Planning Committee, Advisory Council, Coordinating Committee and Strategic Planning Committee.

School Board Appoints Bean Director of Schools

by Leslie Lytle
Messenger Staff Writer

At the June 12 meeting in a six to two split vote, the Franklin County School Board appointed Stanley Bean to serve a two-year term as director of schools.

Board member Linda Jones nominated Bean to fill the vacancy created by the resignation of current director Amie Lonas. "Bean has served the Franklin County Schools as a teacher, coach, administrator, and supervisor," Jones said. "Dr. Lonas has shown her confidence in Bean by appointing him Director of Student Services and county-wide Athletic Director. He would be able to work with Dr. Lonas in her remaining days and be ready to step into the position in the fall." Bean has also served 10 years as a Franklin County Commissioner, Jones noted.

While commending Bean's credentials, Sewanee area school board representative Adam Tucker said, "I won't support appointing anyone longer than on a month to month contract unless they are selected in a competitive application process."

Board member Sara Liechty agreed. "We need to do a search. We owe that to the system and to the children."

"I've had several people express interest in the position," said Board Chair Clejo Walker.

"I've also been contacted by several qualified and experienced people," Liechty said. "There are many that deserve an opportunity to submit an application and resume."

The Inpatient Rehabilitation program at Southern Tennessee Regional Health System Winchester (STRHS Winchester) has received a 2017 Top Performer Award from the Uniform Data System for Medical Rehabilitation.

"This is a great honor and accomplishment for our program," said director Jill Mushett. "Our staff consists of very dedicated physicians, nurses, therapists, nutritionists and a social worker, who pride themselves in the quality of care we provide and the differences we make in each patient's life."

The Uniform Data System for Medical Rehabilitation database consist of more than 800 rehab programs across the country, and the STRHS Winchester program ranked in the 97th percentile for their performance. Only 3 percent of the other programs nationwide out performed them.

Monteagle Sunday School Assembly Highlights for June 18-24

The Monteagle Sunday School Assembly in Monteagle continues its 135th consecutive summer season of enrichment with an interdenominational worship service Sunday, June 18, at 11 a.m. in the Assembly's Warren Chapel. The eight-week season will continue through Sunday, Aug. 6, featuring numerous visiting lecturers who will present morning and evening programs in Warren Chapel that are open free of charge to the public. Anyone interested in a full schedule of the Monteagle Assembly's 2017 program is welcome to pick one up at the Assembly Office, call (931) 924-2286, or to peruse the schedule on the Assembly's website at <www.mssa1882.org>.

In a rare out-of-Nashville performance, the radio program Music City Roots brings its show to the Auditorium on Friday, June 23 for a 7 p.m. show, with doors opening at 6 p.m. Box dinners are available for pre-order at the Assembly office. The Music City Roots will feature music, interviews, and everything fans of the show have come to expect. Artists performing this year are Sam Lewis, Sarah Potenza, Farmer & Adele, and the Dave Eggar Band. Music City Roots' Craig Havighurst will talk about "Listening – From the Sound Up" on Thursday, June 22, at 8:15 p.m. in Warren Chapel. Havighurst, a "citizen musician" and a distinguished music journalist, knows how musicians think and talk about music. Armed with a guitar and a rich multi-media presentation, he translates that knowledge and sensibility into plain speaking and engaging stories, often his own.

This week at the Assembly is the Wayne and Virginia Jervis Bible week, with daily lectures focused on a particular theme in the scripture. This year, Dr. Tom McCollough joins the Assembly on the theme: "Uncovering Jesus and Paul: Archaeology Shines New Light on the Life and Ministry of the Founders of Christianity." The four-day series explores how recent archaeological excavations have recovered material culture that is transforming the way we read and interpret the New Testament. Dr. McCollough's lectures occur at 10:45 a.m. in Warren Chapel, Tuesday–Friday, June 20–23.

The Sewanee Summer Music Festival will join us Wednesday, June 21, at 8:15 p.m. in Warren Chapel for the first of three concerts this summer.

