

The Sewanee Mountain MESSENGER

VOL. XXVI No. 24

Thursday, July 1, 2010

Published as a public service for the Sewanee community since 1985.

SSMT's student marching band caught in action on a previous Fourth!

SSMF Presents Fourth of July Free Concert and Other Events

The first week of the Sewanee Summer Music Festival saw dazzling performances involving 145 students, 20 distinguished faculty members, three symphony orchestras and dozens of chamber ensembles. And they've only just begun! These collaborations continue this Saturday and Sunday, July 3-4, as well as Wednesday, July 7.

Stepping up to the podium this week will be Kenneth Kiesler, director of orchestras at the University of Michigan, and 21-year Sewanee veteran conductor. The Independence Day concert, held on Saturday, July 3, at 7:30 p.m. in Guerry Hall, is a free event—the SSMF's gift to the Sewanee community. This year's concert will feature Frank Proto's "Casey at the Bat," with Sewanee Professor of Theater Dan Backlund narrating. Also on the program are Tchaikovsky's "1812 Overture" and other patriotic favorites. This is a wonderful event for families.

On Sunday, July 4, Kiesler will team up with resident conductor

Bruce Dinkins for back-to-back orchestra concerts, the first beginning at 2:30 p.m. in Guerry Hall. The Philharmonia Orchestra, with Dinkins at the helm, will present the "Procession of the Nobles" from Rimsky-Korsakov's Mlada, selections from Dvorak's Eighth Symphony, and the overture to Rossini's opera, The Italian Girl in Algiers. Kiesler will lead the Sewanee Symphony in Beethoven's dramatic Coriolanus Overture, followed by Shostakovich's haunting Twelfth Symphony.

The summer's Faculty Chamber Music Series continues on Wednesday, July 7, at 7:30 p.m. in Guerry Hall. Hillary Herndon and Patricia George

Reserve to Attend July 8 "Lunch and Learn" by Friday

Story on page 10

Green's View by Bob Askew

This Month at Shenanigans Gallery

Sewanee resident Bob Askew will be the featured artist for July at Shenanigans Gallery. Askew, the husband of Susan Steele Askew, director of the University's Associated Alumni, has produced an impressive body of work portraying local points of interest. This past spring, he was the featured artist at the Trails and Trilliums spring celebration sponsored by St. Andrew's-Sewanee School.

Askew is a self-taught artist who has been painting full-time for three years. He works mostly in oils and watercolor. "I get many requests for University subjects," he says, "and I

really enjoy the challenge of painting the architecture and these sweeping views." He believes that by returning to similar subjects over a period of time he has improved his craft. "It is great practice. I never tire of these paintings."

Shenanigans Gallery is located in the back of Shenanigans Restaurant at 12595 Sollace M. Freeman Hwy., Sewanee. The gallery is open every day from 11:30 a.m. to 9 p.m. and features the work of more than 20 local artists. For information visit the Shenanigans Art Gallery page on Facebook.

F.C. School Board Meets Tonight

The Franklin County School Board will hold a work session today at 6:30 p.m. in the Board of Education office, 215 S. College St., Winchester. The meeting is open to the public. Steve Ford is Sewanee's representative on the board.

Carillon Concerts July 3 and 4

As part of Sewanee's Fourth of July celebration, a carillon concert of patriotic music will be offered on Saturday, July 3, at 1 p.m. from All Saints' Chapel Shapard Tower by Sewanee carillonneur John Bordley. On Sunday, July 4, Sam Hammond, university carillonneur at Duke University will play a concert at 4:45 p.m.

Tours of the tower will take place, weather permitting, at 11:30 a.m. and 12 p.m. on Saturday and following the Sunday afternoon concert. For the Saturday tours there will be sign-up sheets at the sandwich board sign at the southwest corner of All Saints' Chapel. Tours are limited to 10 people. Additional times for tours following the parade are possible if there is a demand.

Core Reads to Children Wednesday

Thurmond Memorial Library is beginning its weekly reading series for children, including residents and summer visitors to the Mountain, on Wednesday, July 7. Susan Core will read. The Cores are Sewanee residents; Susan teaches English at St. Andrew's-Sewanee School.

Children ages 3-7 are invited to gather on the porch of Brooks Hall, located next to Otey Memorial Parish on University Ave., at 10 a.m. for this fun, entertaining story time. Readers choose several books from the excellent selection of children's literature in the library. If it should rain, the reading is canceled. Refreshments will be served following the reading.

School of Letters Features Jones and Harun

Fiction writers Holly Goddard Jones and Adrienne Harun will read from their works on Wednesday, July 7, at 4:30 p.m. in Gailor Auditorium, in the next literary event sponsored by the Sewanee School of Letters. Both are members of the School's faculty. The reading is free and open to all.

Jones's fiction has appeared in such journals as the Kenyon Review, the Southern Review and the Gettysburg Review and has been anthologized in "New Stories from the South" and "Best American Mystery Stories." Her first book, "Girl Trouble," was published by Harper Perennial in 2009, to enthusiastic acclaim from oracles as diverse as Erin McGraw and O magazine. A graduate of the University of Kentucky and the Ohio State University, she has taught at Denison University and Murray State University and now serves

as assistant professor of English at the University of North Carolina at Greensboro.

Harun's first collection of stories, "The King of Limbo," was a Sewanee Writers' Series Selection and a Washington State Book Award finalist. Her stories have appeared in such periodicals as Story, The Sun, Colorado Review, the Chicago Tribune and the Ontario Review, and in "Best American Mystery Stories." Harun studied art history at Sarah Lawrence College and English literature at Drew University and holds an M.F.A. from Warren Wilson College. A longtime resident of Port Townsend on Washington's Olympic Peninsula, Harun has worked as an editor for many years and currently teaches in the Rainier Writing Workshops, an M.F.A. program at Pacific Lutheran University.

SUD Board Considers Proposal From Internet Service Provider

The Board of Commissioners of the Sewanee Utility District (SUD) of Franklin and Marion Counties held its regular monthly business meeting beginning at 5 p.m., June 22, in the SUD office building on Sherwood Road.

Charles Johnston, representing Monster Broadband, addressed the board. Monster Broadband supplies high-speed Internet service. Johnston and his partner, Steve Baker, started the company in November 2008.

Johnston and Baker have worked with a number of water utilities, supplying Internet service to surrounding areas by installing antennae on the utilities' water tanks. Johnston

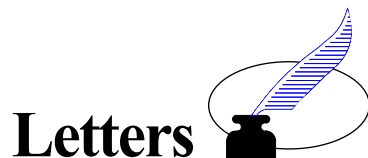

proposed installing antennae on Sewanee's and St. Andrew's-Sewanee School's water tanks. In return for use of the tanks, Monster Broadband would pay SUD \$100 per month rent for each tank and provide SUD with one free business-class service for the duration of the 36-month contract.

Johnston said signals broadcast from the SUD water tanks would reach unserved areas in Roark's Cove, Midway and Laurel Brae. Though the normal signal range is 10 miles, Johnston said he did not expect the signal to extend that far on the Mountain due to its "rough" terrain.

Monster Broadband is fully

BLUE MONARCH TOUR OF HOMES To the Editor:

We would like to thank the people of this wonderful Mountain, the surrounding counties and everyone who attended our fund-raiser: Blue Monarch On The Move ... A Tour Of Mountain Homes! This was our first home tour to raise funds for Blue Monarch, which is a 12-month residential program that gives women and their children an opportunity to break the cycle of addiction and abuse to regain their lives. Thanks to everyone for your support.

Nicky Weaver, Carole Sergent and Irene Wills, Co-Chairs ■

MEMORIAL DAY VOLUNTEERS THANKED To the Editor:

I want to thank those who helped me put out flags in the Monteagle Cemetery on Memorial Day: Marilyn Nixon, Dewayne Dyer, Heather Fultz, my daughter Debbie Parsons and Gary West. It has been an honor to put out the flags for 25 years at Summerfield, Harrison in Midway and Monteagle and Lappin cemeteries in Monteagle. I was grateful for the help I received at Monteagle. I also want to thank Dee Underhill at the Chamber of Commerce and Marilyn Nixon for announcing it at the city meetings leading up to the ceremony. A special thank you to all the pastors who announced it in their churches. It was a

moving ceremony and we were very grateful for all the people that came out and honored the veterans. The VFW performs a ceremony at the Monteagle Cemetery every year and we were especially proud of all the people that came this year. I hope they remember it next year.

Charles D. Knott
Monteagle ■

FAREWELL FROM THE HAIR GALLERY To the Editor:

The Hair Gallery is closing its doors on Saturday, July 31. After more than 30 years of standing and styling, the time has come. It is finally time for me to retire to spend time with family, travel and enjoy whatever comes along. But, before I go, I want to THANK EVERY ONE OF YOU for your continued loyalty and support over these many years. We started out as stylist and customer, and over the years we have become friends. Many of you, I have come to think of as family. I will miss you all! Once again, from the bottom of my heart, THANK YOU!

Kay Garner Smoyak
Sewanee ■

LETTERS TO THE EDITOR:

Mail your letter to the Sewanee Mountain MESSENGER, P.O. Box 296, Sewanee TN 37375, or come by our office, 418 St. Mary's Ln., or send your e-mail to <news_messgr@bellsouth.net>. Please include your name, address and daytime telephone number. Preference is given to letters under 250 words. Unsigned letters will not be used. Letters are edited for space and clarity.

Serving Where Called

Six years ago this column began to support the large number of reservists and National Guard members called up for active duty to serve in the war in Iraq. About 120,000 troops remain in Iraq to support and train their military and assist with counterterrorism.