Additional free events this week at the Monteagle Assembly include the following:

Saturday, June 24, 2:30 p.m., Auditorium – Live Animal Nature Program with Bob Tarter of the Natural History Education Company. Parents please accompany children under 12 years of age; no dogs allowed.

SPRING FESTIVAL OF THE ARTS THANK-YOU

To the Editor:

IONA: Art Sanctuary's Spring Festival of the Arts featured artist John Willis, displayed intriguing manifestations of perceiving light, "Beyond Words." Along with poets Robert Walker, Jeannie Babb, Camila Hwang-Carlos, Jennifer Michael, Malia Carlos, Lynn Cimino-Hurt, Virginia Craighill, and Edward Carlos, Annemieke Buis's reading included these lines from "Beyond Fabrication": "They eat with the grass between their teeth / the grass I grasped to steady myself / when I climbed our mountain of the miraculously impure." From the Reverend Nik Combs, a series of season-based haiku, and: Riding a bicycle down a dark country road at night. "Mid-night shimmers here / black forms streak between the stars—piercing the darkness."

Other writers included Kiki and John Beavers, Michael Cimino-Hurt, and Chris Bryan. Bryan contributed sections of his novel, "The Dogleg Murders"—"What on earth was the boy staring at? He stood motionless, battered school exercise book in one hand, his royal blue school cap and blazer vivid against the dark green hedgerow behind him. ... Ah—that's what he was looking at! ... About fifty metres to his left a group of girls in shorts and tee shirts had turned onto the lane. They were pretty girls and at thirteen years already he was feeling the mystery and enchantment of the opposite sex. ... So he stood fascinated. Indeed so fascinated, so transported with the view and lost, he quite failed to notice a footfall on the grass behind him, or the golf iron that hung poised for an instance above him, silhouetted against blue sky and sun, and then descended hard onto the back of his head. For the tiniest fraction of a second he was aware of the crack against his skull and what seemed like a flash of blinding light—Then, blackness."

Flutist Marsha Carnahan completed the evening with a musical performance of her song, "Do You Know How Much I Love You?"

Intrigued? All are welcome to the IONA Summer Festival of the Arts, June 27–29.

Edward Carlos, Sewanee ■

Study, prayer and reflection provide a foundation for the program, which operates on a nine-month academic schedule. Participants study the Bible, church history, and theology over four years, focusing on their own call to ministry through a particular theme each year. We appreciate your help in making the parade safe and enjoyable for everyone.

If you will be **throwing candy**, please be sure to throw it as close to the curb as you can. We want to keep our little ones as safe as possible by keeping them from running out into the road. I know, not an easy task, but we can try. Also, if you have a horn or other type of **loud noise**, please turn it off when your entry reaches the Kirby-Smith Monument. There are those who do not like to hear the sirens and they will be seated at or near the hospital. **Due to insurance precautions, we will once again be asking that you sign a release form. Someone will be there the day of the parade to take care of this. And last but not least, if you will be riding a motorcycle or 4-wheeler, please wear your helmet and be very cautious in your driving. Remember, there are children all along the parade route. Your help in this will be greatly appreciated. May the 4th be with you!**

Input Needed for Mountain T.O.P. Grant

Mountain T.O.P. is applying for a USDA Grant called the Housing Preservation Grant. This grant would give Mountain T.O.P. a sum of money that would be used in Grundy County to do minor and major home repair using volunteer labor. Mountain T.O.P. and the USDA have established a relationship with one another and with many families in Grundy county to make home improvements. Because of our use of volunteer labor, all monies granted are applied toward building materials. This practice allows the money to help many more families. We desire to pursue this grant because it will allow us to help your families and friends, who may not qualify for grants or loans otherwise.

To qualify for this grant, it is necessary to announce its potential to the area in which we will serve and receive feedback from the community. If you have any comments on whether Mountain T.O.P. should receive this grant and why, please mail them to the office address P.O. Box 128, Altamont, TN 37301, or drop them off at our camp on Old Highway 56 in Cumberland Heights. The deadline for submitting supporting letters is June 30.

School Board from page 1)

"Things come to a halt if we stop and do a job search," Jones countered. "I've also been contacted by someone interested in the position, but they weren't happy in their present job and that concerns me. With Bean, we don't have the doubt and uncertainty of a stranger. Bean was a finalist in the job search when we hired Dr. Lonas."

"The board has the right to appoint someone temporary to the position," board member Christine Hopkins pointed out.

Tucker said that an interim couldn't be a candidate unless given a special waiver by the board. (See Board Policy 5.801 below.)

"My motion would eliminate an interim," Jones said.

The board's legal counsel Chuck Cagel had offered to perform the search giving a timeline of several months with Sept. 1 as the deadline for appointing a director. Walker estimated the cost to the school system as less than \$2,000.

"We just did this two years ago," said board member Chris Guess who seconded Jones' nomination. "You take a guy who's dedicated his life to the Franklin County school system—we'd be hard put to find someone better."

"Bean chaired the capital building program and is well positioned to address questions about construction of the new middle school," Jones added.

Board members Guess, Gary Hanger, Hopkins, Jones, Lance Williams and Walker voted in favor of Bean's appointment, although Walker expressed reservations about not doing a search. Liechty and Tucker opposed Bean's appointment.

The board is expected to vote on the contract making Bean's appointment official at the special called meeting scheduled for Thursday, June 22.

The meeting's purpose is to finalize the budget. The board hopes to have state funding and property tax funding data by then. The County Commission Finance Committee will review the budget on Thursday, July 6.

In other business, Lonas alerted the board to a discrepancy in TNReady testing data, which impacted some high school students' end of course (EOC) scores. The Tennessee Department of Education requires the school system to include TNReady test score data as 10 percent of the final grade, Lonas said. In Algebra 1, Geometry 1, and English 1, 2, and 3, a different TNReady test with different scoring was used this spring. Fall semester's EOC scores, which incorporated data from that semester's TNReady testing, could not be fairly compared to EOC scores incorporating data from this spring's TNReady test.

Lonas said the schools hadn't yet received an answer from the state about how to address the discrepancy, so scores for the affected subject areas were removed from the grade card. A revised grade card will be mailed later in the summer.

Lonas' last day is Friday, June 30. In a parting tribute Hopkins said, "This whole community has fallen in love with you. Thank you for bringing your knowledge, wisdom, and leadership to this community. We hate to see you go." The board and visitors rose in a standing ovation.

Director of Schools Recruitment and Selection Policy 5.801

When a vacancy occurs, the appointment of a director of schools is a function of the Board. The Board is responsible for finding the person it believes can most effectively translate into action the policies of the Board and the goals of the community and the professional staff.

The Board may employ a consultant to advise and assist the Board in the search and selection process. However, final selection shall rest with the Board after a thorough consideration of qualified applicants.

An interim director of schools appointed during the time of a search shall not become a candidate unless the Board expressly permits such inclusion in the selection procedures. A board member may not apply for or in any other way be considered for the position of director of schools.

Prior to conducting a search to fill the position, the Board shall initially develop the following:

- a job description
- a timeline
- a process for accepting and reviewing applications
- selection procedures which shall include, but not be limited to, the following:

The Board may wish to involve the community, and employees, in the process of selecting a director of schools. Resumes of persons interviewed by the Board shall be available in the central office for public inspection.

The interview process for each nalist may include meetings with various staff as well as community groups and an interview with the entire board.

Candidates shall be interviewed by the Board in an open session. Only board members will be allowed to ask questions during the interview.

The Board will attempt to select a director by majority vote, with an unanimous vote being preferred.

Ashley Stewart, left, of Winchester, and Genevieve Rogers, of Sewanee, are among 48 Tennessee students attending Governor's School for the Humanities at the University of Tennessee at Martin this month. Many of the state's highest achieving students attend one of Tennessee's 11 governor's school programs each summer, two of which are hosted at UT Martin. Stewart is a student at Franklin County High School, and Rogers attends St. Andrew's-Sewanee School.