On Dec. 1, President Barack Obama announced he is sending 30,000 additional troops to Afghanistan to focus on reversing the Taliban's momentum. They will join the 68,000 troops currently deployed in this volatile area.

This is a reminder that someone else is standing guard and facing fire for us. Please keep the following individuals, their families and all those who fight for freedom in your prayers:

Ron Bailey
Nick Barry
Jeremy Bennett
William H. Barton IV
James Gregory Cowan
Jonathan Knight
Robert S. Lauderdale
Alan Moody
Brian Norcross
Christopher Norcross
Dustin "Dusty" Lee Parker
Brandon Parks
Michael Parmley
Greg Rinkes
Charles Schaerer
James Smith
Charles Tate
Jeffery Alan Wessel

We are pleased to report that Nick Worley has returned home from Afghanistan. If you know of others in our Mountain family who are in harm's way, please give their names to American Legion and Auxiliary member Louise Irwin, 598-5864.

Curbside Recycling Tomorrow

Residential curbside recycling pickup in Sewanee is on the first and third Friday of each month. Friday, July 2, will be a pickup day. Recyclable materials must be separated by type and placed in blue bags by the side of the road no later than 7:30 a.m. Please do not put out general household trash on this day. Blue bags may be picked up in the University Lease Office, 110 Carnegie Hall, at the Physical Plant Services administrative office on Alabama Avenue or at the PPS warehouse on Georgia Avenue.

July 4th Weekend in Monteagle

Patriotic and fun activities over the Fourth of July weekend guarantee a great holiday in Monteagle.

Festivities kick off on Friday, July 2, at 4 p.m., with the flag-raising ceremony, and then the music begins in Harton Park, located in the heart of Monteagle. Friday's "Red, White & Blue Street Dance" features Sarah Mallory with Jennifer Brady, Trapper Haskins, the Good Ole Boys' Bluegrass Band & Denny Meeks, the Hard Times Band and a special appearance by Hunter Wolkonowski.

Everyone is welcome to come out and dance or just listen to the music! The music and street dance are free and open to the public. There will be activities for kids, and food will be sold by local community vendors.

For those who need to sit down to be comfortable, some \$25 seats close to the stage may be reserved for the evening's entertainment by calling the Monteagle Mountain Chamber office.

On Saturday, July 3, the Monteagle parade begins at 10 a.m. Please call the Monteagle Chamber to register your float or entry. The fireworks display in

Monteagle's ballpark begins at dark.

For more information, to register a parade entry, or to reserve a seat for the music on Friday night, call the Monteagle Mountain Chamber at (931) 924-5353.

Huntland's Fourth of July Festival

The City of Huntland will celebrate the Fourth of July with a rodeo on July 2-3, starting at 7 p.m. each night in the city park; a parade at 10 a.m. on Saturday, July 3; a carnival on July 3 from noon-7 p.m.; and a concert on July 4, with Lee Gibson and Four on the Floor at 7 p.m.

For more information call Melanie Morrow at (931) 469-0656 or (931) 691-1777.

New Arrivals

Michael Nicholas Kern

Michael Nicholas Kern was born on June 25, 2010, in Southern Tennessee Medical Center to Kristy Rector and Eric Kern of Monteagle. He weighed 6 lbs., 1 oz. He joins his sisters, Kaylee and Emma. Maternal grandparents are Linda Anderson of South Pittsburg and Mike Rector of Sewanee. Paternal grandparents are Marsha and Jeff Kern of Monteagle.

Daxton Jeffery Marshall

Daxton Jeffery Marshall was born on June 24, 2010, in Southern Tennessee Medical Center to Stephanie and Joey Marshall of Decherd. He weighed 6 lbs., 14.5 oz. He joins his sister, Daylayna and his brothers, Damon and Dallan. Maternal grandparents are Sandy and Houston King of Sewanee. Paternal grandparents are Diane and Ronnie Prince of Decherd and Stan and Debbie Marshall of Lynchburg.

Alexander Dominic Paul

Alexander Dominic Paul was born on June 22, 2010, in Southern Tennessee Medical Center to Tasia Simmons and Anthony Paul. He weighed 5 lbs., 5.9 oz. He joins his sister, Lilliana Simmons. Maternal grandparents are Laura and Brian Holman Sr. Paternal grandparents are Connie Rowland and Tony Paul.

Fourth Fireworks Safety Area at Lake Cheston

Chief David Green of the Sewanee Fire Department and the Sewanee Fourth of July Committee respectfully ask everyone's consideration of the safety rules and precautions in place for the "Star Spangled 4th" fireworks at Lake Cheston. The show commences at dusk.

Yellow safety lines will be in place, and the public should not cross these markers for their safety. Similarly, no one other than authorized personnel should be in the proximity of the trailer employed by the fire department for the display.

Patrons should not be in the woods flanking the firing site; instead, please enjoy the expansive seating area on the bank overlooking the lake for the fireworks spectacular.

Parade Times on the Mountain

This year all Fourth of July parades on the Mountain will take place on Saturday, July 3: Monteagle, 10 a.m.; Sewanee, 2 p.m.; and Tracy City, 6 p.m. Be a spectator, or march or ride in all three!

**Green is not a color.
It's a philosophy.**

Holiday Parking and Road Closings

University Avenue will be blocked to automobile traffic between Highway 41A and the Duck River Electric Membership Co-op from 6:30 a.m. on July 3, to provide for pedestrian travel downtown for the festivities. If you must visit a downtown business, you can drive up Reed's Lane and park in the Regions Bank rear parking lot. Parking will also be restricted around Elliot Park (near the bookstore).

Parking will be allowed on University Avenue beyond Duck River until 1 p.m., at which time all vehicles must be removed in preparation for the parade beginning at 2 p.m. There will be signs posted on University Avenue with this information.

Texas Avenue will be closed from University Avenue to Lake Cheston for the fireworks. Only handicapped persons will be allowed to drive to the lake. All cars which drive to Lake Cheston will be required to wait till pedestrians are out before they may leave.

There will be a shuttle bus running from 9 a.m. until after the parade, from the Duck River office, up University Avenue to the Arts & Crafts Fair, to

Fulford Hall and back. Ample parking is available behind Fulford Hall.

Please be sure to express your appreciation to the many volunteers who make Sewanee's July 4th such a fantastic experience.

May we all have a safe and happy holiday!

Fourth of July Food Vendors

Food booths for Sewanee's "Star Spangled 4th" will include the following vendors. For the July 2 Friday night street dance, the Sewanee Market will offer barbecue, pizza, burgers, hot dogs and ribs. Vendors scheduled on Saturday, July 3, from 10 a.m. until parade time include Evan Barry—hot dogs, drinks; Scott Bennett—barbecue plates; Bryant Family—drinks, snacks; Preston Greer—fresh-squeezed lemonade; Modern Dave's—bread pudding, drinks; Connie Snell—snow cones, popcorn; Sparky's Kettle Corn; and Ms. Dessie and Family—barbecue plates and fried pies.

SUD Board Considers Proposal From Internet Service Provider *from page 1 . . .*

insured in the event of any damage to the tanks. Customers who subscribe to the service would have a receiving antenna attached to their homes. This company currently supplies service to Bell Buckle, Pleasant Ridge, Petersburg, Center Grove, all of Moore County and parts of Lincoln County. The cost for business service is \$94.95 per month, and residential service ranges from \$39.99 to \$74.99 per month, depending on the speed selected by the customer with four options available. Monster Broadband also offers telephone service with nationwide long-distance calling for \$74.99 per month.

Doug Cameron, president of the SUD board, said the board needed to consult with other utilities leasing water tanks to Monster Broadband before reaching a decision. SUD Manager Ben Beavers asked Johnston to supply him with the propagation map showing the prospective broadcast range. Johnston will attend the July board meeting to answer further questions.

In his general manager's report, Beavers said income is 0.4 percent below the budgeted amount, and expenses are 13 percent below those projected in the budget. Efforts to repair the leak in Lake Jackson dam with grout were unsuccessful. Beavers will solicit bids for repairing the leak with pressure grouting.

Beavers asked the board to render a decision about the Sunset Trust bond, which is approaching the end of its five-year renewal cycle. SUD undertook the \$120,000 debt in 2000 to pay for a water service line to the Deepwoods area. The board anticipated that the \$4,000 tap fee for Deepwoods' customers would pay off the bond, but that has not been the case because there have been few new taps in Deepwoods. SUD has been making payments on the bond from its general fund.

Beavers presented the board with three options for dealing with debt from the bond: pay off the \$68,000 remaining, drawing from the \$594,000 cash on hand; renew the bond with Regions Bank at an interest rate between 5.2 percent and 6.15 percent; or refinance the debt at Citizens Tri-County Bank at 4.35 percent interest. The board voted to pay off the debt. The fee for new Deepwoods taps will remain at \$4,000 until SUD recovers

the cost of supplying water service to that area.

Cameron announced that SUD has been served with a Director's Order by Alan Schwendimann, director of the Division of Water Supply, Tennessee Department of Environment and Conservation (TDEC). The order cites SUD for four non-water-quality-related violations: (1) failure to perform a customer survey to detect new cross connections; (2) failure to require inspection of two backflow devices; (3) untimely filing of a report; and (4) discrepancy in turbidity readings [though all readings were well within regulation limits]. SUD was fined \$6,400, with additional fines to follow if SUD does not meet the benchmarks TDEC set to remediate the issues.

"We'll meet all of them," Beavers reassured the board. SUD's attorney, Don Scholes, commented that SUD's fine was much less than the fines TDEC recently assessed other water utilities.

A SUD customer appealed to the board for an adjustment to an abnormally high bill caused by lightning striking and bursting a pipe. The customer said he contacted SUD when he noticed a drop in pressure; however, water had continued to flow into his home. The burst line was discovered three days later. The water flowing into the customer's home came from pooled water that had leaked from the SUD main. Two years ago, the same customer received an adjustment for a high bill resulting from a leak caused by a line broken by a lightning strike.

Normally, the board allows one adjustment per customer every 72 months (six years). Cameron noted that the leaked water was not due to negligence on the customer's part and that there was nothing the customer could have done to prevent the leak, as is the case with leaks resulting from frozen pipes. After careful consideration, the board voted to allow the customer's request for an adjustment. SUD policy stipulates that when adjustments are granted, the amount of the bill above normal usage is reduced by half (in this case from \$110 to \$55).

The next meeting of the SUD Board of Commissioners is scheduled for 5 p.m., Tuesday, July 27, in the SUD office building on Sherwood Road.

—Reported by Leslie Lytle

Obituaries

Hershel Leon Bradford

Hershel Leon Bradford, age 55 of Winchester, died on Sunday, June 27, 2010, in Southern Tennessee Medical Center in Winchester. He was born on February 22, 1955, to Sarah McKinney and Virgil Bradford of Winchester.

He is survived by his wife, Ruth Goins Bradford; son, Rusty Bradford of Cowan; daughter, Amy Chance of Manchester; brothers, Larry Bradford of Winchester and Bobby Ray Bradford of Estill Springs; sister, Geraldine Stephens of Winchester; and three grandchildren.

Funeral services are today at 2 p.m. in the funeral home chapel. Interment will be in Cowan Montgomery Cemetery, Cowan. Arrangements were by Moore-Cortner Funeral Home, Winchester.

Annie Mae Foster

Annie Mae Foster, age 93 of Monteagle, died June 30, 2010. She was an employee of St. Andrew's-Sewanee School for 50 years. She was preceded in death by her husband, James Foster; parents, Flora and Garvin Morgan; sister Louise Gunn; and daughter-in-law Dixie Foster.

She is survived by her children, Sue Miller of Greenville, N.C., Jim Foster of Monteagle and Wanda McCloud of Decherd; brother, Charles Morgan of Coalmont; sister Daphne Meadows of Coalmont; six grandchildren; six great-grandchildren; and several nieces and nephews.

The funeral service will be held on Saturday, July 3, at 3 p.m. in the funeral home chapel, followed by interment in Franklin Memorial Gardens. Visitation is Friday, July 2, from 5-9 p.m. Arrangements were by Cumberland Funeral Home, Monteagle.

Carl Phillip Kilgore

Carl Phillip Kilgore, age 75 of Sequatchie, died in his residence on June 22, 2010. He was retired from McDowell Construction. He was preceded in death by brother Thomas Kilgore; granddaughter Addison Kilgore; and great-grandson Noah Jordan Dykes.

He is survived by his wife, Lorenza Beatrice Kilgore; sons, Carl H. (Vicki) Kilgore of Sequatchie and Doug (Wendy) Kilgore of Tracy City; daughters, Rose (David) Phipps of Sequatchie, Vallery Griffith of Hixson and Norma (Robert) Casteel of Jasper; brother Paul Kilgore of Decherd; sisters, Marjorie Baker of Beersheba Springs, Hazel Kilgore of Monteagle, Virginia Adams of California and Beulah Hannah of Indiana; 12 grandchildren; and 11

great-grandchildren. Funeral services were held June 24 in the funeral home chapel, with Bro. Jimmie Styers officiating. Interment followed in Plainview Cemetery. Arrangements were by Foster & Lay Funeral Home, Tracy City.

Vivian Ann Barnes Pearson

Vivian Ann Barnes Pearson, age 80 of Ashland City, died June 17 in Pleasant View, Tenn. She was born in Sherwood, and was a member of the Sherwood Church of Christ for many years, and a member of the Order of Eastern Star. She was preceded in death by husband Charles Thomas Pearson; husband George Johnson Jr.; parents, John Dillon Barnes

and Vivian Bates Barnes; brothers, Max Murray Barnes, Andrew James Barnes, Mabra Barnes and Water Palma Barnes; and son Michael Van Johnson.

She is survived by sons Glenn David Johnson, Charles Steven (Linda) Pearson, Anthony Andrew Pearson and Raymond Palma (Shannon) Pearson; daughter-in-law, Linda Johnson; nine grandchildren; nine great-grandchildren; and 19 nieces and nephews.

Funeral services were held on June 19 at Anderson & Garrett Funeral Home, with Bro. Joe Bogle officiating. Interment was in Mt. View Cemetery, Sherwood. Local arrangements were by Moore-Cortner Funeral Home, Winchester.

Church News

July 4 is Pantry Sunday

Pantry Sunday for the Community Action Committee (CAC) is Sunday, July 4, for participating churches: St. James, Otey, Cumberland Presbyterian and All Saints' Chapel. Please bring your food offerings to Sunday services. The typical bag of groceries includes rice, beans, pasta, macaroni and cheese, peanut butter, and cans of vegetables, fruit, and soup.

The CAC is an outreach ministry of Otey Parish with generous support

from the Sewanee Community Chest and individuals across the Mountain. The CAC provides food, financial assistance and educational support for persons in the greater Sewanee community. For more information, contact the CAC at 598-5927.

This Sunday at Otey Parish

Everyone is invited to attend services at Otey Memorial Parish on Sunday, July 4, the Sixth Sunday after Pentecost, for the celebration of the the Holy Eucharist, Rite II at the 8:50 and 11 a.m. services. During the Sunday School hour, participants are welcome to the delicious third Summer Sunday Brunch prepared by Joan Hurst and friends. For those who like to "munch and learn," the Lectionary Class will meet in Brooks Hall parlor during the Sunday School hour and study Luke 10:1-11, 16-20, where Jesus says, "The harvest is plentiful, but the laborers are few." Nursery care is available from 8:30 a.m. to 12:30 p.m. every Sunday. Coffee hour follows the second service.

Midway Church of Christ Services

Keith Hamilton, minister of Midway Church of Christ, will be preaching two lessons this Sunday, July 4. The 11 a.m. sermon is titled "The Wages of Sin and the Gift of God." At 6 p.m. Hamilton will preach "Thy Word Have I Hid In My Heart."

The 10 a.m. Bible Study is a continuation of a study on "The Life of Christ." To obtain a CD of sermons, call Hamilton at 454-2196.

Visitors are welcome. The Midway Church of Christ is located on Otter Falls Rd., Sewanee.

Announcing Vacation Bible School 2010

Save July 19-23 for a unique Vacation Bible School experience!

"Galactic Blast!" is the title of this year's VBS program, an experience in faith building that is out of this world!

Registration is at 8:45 a.m. on Monday, July 19. VBS meets each day from 9 a.m. until noon. Lunch is served each day. The program is at St. James Church, located at 898 Midway Rd., and jointly hosted by St. James, Otey Parish, Christ Church, Alto and Holy Comforter, Monteagle.

The next planning meeting for Vacation Bible School is July 1 at 5 p.m. in St. James parish hall.

Upcoming Events

Join us for an elegant breakfast ... \$15 per person with reservation. Welcome, summer visitors and friends!

Reservations required: call 931-924-3869

Animal Harbor Places Its 3,000th Pet!

Animal Harbor, the private, no-kill shelter operated by The Franklin County Humane Society, opened in February 2003 to rescue, care for and find new homes for cats

Alaska

and dogs abandoned in Franklin County. This month they placed their 3,000th pet—a handsome Japanese Bobtail kitty named Alaska—who went home with a young couple from Flintville. This monumental achievement was made possible by the donors, adopters and volunteers who support Animal Harbor, and The Humane Society is very grateful to all of them.

The Franklin County Humane Society welcomes new members, volunteers and donations to support Animal Harbor. Animal Harbor is located at 25 Walnut Grove Rd. in Belvidere, and the mailing address is P. O. Box 187, Winchester, TN 37398. For information call Animal Harbor at 962-4472 or e-mail <petadoption@charter.net>.

Hospitality Shop Closed July 3

The Hospitality Shop, usually open Tuesday, Thursday and Saturday, will be closed Saturday, July 3. Thereafter the shop will be open on Tuesdays and Thursdays from 9:30 a.m. to 2 p.m. and on Saturdays from 10 a.m. to noon, through Saturday, Aug. 7, when it will close until Tuesday, Aug. 24.

July 6—Last Day to Register to Vote

July 6 is the last day to register to vote in the Tennessee State Primary and the Franklin County General Election that will be held on August 5. Early voting will be at the Franklin County Election Commission, 839 Dinah Shore Blvd., Suite 1, Winchester, from July 16 through July 31. For information call 967-1893.

Locals' Silent Auction to Benefit CAST

Crafts Artists of Southern Tennessee (CAST) will offer unique, regional works of art via silent auction on Saturday, July 3, from 10 a.m. until 3 p.m. in Locals at 49 University Ave., Sewanee, between Regions Bank and the Blue Chair. All proceeds will directly benefit CAST.

Bids will be taken on works in wood, clay, fiber, metal, glass and mixed media created by members of CAST, a group of artists from 23 Southern Tennessee counties dedicated to supporting and promoting the arts in the Sewanee region. The inaugural CAST Silent Auction last July 4 proved to be a great success, with bidders showing great skill, patience and strategy in securing their favorite local work of art.

CAST is one of six active regional

chapters of artists and craftspeople belonging to the Tennessee Association of Craft Artists (TACA), a statewide nonprofit organization founded to encourage, develop and promote regional crafts and craftspeople. CAST sponsors the annual Studio Tour in Sewanee and Monteagle, as well as the full CAST art exhibit at the St. Andrew's-Sewanee School gallery.