Perkins to Head SAS Admissions

St. Andrew's-Sewanee School is pleased to announce that Derek J. Perkins will be joining the school's administrative team as Director of Admissions and Financial Aid. Perkins comes to SAS from the Darlington School in Rome, Ga., where he has served as Director of Admission for four years. Prior to that, he was Associate Director of Admission at Culver Academies in Culver, Ind., and Director of Enrollment Systems, Admissions Counselor and Assistant Director of Admissions at Marian University in Indianapolis. Perkins holds a B.A. in psychology and sociology from Indiana University and an M.S. in sport studies from Miami University. He succeeds Anneke Skidmore who leaves SAS to assume the position of Assistant Director and Dean of Admission for Summer and Outreach at Phillips Academy in Andover, Mass.

SAS Director of Athletics Rob Zeitler, who led the search committee, said of Perkins, "Derek is a seasoned admissions director that understands the science of admissions. His experience and positive energy impressed everyone. He will be able to create a clear admissions game plan and carry it out, involving all the key players. Derek recognizes the importance of our school's values and mission and of attracting, admitting, and enrolling students who help fulfill that mission. In the end, Derek is all about building positive relationships with prospective families."

Perkins will be joined in Sewanee by his wife Kimberly, and daughters Kathleen and Elisabeth.

SAS Students Receive Humanities Tennessee Recognition

St. Andrew's-Sewanee School eighth graders Sarah Grace Burns and Caroline Lamborn, both of Sewanee, received honorable mentions from Humanities Tennessee for their submissions to the Letters About Literature competition.

Letters About Literature is a national writing contest encouraging students in grades four–12 to write a personal letter to an author (living or dead) of a fiction or nonfiction book, a short story, poem, essay or speech that the student has read and about which the student has strong feelings. Sarah Grace wrote her letter to Katherine Paterson, author of "Bridge to Terabithia." Caroline wrote to Vladimir Nabokov, author of "Lolita."

Humanities Tennessee's panel of judges selects the top entries in the state. State winners at each level receive a cash award from Humanities Tennessee (first at each level receives \$100 and advances to the national judging, second place receives \$50, and third place receives \$25) and a certificate. The first place winner on Level 3 receives a full scholarship to attend the TN Young Writers' Workshop.

First place winners in each state advance to the national level judging. A panel of national judges selects one National Winner per competition level to receive a \$1,000 cash award and one National Honor per competition level to receive a \$200 cash award.

Hatcher Chosen to Participate in "The 20th Century Presidency" History Seminar

Andrea Hatcher, associate professor of politics at the University of the South, is one of a select group of faculty members nationwide chosen by the Council of Independent Colleges (CIC) and the Gilder Lehrman Institute of American History to participate in a special American history seminar on "The 20th Century Presidency."

The multidisciplinary seminar for faculty members in history, political science and related fields will explore characteristics of 20th-century presidential leadership, including several individual presidents and their presidencies. From a pool of 77 highly competitive nominations, 30 faculty members were selected to participate in the seminar, which will be held in July in Washington, DC.

In announcing the selection of participants, CIC President Richard Ekman said, "Strengthening the teaching of American history at colleges and universities is of critical importance. This seminar will provide a great opportunity for participating faculty members to gain a better understanding of effective leadership and to explore presidencies within the context of the history known then and now."

Seminar participants will consider presidents' ability to handle domestic and foreign policy leadership as well as personal qualities including vision, charisma, credibility, and communication and consensus-building skills. The seminar will focus on the administrations of three 20th-century presidents: Franklin D. Roosevelt's presidency will be considered in the context of the Great Depression and World War II, John F. Kennedy's presidency will be reviewed in the context of the Cold War, and Lyndon Johnson's presidency will be discussed in the context of the Great Society and Vietnam.

School of Letters Reading, June 21

Each summer the School of Letters invites writers, poets, publishers and scholars to speak each week that school is in session. These events are free and open to the public.

At 4:30 p.m., Wednesday, June 21, in Convocation Hall, writer Stephanie Pruitt will read. Pruitt's vocations, self-described, include poet, social practice artist, "ARTrepreneur," and "possibilitarian." Holding an M.F.A. from Vanderbilt, Stephanie has taught there and at the Sewanee Young Writers' Conference. She is the recipient of an Academy of American Poets' Prize, and Essence magazine named her one of its 40 Favorite Poets (the others included Phillis Wheatley, Maya Angelou, Gwendolyn Brooks, and Rita Dove). But in addition to her literary prowess, Stephanie has a special gift for bringing her art outside the library and the seminar room and into sometimes surprising public spaces. One of her poems is inscribed—as in carved—into a walkway at First Tennessee Park, where the Triple-A Nashville Sounds play baseball; others can be accessed by turning the crank on any of the several poetry-dispensing gumball machines she has placed around Nashville. As founder of the No Starving Artist Academy, Stephanie has committed herself to proving that one can, simultaneously, make art, make a difference, and make a living. Read more about her at <<http://www.stephaniepruitt.com/>>.

Members of the Sewanee Tigersharks get ready to swim in a meet from a previous season!

Tigersharks Tangle with Sharks

The Sewanee Tigersharks swim team traveled on June 6 to face the Shelbyville Sharks in the team's first dual meet of the summer league season.

Competing with 50 out of their 72-swimmer strong roster, the Tigersharks fell to Shelbyville, 369 to 247.

The Tigersharks' Zolon Knoll dominated the 13–14 year-old boys' age group, taking first place in three events: 50-meter breaststroke (38.65 seconds), 100m individual medley (1 minute, 14.06 seconds) and 50m butterfly (32.24).

In the six and under category, Konrad Knoll finished first in the 25m freestyle (22.36) and the 25m backstroke (25.41). Stepping up to the seven- and eight-year-old boys' category, the six-year-old Knoll claimed second place in the 25m butterfly (29.59).

In the 15-18 girls' division, Sophia Hartman finished first in the 50m breaststroke (46.23), first in the 50m backstroke (40.23) and second in the 50m freestyle (35.61).

Kiran Malde finished first in the seven and eight year-old boys' individual medley (2:05.56), first in the 25m breaststroke (26.48) and second in the 25m freestyle (18.67).

The 13-14 year-old mixed medley relay team of Sarah Grace Burns, Harrison Hartman, Zolon Knoll and Sarah Beth Hobby took first with a time of 1:07.95, while the 15-18 mixed medley relay team of Sophia Hartman, Zoey Craft, Garrett Shaw and Owen Pierson took first with a time of 1:04.59.

In a thrilling final race of the meet,

the 15-18 boys' 100m freestyle relay team of Garrett Shaw, Evan Fox, Zolon Knoll and Owen Pierson claimed first place with a time of 53.11 to Shelbyville's 53.48.

In addition to his two first place finishes, Konrad Knoll set two new six and under boys' Tigershark records at the meet, breaking Harrison Hartman's 25m freestyle record set at RACE League Championships in 2009 and older brother Zolon Knoll's 25m backstroke record set at RACE League Championships in 2010.

Additional top Tigershark performances at the meet included Sienna Barry, second in the nine-10 girls' backstroke; Zoey Craft, second in the 15-18 girls' breaststroke, individual medley and butterfly; David Dolack, first in the 11-12 boys' freestyle and second in the 11-12 boys' backstroke; Evan Fox, second in the 15-18 boys' breaststroke and backstroke; Harrison Hartman, first in the 15-18 boys' backstroke and second in the freestyle, and Sarah Beth Hobby, first in the 13-14 girls' freestyle.

Other standout performances were Archer Ladd, second in the six and under boys' freestyle; Theo Michaels, second in the seven and eight boys' 25m breaststroke; Caroline Neubauer, second in the nine and 10 girls' 25m butterfly; Porter Neubauer, first in the 13-14 boys' 50m freestyle, second in the 13-14 boys' 50m butterfly; Eoin Pate, second in the seven and eight boys' 25m backstroke and Iliana Pate, second in the 13-14 girls' butterfly.