For more information on TACA visit <www.tennesseearts.org>. For information on the silent auction call 598-0400 or visit <www.myerspoint.com/locals>.

Sewanee Utility District of Franklin and Marion Counties Water Quality Report 2009

Is my drinking water safe?

Yes, our water meets all of EPA’s health standards. We have conducted numerous tests for over 80 contaminants that may be in drinking water. As you’ll see in the chart below, we detected only 11 of these contaminants. We found all of these contaminants at safe levels.

What is the source of my water?

Your water, which is surface water, comes from Lakes O’Donnell and Jackson. Our goal is to protect our water from contaminants and we are working with the State to determine the vulnerability of our water source to ***potential*** contamination. The Tennessee Department of Environment and Conservation (TDEC) has prepared a Source Water Assessment Program (SWAP) Report for the untreated water sources serving this water system. The SWAP Report assesses the susceptibility of untreated water sources to ***potential*** contamination. To ensure safe drinking water, all public water systems treat and routinely test their water. Water sources have been rated as reasonably susceptible, moderately susceptible or slightly susceptible based on geologic factors and human activities in the vicinity of the water source. The Sewanee Utility District of Franklin and Marion Counties (SUD) sources rated as slightly susceptible to potential contamination.

An explanation of Tennessee’s Source Water Assessment Program, the Source Water Assessment summaries, susceptibility scorings and the overall TDEC report to EPA can be viewed online at www.state.tn.us/environment/dws/dwassess.shtml, or you may contact the Water System to obtain copies of specific assessments.

Why are there contaminants in my water?

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. Community water systems are required to disclose the detection of contaminants; however, bottled water companies are not required to comply with this regulation. The presence of contaminants does not necessarily indicate that water poses a health risk. More information about contaminants and potential health effects can be obtained by calling the Environmental Protection Agency’s Safe Drinking Water Hotline (800-426-4791).

For more information about your drinking water, please call Water Superintendent James Smartt at 598-5201.

Este informe contiene información muy importante. Tradúscalo o hable con alguien que lo entienda bien.

How can I get involved?

Our Board of Commissioners meets on the fourth Tuesday of every month at 5:00 PM at the Utility Office. Please feel free to participate in these meetings. The SUD Board is elected and consists of five members. Each member serves a four-year term. Decisions by the Board on customer complaints brought before the Board under the District’s complaint policy may be reviewed by the Utility Management Review Board of the Tennessee Department of Environment and Conservation pursuant to Section 7-82-703 (7) of Tennessee Code Annotated. You can also visit our website, <www.sewaneeutility.org>, for more information.

Is our water system meeting other rules that govern our operations?

The State and EPA require us to test and report on our water on a regular basis to ensure its safety. We have met all of these requirements. Results of unregulated contaminant analysis are available upon request. We want you to know that we pay attention to all the rules.

Other Information

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity.

Contaminants that may be present in source water:

- Microbial contaminants, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganic contaminants, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff and residential uses.
- Organic chemical contaminants, including synthetic and volatile organic chemicals, which are by-products of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radioactive contaminants, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, EPA and the Tennessee Department of Environment and Conservation prescribe regulations which limit the amount of certain contaminants in water provided by public water systems. SUD’s water treatment processes are designed to reduce any such substances to levels well below any health concern. FDA regulations establish limits for contaminants in bottled water which must provide the same protection for public health.

Due to all water containing dissolved contaminants, occasionally your water may exhibit slight discoloration. We strive to maintain the standards to prevent this. We at SUD work around the clock to provide top quality water to every tap. We ask that all our customers help us protect our water sources, which are the heart of our community, our way of life and our children’s future.

Do I need to take special precautions?

Some people may be more vulnerable to contaminants in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice from their health care providers about not only their drinking water, but food preparation, personal hygiene, and precautions in handling infants and pets. EPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbiological contaminants are available from the Safe Drinking Water Hotline (800-426-4791).

Lead in Drinking Water

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. The Sewanee Utility District is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the Safe Drinking Water Hotline or at <http://www.epa.gov/safewater/lead>.

Water System Security

Following the events of September 2001, we realize that our customers are concerned about the security of their drinking water. We urge the public to report any suspicious activities at any utility facilities, including treatment plants, pumping stations, tanks, fire hydrants, etc., to 598-5611.

Water Quality Data

What does this chart mean?

- **MCLG:** Maximum Contaminant Level Goal, or the level of a contaminant in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- **MCL:** Maximum Contaminant Level, or the highest level of a contaminant that is allowed in drinking water. MCLs are set as close to the MCLGs as feasible using the best available treatment technology. To understand the possible health effects described for many regulated constituents, a person would have to drink 2 liters of water every day at the MCL level for a lifetime to have a one-in-a-million chance of having the described health effect.
- **MRDL:** Maximum Residual Disinfectant Level: the highest level of a disinfectant allowed in drinking water. There is convincing evidence that addition of a disinfectant is necessary for the control of microbial contaminants.
- **MRDLG:** Maximum Residual Disinfectant Level Goal: the level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial contaminants.

Contaminant	Violation Yes/No	Level Detected	Range of Detections	Date of Sample	Unit Measurement	MCLG	MCL	Likely Source of Contamination
Total Coliform Bacteria	NO	0		2009		0	<2 positive samples	Naturally present in the environment
Turbidity ¹	NO	0.07	0.03-0.44	2009	NTU	n/a	TT	Soil runoff
Chlorine	NO	2.0	1.7-2.3	2009	ppm	4	4	Water additive used to control microbes.
Copper	NO	90% = 0.11	0.0019- 0.12	2009	ppm	1.3	AL=1.3	Corrosion of household plumbing systems; erosion of natural deposits; leaching from wood preservatives
Fluoride	NO	0.97	0.86-1.10	2009	ppm	4	4	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories
Lead ²	NO	90% = .0021	BDL- .0034	2009	ppb	0	AL=15	Corrosion of household plumbing systems; erosion of natural deposits
Nitrate (as Nitrogen) ³	NO	0.10	0.10	2009	ppm	10	10	Runoff from fertilizer use; leaching from septic tanks, sewage; erosion of natural deposits
Sodium	NO	13	13	2009	ppm	N/A	N/A	Erosion of natural deposits; used in water treatment
TTHM ⁴ [Total trihalomethanes]	NO	61	30-123	2009	ppb	n/a	80	By-product of drinking water chlorination
Halooacetic Acids (HAA5)	NO	47	34-70	2009	ppb	N/A	60	By-product of drinking water disinfection.
Total Organic Carbon ⁵	NO	1.34	1.17-1.63	2009	ppm	TT	TT	Naturally present in the environment.

Contaminant	Violation Yes/No	Level Found	Range of Detections	Date of Sample	Unit Measurement	MRDLG	MRDL	Likely Source of Contamination
Chlorine	NO	2.0	1.7-2.3	2009	ppm	4	4	Water additive used to control microbes.

- **BDL:** Below Detection Level: laboratory analysis indicates that the contaminant is not present at a level that can be detected.
- **AL:** Action Level, or the concentration of a contaminant which, when exceeded, triggers treatment or other requirements which a water system must follow.
- **Parts per million (ppm) or Milligrams per liter (mg/l):** explained as a relation to time and money as one part per million corresponds to one minute in two years or a single penny in \$10,000.
- **Parts per billion (ppb) or Micrograms per liter:** explained as a relation to time and money as one part per billion corresponds to one minute in 2,000 years, or a single penny in \$10,000,000.
- **NTU:** Nephelometric Turbidity Unit: nephelometric turbidity unit is a measure of the clarity of water. Turbidity in excess of 5 NTU is just noticeable to the average person.
- **TT:** Treatment Technique, or a required process intended to reduce the level of a contaminant in drinking water.

During the most recent round of Lead and Copper testing, 0 out of 20 households sampled contained concentrations exceeding the action level.

¹ 99.8% of our samples were below the turbidity limit.

² Infants and young children are typically more vulnerable to lead in drinking water than the general population. It is possible that lead levels at your home may be higher than at other homes in the community as a result of materials used in your home’s plumbing. If you are concerned about elevated lead levels in your home’s water, you may wish to have your water tested and flush your tap for 30 seconds to 2 minutes before using tap water. Additional information is available from the Safe Drinking Water Hotline (800-426-4791).

³ Nitrate in drinking water at levels above 10 ppm is a health risk for infants of less than six months of age. High nitrate levels in drinking water can cause blue baby syndrome. Nitrate levels may rise quickly for short periods of time because of rainfall or agricultural activity. If you are caring for an infant you should ask advice from your health care provider.

⁴ While your drinking water meets EPA’s standard for trihalomethanes, it does contain low levels. Some people who drink water containing trihalomethanes in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer.

⁵ We have met all treatment technique requirements for Total Organic Carbon removal.

Celebrate “A Star Spangled 4th”!

Sewanee's 2010 Fourth of July celebration, “A Star Spangled 4th,” begins Friday evening, July 2, with a **Street Dance** from 8 p.m. to midnight, with music provided by Ginger and Live Wire. Lake O'Donnell Road, between the Sewanee Market and Steve Green Construction office, will be closed off for the dance. Admission is free; bring a folding chair for resting between dances. In case of rain, the dance will be moved to Cravens Hall on Kentucky Avenue.

On Saturday, July 3, festivities begin at 8 a.m. in Abbo's Alley with the annual **Flag Raising Ceremony**, featuring patriotic songs and a community potluck continental breakfast amid the Beaumont Zucker, Smith and Pond homes at 139 and 143 Florida Ave., across from the University football field.

Frivolity prevails in Manigault Park with the **Cats' Meow Show**, 9:15–9:45 a.m., followed by the **Sewanee Mutt Show** at 10 a.m. Remember: for your pets' safety, bring cats in carriers and dogs on leashes; for the organizers' sanity, please arrive early to register pets for the shows.

Creative bakers are encouraged to enter the **Cake Decorating Contest**; ribbons will be awarded to winners in two age groups—12 and under and over 12—with a cash prize for best in show.

Be sure to visit the **Arts & Crafts Fair**, opening at 9 a.m. in Shoup Park.

From 11 a.m. until 1 p.m., **Children's Games**, outside the American Legion hall downtown, offer youngsters plenty of fun, including a Mystery Fortune Teller and face painting.

A **Dunking Booth** will be set up near the post office, daring eagle-eye pitchers of all ages to cool off a “hot-shot” in the pool.

When you get hungry, check out the various **food vendors** under the tents in town and near Shoup Park, or visit one of our local restaurants.

At 1 p.m., **Sewanee carillonneur John Bordley** will present a program of patriotic songs from Shapard Tower adjacent to All Saints' Chapel, followed at 2 p.m. by the parade up University Avenue. Sewanee's Fourth features an **old-fashioned parade**—all are welcome to march or ride horses, bikes, golf carts, cars or trucks. Check out the homemade

floats and the world's only marching symphony, courtesy of the Summer Music Festival students! If your ears are sensitive to sirens, sit up the avenue near the hospital; sirens will not be blown after fire trucks reach the Kirby-Smith Monument at University and Texas avenues.

Local pilot Catherine Cavagnaro will present an **air show** over the Sewanee airport. Look into the sky after the parade, or go out to the air field at 3:30 p.m. Following the air show, local pilots will take children ages 7–16 only (parents must be present to give permission) up for a view of Sewanee from the sky.

At 7:30 p.m. the annual **Patriotic Pops Concert** will be offered free of charge by the Sewanee Summer

Music Festival in Guerry Hall.

Lake Cheston is the venue for the events on Sunday, July 4—**music by Charlie Smith & Friends and the Culprits** will begin at 7, concluding with the **Fireworks Blowout** at dark. Parking at the lake will be limited to handicapped and special needs folks only. Park on the street and walk in. Donations for next year's fireworks will be gratefully accepted as you go to the lake.

A free shuttle van will run from the Duck River office on University Avenue up to the Cats' Meow and Mutt shows, the Arts & Crafts fair and Fulford Hall.

Porta-potties will be located behind Elliott Hall, Taylor's Mercantile, the Sewanee Market and at Lake Cheston.

Have a safe and happy Fourth!

Enjoy SSMF “Sewanee Sundays”

The Sewanee Summer Music Festival announces “Sewanee Sundays.” This Sunday, July 4, and for two Sundays thereafter, festival-goers are invited to an afternoon of gourmet food and classical music. Patrons will dine alfresco, enjoying one of three box-lunch options from Julia's Fine Foods, chilled refreshments—or perhaps wine brought from home—and a patch of cool shade. After the luncheon-picnic, diners will join the guest conductor on Guerry stage for

a Conductor's Conversation. Informative and lively commentary will give patrons that little something extra to listen for from their reserved seats at the Sewanee Symphony Concert to follow at 2:30 p.m.

Tickets are \$25 (\$15 for season ticket holders) and may be purchased online at <musicfestival.sewanee.edu> or at the SSMF office on the second floor of Guerry Hall. Tickets must be purchased by Tuesday at 5 p.m. for the following Sunday.

Watson Installed as Tennessee Retired Teachers Association President

Elected last year as president-elect, Gail Watson, a resident of Sewanee, was installed as the state president of the Tennessee Retired Teachers Association on June 8, 2010. A member of the Franklin County High School faculty (1977–83), Watson went on to be the librarian at South Junior High School (1983–2003) and retired from that position.

Watson has remained active in NEA-Retired, Franklin County Retired Teachers (president 2006–10), Alpha Beta Chapter, Delta Kappa Gamma Society honoring women teachers (president 2006–08, parliamentarian 2008–10), Episcopal Church Women of the Sewanee Area (co-president 2008–present), Friends of duPont Library (co-chair 2006–09), St. Augustine's Guild for All Saints' Chapel (vice president 2006–07, president 2007–10), Emeritus Association at the University of the South (banquet planner 2009–pres-

Gail Watson

ent), Sewanee Woman's Club, SWC Book Club, Sewanee Chorale and Kappa Delta Sorority.

Watson has also been honored by inclusion in "Who's Who in American Education," "Who's Who Among America's Teachers," "Who's Who of American Women," and "Who's Who in America."

DuPont Hours

The University library will observe summer hours from now until Saturday, July 24: Monday–Thursday, 8 a.m.–11 p.m.; Friday, 8 a.m.–8 p.m.; Saturday, 10 a.m.–6 p.m.; and Sunday, 1 p.m.–11 p.m.

Subscribe to Emergency E-mail Notification

E-mail notification about emergencies impacting the Sewanee community is available through a service called Bulletin. To subscribe to receive alerts about severe weather, traffic hazards, and other potentially threatening circumstances contact Peggy Green at <peggygreen@sewanee.edu>.

"To Kill a Mockingbird" 50th Anniversary

On Sunday, July 11, at 1 p.m. Davis-Kidd Booksellers will celebrate the 50th anniversary of Harper Lee's beloved novel, "To Kill a Mockingbird," with a special event featuring six local authors who will read their favorite passage from the book. Throughout the reading, 20 percent of all customer purchases will be donated to Nashville's local chapter of Room to Read!

Davis-Kidd Booksellers is located at 2121 Green Hills Village Dr., Nashville. For information call (931) 385-2645 or visit <www.daviskidd.com>.

Local Hydrant Flushing Continues

The Sewanee Utility District is flushing fire hydrants within the district during June and July.

During flushing, the hydrant is opened to allow any sediment and stale water to be removed from the main. Flushing must be performed annually to comply with state law and to ensure the highest quality of water possible. During flushing, some discoloration may be noticed but is of no health risk. Additionally, there may be a momentary loss of water pressure while the hydrant is open.

SUD has begun flushing at the water tanks before moving out toward outlying areas. Therefore, areas near town will be flushed first and the areas of Sherwood Road, Midway and Jump-Off will be flushed in that order.

Flushing will be performed between the hours of 9 a.m. and 3 p.m. to reduce inconvenience. If you have any questions, please contact the utility office at 598-5611.

Use Caution on Midway Road

Nate Wilson, University Domain manager, cautions everyone who drives or uses Midway Road to be aware that timber is being removed to comply with FAA regulations. Watch out for personnel and heavy equipment.

Domain leaseholders also should be aware that summer interns in the Office of Domain Management will be placing flags and noting GPS information on the property corners of leases for a new database. For information contact the office at 598-1268.

Lease Committee Agenda Deadline

The next meeting of the Lease Committee is scheduled for Wednesday, July 21. Agenda items are due in the Office of the Superintendent of Leases in Carnegie Hall by 4:30 p.m. on Wednesday, July 14.

Job Opportunities

The University of the South announces the following job openings: EXEMPT POSITIONS—Assistant/Associate Director of Alumni Relations, Assistant Athletic Trainer, Assistant Dean for Student Organizations, GIS Instructor/Lab Manager, Intern-Assistant Women's Soccer/Spring Sport Coach.

For information please call 598-1403, or visit the website: <www.sewanee.edu/personnel/jobs>.

Anti-nuclear Weapons Start-up Group in Sewanee

A group supporting the worldwide movement to eliminate all nuclear weapons is forming in Sewanee. Members of this new group are asking others in the Sewanee community who are interested in working toward this goal to stop by the CCJP booth on Saturday, July 3, and write their names and e-mail addresses on a sign-up sheet.

An organizational meeting will be held later this summer or early fall to determine what first steps the larger community group will take. One possibility is to form a local group affiliated with Global Zero, an international organization; see <www.globalzero.org>.

A fact sheet about nuclear weapons will also be available at the CCJP booth on July 3.

Global Zero's declaration, which may be signed online, states: "We, the undersigned, believe that to protect our children, our grandchildren and our civilization from the threat of nuclear catastrophe, we must eliminate all nuclear weapons globally. We therefore commit to working for a legally binding verifiable agreement, including all nations, to eliminate nuclear weapons by a date certain."

Six American Indian Tribes Recognized by Tennessee

On June 19, six American Indian tribes received official, legal recognition from the state of Tennessee: the Chikamaka Band, Cherokee Wolf Clan, Central Band of Cherokee, United Eastern Lenape Nation of Winfield Tennessee, Tanasi Council and Remnant Yuchi Nation.

The Chikamaka Band, an American Indian tribe principally located in southeast Tennessee, northwest Georgia and northeast Alabama, has a particularly active organization in Franklin County. Members of the Chikamaka Band in Tennessee live primarily in Coffee, Franklin, Grundy, Marion, Sequatchie and Warren counties.

A press release from the Tennessee Commission of Indian Affairs includes the following statement: "The Tennessee Commission of Indian Affairs fulfilled its state mandated duty, specified in T.C.A. 4-34-103[6], by providing official state legal recognition to Tennessee's existing indigenous Indian tribes long disenfranchised by centuries of government Indian policies and politics."

For more information on the Chikamaka Band see <http://ChikamakaBand.com>.

Brain Matters Support Group Meets July 6

Brain Matters is a new support group for survivors and families of Traumatic Brain Injury serving families and survivors in Coffee, Franklin, Grundy and Moore counties. Meetings are held at The Rehab Center of Southern Tennessee Medical Center on the first Tuesday of every month at 6 p.m.

The Rehab Center is located at 100 Bible Crossing Rd. in Decherd. For information contact Mary Holt at 962-9947.