Other top swimmers were Owen

Pierson, first in the 15-18 boys' backstroke and second in the 15-18 boys' freestyle; Jack Roberts, second in the six and under boys' 25m backstroke; Will Roberts, first in the seven and eight boys' 25m backstroke; Anara Summers, second in the 25m breaststroke and 100m individual medley; Toby Van de Ven, first in the nine and 10 boys' 50m freestyle and 25m backstroke.

John Noffsinger coaches the Tigersharks. Assistant coaches are Nan Long and Alyssa Summers. Founded by Max Obermiller in 1995 with approximately 30 swimmers, the Tigersharks swim team is one of the longest-running, most successful summer programs on the Mountain for young people. Providing a supportive and organized athletic experience in the spring and summer for youth ages four to 18, the goals of the Tigersharks are to develop strong swimmers, build self-esteem and encourage youth of all ages to work together as a team.

The next home meet is Saturday, June 24, at 10 a.m. in the Fowler Center Natatorium when the Tigersharks host a double-dual meet against swim teams from McMinnville and Lewisburg. Coaches and parents encourage the community to come out and support the local swim team.

Wendling Claims Silver and Gold at Games

John Wendling of Sewanee and two of his children, Alicia Simms of Mobile, Ala., and Marine Col. Frank Wendling of Fairhope, Ala., participated in the 30th National Senior Games, June 2-15 in Birmingham, along with more than 10,500 senior athletes from all over the U.S.

John, competing in the 80–84 age group, entered five swimming events and won silver in the 50-yard breaststroke, 50- and 100-yard backstroke, 100-yard freestyle and the gold medal in the 50-yard freestyle. On the track, John entered one event and placed fifth in the 100-meter dash.

The Wendlings are appreciative to University of the South track and field coach Jeff Heitzenrater for help in technique and conditioning and to Carolyn Fitz and her yoga classes for stretching exercises and meditation (focus) techniques.

The Wendlings said they are also thankful to Ruth Wendling and her chair exercises at the Sewanee Community Center, where not only are all body joints moved for flexibility, but if a person works hard (as John does) strengthens muscles as well. John attributes his swimming success not to lack of competition (there were 18 or more contestants in each of the events in which he competed) but rather to Jeff, Carolyn and Ruth.

"I have been in a swimming pool four times in the past two years," John noted.

The National Senior Games, held every other year, is the largest senior multi-sport event in the world. Each of the 19 sports is divided into five-year age groups beginning with age 50.

"There are both men and women who are participating at 100-plus years old...more than you would think!" John said.

In Tennessee, there are games every year, at both district and state level.

Anyone interested in the Senior Games can visit <nsga.com> or contact John Wendling at (931) 598-9517.

John Wendling (center) of Sewanee recently competed at the National Senior Games with two of his children, Marine Col. Frank Wendling and Alicia Simms.

NATURENOTES

Diana Fritillaries

Last week, we saw our first male Diana fritillaries, large orange and chocolate brown butterflies. This is the largest of the Greater Fritillaries, larger than the Great Spangled Fritillary. The males appear first, followed by the strikingly different black and blue females. Their life history is rather unusual. Females lay their eggs in the fall, seemingly at random, among grasses in a meadow, not on the caterpillars' food plant, violets. The eggs hatch and overwinter as tiny caterpillars, not eating for seven or eight months. Few survive the winter, but those that do then seek out violets and grow through several stages to large (about 2 inches) black spiny-looking caterpillars that hide out on the ground and feed at night. These are the ones that have pupated and are now emerging as adults.

Tinsel

Pets of the Week

Meet Jeremy & Tinsel

Animal Harbor offers these two delightful pets for adoption.

An awesome attitude combined with an awesome personality, Jeremy is affectionate, playful and very talkative. He has morning coffee with his foster mom and then enjoys spending his afternoons in a warm windowsill just watching the birds outside. Evenings currently find Jeremy playing with foster family or kittens before returning to his window for a well-deserved rest. Jeremy is a special needs kitty because of an injury to his hind legs and will need to be indoor only. He is negative for FIV/FelV, up-to-date on shots and neutered.