Folks at Home Initiates Equipment Lending Service

Folks at Home (F@H) has a Lending Service consisting mainly of safety equipment. Items available to borrow include canes, walkers, wheelchairs and items for the bathroom. Thanks to a grant, the group is able to buy shower and tub chairs, as well as a portable ramp. A power chair (motorized wheelchair) has also been donated to F@H.

The organization will soon begin installing bath safety bars into the homes of members who have requested grab bars. Grant support from the

University's Fund for Innovation in Teaching and Learning helped support the purchase of the grab bars. It also provided support to the Accessibility Awareness project of education and action that F@H implemented in April, with University student/staff collaboration. These projects will continue throughout the year.

F@H continues to offer transportation, home visits and information, phone calls, and help with tasks, as needed. People of all ages are invited to join Folks at Home as members,

vendors, volunteers, and as advisors and board or committee members. Folks at Home is developed for and dedicated to assisting its members in continuing a dignified and comfortable lifestyle in their homes through services they need or require during elder or retirement years. For information contact Kathleen O'Donohue, director of Folks at Home, Brooks Hall, Otey Memorial Parish, P.O. Box 291, Sewanee, TN 37375; 598-0303; or visit <folksathomesewanee@gmail.com>.

Reserve July 23 for MSSA's Cottage Tour and Bazaar

The Monteagle Sunday School Assembly (MSSA) Woman's Association will be holding the 47th Annual Cottage Tour & Bazaar on Friday, July 23. This year there will be five historic cottages on view, located within the Assembly's grounds in Monteagle, as well as the auditorium and gymnasium built in 1883. Tours will take place from 11 a.m. to 4 p.m. Bazaar shopping, food pavilion and the bake sale will take place inside the historic gymnasium and the adjacent tennis court. Hours for the bazaar are 9 a.m.-4 p.m.

The bazaar will feature many

well-known merchants and a few newcomers displaying their fine arts and crafts. The bake sale will include delicious home-baked treats. Tickets can be purchased the day of the tour for \$15 at the North Gate of the Assembly.

This annual fund-raising event helps provide financial support of area nonprofit organizations, such as local women's shelters, schools and volunteer fire departments, as well as the restoration of historic properties inside the Assembly.

For information visit <www.mssa1882.org>.

July 8 "Lunch and Learn" Addresses Hospice Care

The Academy for Lifelong Learning at St. Mary's Sewanee is pleased to announce that Lane Mathis Price, M.D., will be the speaker for the July "Lunch and Learn" program, to be held Thursday, July 8, at noon. Her topic will be "One Solution to the Health Care Mess: Hospice."

According to Price, hospice "offers an opportunity for patients and their families to determine what type of medical care they want in the event of terminal illness. Hospice is not about dying, but about living life to its fullest. Hospice care looks at quality of life, rather than quantity of life."

Price is medical director of the Willson Hospice House in Albany, Ga., which serves 11 counties in the southwest region. This facility, which opened in May, is the new home for the Albany Community Hospice. Price is board-certified in radiation oncology and also by the American Board of Hospice and Palliative Medicine. She is a fellow of the American College of Radiation Oncology.

She received her medical degree from the Medical College of Georgia, and has a Ph.D. in science education and physical chemistry from the University of Georgia. She previously was on the staff of the Decatur Oncology Center and the Hospice of the Valley in Decatur. She has a home in the Monteagle Sunday School Assembly.

The "Lunch and Learn" monthly series provides opportunities for lifelong learning for local residents and visitors in a beautiful bluff setting at St. Mary's Sewanee. This is the series' first year, which will continue through August. Plans are already underway for the second season, to begin September 2010 and continue through August 2011. Annual dues are \$10, and more than 130 people have paid dues for this year's program season.

A boxed lunch may be purchased for \$10. Lunch reservations for the July program are due by Friday, July 2. E-mail <stmaryssewanee@bell-south.net> or call Vanessa or Hadley at 598-5342. Reservations are not required to attend the lecture, and participants may bring their own lunches. For information call Anne Davis (924-4465) or Elaine Goleski (924-3227).

Cannon County Exhibit on Southern Soil

The Arts Center of Cannon County and the Cannon Cultural Museum announce an exhibition, "The Good Earth: Southern Soil as Inspiration and Provider," on display through spring 2011. This exhibit examines the role of soil in the creation of art works and in the evolution of culture.

Admission to "The Good Earth" is free. The museum is open 10 a.m.-4 p.m., Monday-Saturday. The Arts Center is located at 1424 John Bragg

Hwy., west of Woodbury. For more information call (800) 235-9073 or see <www.artscenterofcc.com>.

Winchester Fireworks!

The City of Winchester will hold a fireworks display on July 4, beginning at dark on Tims Ford Lake. Fireworks will be launched from Adventure Mountain.

"Works of the South Cumberland" on View July 8-21

Locals Gallery in Sewanee will host "Works of the South Cumberland," an exhibit by five artists, July 8-21. The subjects of the works are landscapes, plants and animals painted at South Cumberland State Park. An opening reception will be held on Thursday, July 8, 4-6 p.m. Musical entertainment will be provided by an ensemble from the Sewanee Summer Music Festival.

The artists are Sewanee resident Jim Ann Howard, Chattanooga Janis Wilkey, and Nashvillians Margy Brooks, Susan McGrew and Irene Wills. All have a deep appreciation for the beauty of the park and its im-

mense ecological importance.

Howard's works from the Fiery Gizzard were shown at the Zeitgeist Gallery in Nashville in 2000. Wilkey's "Watershed: Prime Elements," focusing on the South Cumberland, was featured in Chattanooga's In-Town Gallery for the month of February 2010. McGrew's "Fiery Gizzard Series" was exhibited this past winter at the Parthenon in Nashville.

Locals Gallery, located at 49 University Ave., is open Tuesday-Saturday, 11 a.m.-5 p.m. For information call 598-0400.

Family Fun Night Welcomes Abe Lincoln

The Franklin County Library will hold a Family Fun Night on Thursday, July 1, from 6-8 p.m. Parents and children will hear readings from John Mayes, an Abe Lincoln impersonator, who will be the star of the evening. Mayes will read "Abe Lincoln Crosses a Creek" by Deborah Hopkinson and John Hendrix, and will give the Gettysburg Address. Some of the children may wish to participate in an Abe Lincoln costume contest for which a prize will be given for best costume.

The Franklin County Library is located at 105 South Porter St., Winchester. For information call 967-3706.

River Gallery Opens “Sensation” with Artists’ Reception July 2

The River Gallery in Chattanooga opens the “Sensation” exhibit on July 1 and continues until July 31. There will be a reception with the featured artists on Friday, July 2, from 6:30 to 8 p.m. in the gallery’s location at 400 E. Second St.

“Sensation” depicts the landscape painting of Tatiana Hill, John Kelley and Kelly Jean Ohl. Hill adds her unique element to landscape painting with her spatial depth and glazing techniques. Drawing inspiration from her everyday surroundings, Hill captures the alluring and calming essence of her environment. Kelley strives to produce joy in his colorful and energetic landscapes. One can almost feel the wind moving across his canvas. Ohl uses texture to draw people to her work. In her decorative and functional ceramic work, she uses a technique called “mark making” in which she presses common household items into clay to produce lively and interesting patterns and shapes.

The River Gallery is open to the public at no charge Monday–Saturday, 10 a.m.–5 p.m. and Sunday, 1–5 p.m. and by appointment. For information call (423) 265-5033 or visit <www.river-gallery.com>.

Beans Creek Winery Offers Live Music

Beans Creek Winery offers Music on the Lawn on Saturday evenings, July 10 and 31. Enjoy music as you share food and wine with your friends. Live music begins at 7 to 9 p.m., featuring Tim Bogle next Saturday and Uncle Tom’s Band on July 31. Musicians are invited to share their talents during open microphone, 6–7 p.m.

Visitors are invited to bring lawn chairs or a blanket and a picnic. There will be wine and cheese and crackers available for purchase. No other alcohol is allowed on the premises.

Beans Creek Winery is located at 426 Ragsdale Rd., Manchester. For information call (931) 723-2294 or visit <www.beanscreekwinery.com>.

Senior Center Closed July 5

The Sewanee Senior Citizens’ Center, located at 55 Ball Park Rd., will be closed on Monday, July 5, reopening at 9 a.m. on Tuesday, July 6.

TINTINNABULATION

by John Bordley

At 1 p.m. on Saturday, I will play a concert of patriotic music. Then on Sunday, Sam Hammond, university carillonneur at Duke University, will make his annual appearance and play a concert at 4:45 p.m. as part of the Sewanee Summer Carillon Series. For both performances the new video system should be working, allowing people on the ground to observe the carillonneur playing in the tower.

Tours of the tower will take place, weather permitting, at 11:30 a.m. and 12 p.m. on Saturday and following the Sunday afternoon concert. For the Saturday tours there will be sign-up sheets at the sandwich board sign at the southwest corner of the chapel. Tours are limited to 10 people. Additional times for tours following the parade are possible if there is a demand.

What does one see and learn on the tower tour? On the way up the 124 steps, there are frequent stops to observe the eight large bells, to learn about the history of the tower and to understand the mechanism that allows a depressed key (baton) at the keyboard (clavier) to result in the clapper of a bell striking the bell and producing a sound. At the playing cabin, one can see the upper 48 bells and the clavier itself. A walk around the parapet on the outside of the tower allows visitors to observe the surrounding area. There are great views of the Domain, the valley towards Cowan and Winchester (if the sky is not too hazy!), Lost Cove and of course, the campus buildings.

The large eastern white pine next to the tower is being featured this week. As part of an article to appear in the Sewanee Magazine this fall, I had my picture taken with this tree this past Thursday. The tree and its siblings in Manigault Park and at SAS grew from N.C. seeds that were raised in a nursery in Germany and planted about 1910, the year that the chapel was built. In a photograph taken by Edith McCrady in 1958, one can see that the pine tree in question was, at about half of its current age, half of its current height! The view of the tree from the parapet is quite a bit different from the view of the tree at the ground.

Artisan Depot Features Cardwell

Sewanee resident Sherry Cardwell will be displaying her photography at The Artisan Depot, the gallery of the Franklin County Arts Guild, through August 31. A reception for the artist will be held on Friday, July 9, from 5 to 7 p.m.

Caldwell, a native of Franklin County and a 1976 graduate of Franklin County High School, has been a photography buff since she

was a teenager. In 2000, one of her photographs was published in the International Library of Photography. She is a member of the Franklin County Arts Guild and will be a student at the University of the South this fall.

The Artisan Depot is located at 201 Cumberland St., East, in Cowan. For information call (931) 636-0169.

Sewanee Community Council Passes Two Resolutions

At the June 28 meeting, the Sewanee Community Council passed a resolution honoring Vice Chancellor Joel Cunningham, who has presided over more than 100 Community Council meetings. The resolution also expressed gratitude to Cunningham and his wife, Trudy, for their dedication and service to the Sewanee community. Cunningham's tenure as vice chancellor ends with the summer term. This was the final Community Council meeting with Cunningham presiding. (The Community Council does not meet in July.)

Lyle Lorren addressed the council about noise from trucks equipped with Jacobs brakes, also called Jake brakes. A Jacobs brake is a compression braking mechanism installed on some diesel engines as a supplemental means of slowing the vehicle. The use of compression release engine brakes causes the vehicle to make a loud chattering or machine-gunlike noise. Lorren lives on Maple Lane, just off Sherwood Road, and is frequently awakened in the middle of the night by Sherwood Mining Company and Franklin Industrial Minerals (FIM) trucks using Jacobs brakes. Loren contacted FIM manager Randy Downing about the noise, and, initially, Downing informed him that he could not do anything about the problem since the drivers owned the trucks and were private contractors. However, after Lorren

filed a sheriff's report, the trucks stopped using the Jacobs brakes in the middle of the night. According to Lorren, some municipalities ban the use of Jacobs brakes, and he appealed to the council to make Sewanee a "Jake-brake-free zone."

Cunningham pointed out the Council was an advisory body, not a governing body, and that Sewanee was not a municipality. Cunningham questioned the council's authority to put in place a rule that would hold up under state traffic laws. Council representative John Flynn suggested the council pass a resolution in support of prohibiting compression braking on the Domain. Police Chief Robert White noted that the supplemental braking system was needed for heavily loaded trucks on and approaching steep downgrades. The council passed an amended resolution in support of prohibiting compression braking on the Domain except in circumstances where such braking is determined to be essential for public safety. The resolution will be sent to the county mayor and both county commissioners for the Sewanee area.

Council representative Annie Armour announced that Tinsley Group, the corporation seeking to locate a quarry in the Greenhaw community, had approached the City of Monteagle about annexing the property proposed for the quarry site. In 2009, the Franklin County Commission turned down Tinsley's request to locate a quarry in Greenhaw. Subsequently,

Tinsley approached Winchester, Decherd and Estill Springs about annexing the property, hoping to gain approval for the quarry with the property subject to the authority of a different jurisdiction. All three municipalities decided against annexation.

At a recent meeting, the Monteagle Planning Commission turned the annexation proposal down, Armour said, but there was support for annexation among some city officials, and the annexation proposal would likely be brought before the Monteagle City Council. According to Domain Manager Nate Wilson, Tinsley threatened to sue if the proposal was not brought before the full council for a vote. The city attorney has proposed convening a public meeting and letting the citizens determine the annexation question. In the event of annexation, connecting Monteagle to the Greenhaw property would be accomplished by a one-foot-wide strip of land running along Highway 41A for 17 miles. Wilson said the next Monteagle City Council meeting was Tuesday, July 27, beginning with a workshop at 4 p.m.

At the February meeting, the Sewanee Community Council appointed Armour and former Domain Manager Richard Winslow to monitor Tinsley's efforts to locate a quarry in Greenhaw, in view of the proposed site's close proximity to the Domain (approximately one-and-a-half miles). Wilson has now assumed that responsibility, along with Armour. Wilson is researching the possibility that rezoning the property to industrial for the quarry could increase the likelihood that land bordering the Domain would be rezoned as industrial. Cunningham said that the council could hold a special called meeting during the summer, if necessary, to address the quarry annexation proposal.

Sewanee Leaseholders Association President Stephen Burnett announced that he was working with two other association members to compile a list of issues detailing leaseholders' concerns. Burnett said that he wanted to present the list at the August Sewanee Community Council meeting and that he recommended the council establish a committee to critique the issues brought to the council's attention.

The council set meeting dates for the 2010-11 calendar year. The council will meet on the fourth Tuesday of each month, with exceptions in the following months as noted: no meeting in July and December; January 18 (third Tuesday); May 16 (third Monday); June 13 (second Monday).

The next meeting of the Sewanee Community Council is scheduled for 7 p.m., Monday, August 23, in the Sewanee Senior Citizens' Center. All community council meetings are open to the public.

Calling All Gardeners!

Any and all persons interested in gardening or receiving gardening assistance are invited to participate in projects this summer organized through the University Outreach Office. Community individuals, groups, families and children are welcome.

Volunteers are building raised garden beds for vegetables and flowers at the Sewanee Senior Center, located at 5 Ball Park Rd., on Tuesdays and Thursdays from 10:30 a.m. to 12 p.m. Gardeners can participate in the Sewanee students' organic garden, located on Old Farm Rd., on Fridays, Saturdays and Sundays from 5 p.m. to sunset. Volunteers will care for the square-foot gardens at Monteagle Elementary School on Wednesday afternoons during the summer. Volunteers are invited to help with raised bed gardening at the Bridge nursing facility in Monteagle on Wednesdays at 10:30 a.m.

Volunteers will offer gardening assistance to Folks at Home, Community Action Committee, Housing Sewanee and others requesting help. Trips to local farms and gardens will be organized to learn from others.

Persons interested in any of these projects are asked to call the University Outreach Office at 598-3201 or e-mail Deanna at <wolfodl0@sewaneedu>.

Fireworks Safety on the Fourth

The State Fire Marshal's Office reminds Tennesseans while fireworks are a traditional part of Fourth of July celebrations, many people are seriously injured each year by their careless use.

If consumer fireworks are legal where you live and you decide to set them off on your own, be sure to follow these important safety tips:

- Never allow children to handle or ignite fireworks.
- Read and follow all warnings and instructions.
- Be sure other people are out of range before lighting fireworks.
- Only light fireworks on a smooth, flat surface away from homes, dry leaves and flammable materials.
- Never try to relight fireworks that have not fully functioned.
- Keep a bucket of water and a garden hose nearby in case of a malfunction or fire.
- Sparklers, like matches and lighters, are not toys. They cause hundreds of injuries every year. Sparklers can reach temperatures as high as 1,200° F, and they stay hot long after they have burned out. You wouldn't hand a matchbook or lighter to a child to wave around or play with, so do not give a child a sparkler.

Fireworks can cause serious burns and eye injuries. A 2007 law prevents children under 16 from purchasing fireworks; and those who are age 16 or 17 must present a photo ID to purchase them.

Party for Paws July 10

Party for Paws will be the best party of the year—a party and silent auction to benefit the Franklin County Humane Society and their shelter, Animal Harbor.

The party will be held on Saturday, July 10, 6–8 p.m. in the Antebellum Inn, 974 Lynchburg Rd., Winchester.

Enjoy delicious appetizers, wines, beers and soft drinks, and the chance to bid on a selection of works by local artists and artisans, antiques, memorabilia, and other goods and services, as well as enjoying good company for a good cause.

Tickets are \$30 each, or bring a friend and pay \$50 for two.

Tickets are available from Animal Care Center (967-6345), Town and Country Veterinary Hospital (967-3666), Franklin County United Bank (968-3282), Citizens Community Bank (967-3342), Bubbles and Bows (967-9397), Animal Harbor (962-4472), Carolyn Maher (962-9750), Andie Pate (308-8752), Cecelia Brodior (967-2065), Sue Ridyard (<sridyard@sewaneedu> or 598-9260), Pat Thompson (<pthompson313@gmail.com> or 598-1657), and Susan Rupert (<srupert@sewaneedu> or 967-8903).

Bryan and Coe to Speak at Tennessee Antiquarian Book Fair

Calling all book lovers! The 2010 Tennessee Antiquarian Book Fair will take place on Saturday and Sunday, July 17–18, in Cowan. One \$5 general admission ticket will allow access to both days of the fair and all the lectures.

The Saturday and Sunday afternoon lectures will be given in the theatre of the Cowan Center for the Arts, located one block from Monterey Station. Sales of books, speakers' book signings and receptions will be held in Monterey Station.

On Sunday afternoon two of Sewanee's finest authors, David B. Coe and Christopher Bryan, will speak at 1 p.m. and 2 p.m., respectively.

Booksellers, collectors and bookworms will converge to buy and sell antiquarian and other types of books and to enjoy lectures by authors and scholars on a variety of topics. Nearly 50 booksellers from 12 states are expected to participate in the fair.

Schedule of Speakers

On Saturday, July 17, three lectures will be given. From 1 to 1:50 p.m., Edwin W. Brown will tell true stories about "Collecting the Works of C. S. Lewis." Author of "In Pursuit of C. S. Lewis" and "Around the World in Eighty Years," Brown is the world's foremost collector of C. S. Lewis. He has assembled the finest private collection of Lewis's first editions, manuscripts, letters and ephemera.