Tinsel is a glamorous young Hound who can't wait to meet you! She is affectionate and gets along well with other dogs. She loves squeaky toys and will do just about anything for a cuddle session! Tinsel is heartworm-negative, up-to-date on shots, microchipped and spayed.

Animal Harbor offers substantial adoption fee discounts for veterans and seniors. Every Friday is Black Friday at Animal Harbor. On Fridays, adoption fees will be reduced 50 percent for black or mostly black pets more than 4 months old who have been at Animal Harbor for more than a month. Pets adopted from Animal Harbor qualify for a free post-adoption wellness exam by local veterinarians.

Animal Harbor is located at 56 Nor-Nan Road, off AEDC Road, in Winchester. Call Animal Harbor at 962-4472 for information and check out the other pets at <www.animalharbor.org>. Enter the drawing on this site for a free spay or neuter for one of your pets. Help Animal Harbor continue to save abandoned pets by sending donations to Animal Harbor, P.O. Box 187, Winchester, TN 37398.

8:30-11:00 a.m.—Hike at Greeter Falls/Boardtree Falls, led by Ranger Aaron Reid (meet at Greeter Falls Parking Area, 550 Greeter Falls Rd., Altamont);

11:30 a.m.-1:30 p.m.—Friends Annual Meeting & Picnic, Stone Door Picnic Shelter (special kids' program with Ranger Murray Gheesling from 11:30 a.m. to noon);

2-4 p.m.—Rock Climbing demonstration & "try-it-out" at Stone Door with Ranger Jason Reynolds and Asst. Park Mgr. Bill Knapp.

"Livin' the CCC Life" (TN Promise event)—All area high school and college students are invited to join Ranger Park Greer at 9 a.m. at Grundy Forest Parking Area, 131 Fiery Gizzard Rd., Tracy City, for a chance to give back to the community while earning valuable volunteer hours toward your TN Promise commitment. The Grundy Day Loop, also the northernmost part of the Fiery Gizzard Trail, was originally constructed back in the 1930s and has since been a popular destination for hikers, campers and nature lovers from all around the world, but 80+ years of use have led to some major wear and tear on our favorite trail. Students will be working much the same way the Tracy City chapter

of the Civilian Conservation Corps (CCC) did in the 1930s, to create new sections of trail, repair existing sections, build rock steps, and relive the daily life of a CCC trail boss. All tools will be provided. Bring a lunch, water, sturdy shoes, and, if you have them, a pair of work gloves. Donuts, fruit, coffee and juice will be provided for breakfast. Teachers, friends and family members are welcome. To register, sign up online and choose "South Cumberland State Park" as the place where you're volunteering. Please contact Ranger Park Greer if you have any questions.

"The Waterfall Trifecta"—Join Ranger Jessie at 10 a.m. at Grundy Forest parking area, 131 Fiery Gizzard Rd., Tracy City, for this 3-mile hike to see three beautiful waterfalls on the Fiery Gizzard Trail. Blue Hole, Sycamore, and Hanes Hole falls are some of the best in the park, and you'll also learn about some of the geologic and botanical wonders of the area, too.

The South Cumberland State Park Visitors' Center is located on Highway 41 South between Monteagle and Tracy City and is open 8 a.m.-4:30 p.m. seven days a week. For more information call (931) 924-2980.

BARDTOVERSE

by Phoebe Bates

Sundays too my father got up early
and put his clothes on in the blueblack cold,
then with cracked hands that ached
from labor in the weekday weather made
banked fires blaze. No one ever thanked him.

I'd wake and hear the cold splintering, breaking.
When the rooms were warm, he'd call,
and slowly I would rise and dress,
fearing the chronic angers of that house,

Speaking indifferently to him,
who had driven out the cold
and polished my good shoes as well.
What did I know, what did I know
of love's austere and lonely offices?