From 2 to 2:50 p.m., Michael R. Bradley will share interesting details about "The Civil War in Middle Tennessee." He is the author of several books, including "Tullahoma: The 1863 Campaign," "With Blood and Fire: Behind Union Lines in Middle Tennessee" and "It Happened in the Civil War."

From 3 to 3:50 p.m., Larry and Saralee Woods will lecture on "Book Collecting 101." They own and operate the BookMan/BookWoman used bookstore near Vanderbilt University. The Woods have a personal collection of more than 100,000 books, not including books in their store. Larry reviews books for several newspapers and television.

On Sunday, July 18, from 1 to 1:50 p.m., David B. Coe will reveal a few of his techniques on "Conflict and Character Development in Works of Fantasy." A prolific writer, he specializes in fantasy and science fiction. Coe's series include "The LonTobyn Chronicle," "Winds of the Forelands" and "Blood of the Southlands." He

wrote the novelization of the film "Robin Hood," directed by Ridley Scott and starring Russell Crowe and Cate Blanchett.

From 2 to 2:50 p.m., the Rev. Christopher Bryan will speak on "The Authority of the Bible for the Church Today." Books authored by Bryan are "And God Spoke: The Authority of the Bible for the Church Today," "Render to Caesar: Jesus, the Early Church" and "The Roman Superpower." He

has written biblical commentaries on the Gospel of Mark and the Letter to the Romans. Bryan is visiting professor of New Testament and C.K. Benedict Professor of New Testament emeritus at the University's School of Theology.

For more information contact Tom McGee, Tennessee Antiquarian Booksellers' Association, (931) 636-5752 or (615) 330-3812; <tom@tennaba.org>; or <www.tennaba.org>.

Annual Butterfly Census Results

Sewanee's 14th Annual Butterfly Census, held on Sunday, June 27, was a tremendous success. Observers identified 32 different species of butterfly and 314 individual butterflies. Once again, this year's census shows that Sewanee continues to support a diverse and vibrant butterfly population.

The census, led by associate professor of biology David Haskell and local author David B. Coe, encompassed most of the Sewanee area. Counters started the day at Lake Cheston and made stops at several sites, including the horse farm, Memorial Cross, the rails-to-trails bike path, Abbo's Alley, Green's View, Lake O'Donnell and the St. Andrew's-Sewanee campus. In all, the counters logged nearly 20 miles by car and more than seven on foot.

The 32 species seen during the

census was the third highest total in the count's history, while the 314 individual butterflies was the second highest total for any Sewanee census. "We've seen more species before, and more individual butterflies before, but the combination today was fantastic. This might have been our best count ever," said Coe.

Highlights of the day included a Giant Swallowtail, a very large, chocolate brown butterfly, that is boldly patterned with yellow markings. Counters also observed more than a dozen Red-spotted Purples, colorful members of the Admiral family, and nearly one hundred Silver-spotted Skippers.

Locally Grown Food

Sewanee has two great markets offering locally grown produce and flowers: the Sewanee Gardeners' Market, open each Saturday from 8 to 10 a.m. at the corner of Hawkins Lane and US 41A; and the Cumberland Farmer's Market that takes orders online at <sewanee.locallygrown.net> for Tuesday pickup at the Sewanee Community Center.

University Book Store Hours

Summer hours at the University of the South Book and Supply Store are Monday–Wednesday, 7:30 a.m.–6 p.m.; Thursday and Friday, 7:30 a.m.–7 p.m.; Saturday, 9:30 a.m.–7 p.m.; and Sunday, noon–6 p.m.

Petition Circulating for Bike Lane on Jump-Off Road

Most area residents know that Jump-Off Road is a long route with no shoulders. Traffic moves fast. Bicyclists on the road are in danger and in some spots can actually cause danger.

Highway 156 is a state-designated "Bike Route". A request has been submitted to the Tennessee Department of Transportation (TDOT) to create a bike lane along Jump-Off Road (Highway 156) that would travel from the Mountain Goat Trail at the St. Andrew's-Sewanee School intersection to the Franklin/Marion State Forest.

TDOT says there is a lot of competition for funds for these projects. The task is to prove great public support for adding a wide shoulder to the road to make it safe for bikes and

pedestrians to use the road. A petition has been created and is circulating to show the area residents' support for the creation of a bike lane or a wide shoulder on Highway 156.

Jump-Off coordinators are urging residents to consider signing the petition to show support for making Jump-Off Road safe for bicyclists. Copies of the petition are available at Julia's on University Ave., Woody's Bike Shop, the Sewanee Community Center and Sewanee Family Medical Practice. There will some copies in the Cumberland Center for Justice and Peace booth at the Fourth of July celebration in the park.

For information contact Joan Thomas at 598-0535 or <jkthomas@usit.net>.

MISSION STATEMENT: To use our collective strengths and expertise, along with the highest quality materials available, for customer renovations, additions, drainage and rainwater needs in a safe and positive environment, being ever mindful of our impact on our community and our world.

WHO WE ARE: Our team includes Joseph and Alyssa Sumpter and five dedicated and experienced employees, who are ready to tackle projects of any size.

10 STRENGTHS:

- Most work is done by our own crew, made up of folks you will trust having in your house. We have carefully chosen each member of our team and each sub-contractor.
- We love remodeling and additions, and these are our specialties.
- Safety is always paramount on our sites for our crew, our customers, and guests to the site. We are O.S.H.A. certified and covered by workers compensation insurance. We are trained in first aid and CPR. We don't sign insurance waivers.
- Job-sites are kept neat and clean. We don't smoke. We don't leave trash in your house.
- We are sensitive to mold and mildew concerns.
- We give careful attention to low-maintenance and high-quality finishes.
- We are highly experienced at restoring and recreating historic trim and details with on-site milling options.
- We are experts at insulating and air-sealing challenging buildings.
- We also specialize in drainage and rainwater collection systems.
- We are certified by the National Association of Home Builders as Certified Green Professionals. We can be as green as the customer wishes.

School Scoop

CCJP Accepting Applications for Camp Anytown

The Cumberland for Center for Justice and Peace (CCJP) is seeking delegates to attend Camp Anytown—a weeklong human relations and leadership program for high school students. CCJP funds Camp Anytown delegates through its Dora Turner Scholarship, established in honor of the Franklin County civil rights activist and long-time CCJP member. CCJP's first Dora Turner Scholar was Andrea Taylor from Sewanee.

Students who attend the residential camp in White Bluff, Tenn., will gain awareness about stereotypes and discrimination, while examining their own identities and experiences. They will gain skills in leadership, conflict negotiations, communications and the importance of advocacy.

All application materials must be returned no later than July 16. Camp Anytown will take place Aug. 2–7 at Hillmont Camp in White Bluff, Tenn. There are still seven openings for students from the Middle Ten-

nessee area. Contact Philip Lorenz III at <pjlorenz@bellsouth.net> for the application forms, all of which are available via e-mail, or call him at 967-0967 for additional information.

Sewanee Graduates Seven Local Students

The following local students were awarded degrees during the University of the South's 2010 commencement ceremonies held in All Saints' Chapel on May 16:

Logan Neil Ray of Estill Springs, son of Marcia Louise Luther and John Everett Ray, B.A. with major in history; Chelsey Nicole Barry of Monteagle, daughter of Denise and James R. Barry, B.A. with major in economics; Nelson Beckett Berry of Monteagle, son of Eve and Thomas Edward Settles, B.A. with major in classical languages; Bruce Anthony Frommeyer of Monteagle, son of June and Bruce Frommeyer, B.A. with major in economics;

Lawrence Vaughn Thomas Coffey of Sewanee, son of the Rev. Nancee Martin-Coffey and Michael Coffey, B.A. with major in international and global studies with honors; James Michael Forster of Sewanee, son of Gayle and Jerry Forster, B.A. with major in economics; and Jacob Oliver Harper of Sewanee, son of Knowles and Bill Harper, B.A. with major in history.

Cowan Community School July Schedule

Jarod Pearson will lecture on "Hotel and Resort History," Sunday, July 25, at 5 p.m., in the theater of the Cowan Center for the Arts. Come hear about the various hotels and resorts in Franklin County that were built starting in the early 1900s. This lecture is free and open to the public.

The following classes will be held in the Training Center adjoining the Center for the Arts, located at 303 Montgomery St., Cowan.

Clogging, taught by Virginia Sawyer and Ashlie Wells, begins on Monday, July 12. The beginners' class, 5–6 p.m., is for children and adults who want to learn the eight basic steps of clogging. The intermediate class, 6–8 p.m., is for children and adults who know the basic steps and would like to become more advanced. Both classes are ongoing with new students joining every month. The class fee is \$20 for four weeks of classes, to be paid at registration. For more information call Sawyer at 967-7519.

Oil Painting like the Masters, instructed by Jennifer Redstreak Geary, starts on Wednesday, July 7, 2–4 p.m. This is a fun, easy class for those who want to learn oil painting techniques and for students who have taken the beginner class. Redstreak Geary will teach how one painting by a master artist, such as Rembrandt or Vermeer, can be recreated. Come to the first class with a suggestion for a painting the class could reproduce. Classes will meet on four Wednesdays for two hours. Storage for wet work-in-progress is available, but not for students' supplies. The class fee is \$50, to be paid with registration. To request a supply list or more information,

tion, e-mail <redstreak@mac.com> or call (931) 636-9898.

Individuals interested in teaching classes may call 962-2356. For more information about classes and events held in the Cowan Center for the Arts and Training Center, see <www.cowancenterforthearts.org>.

UT Extension Offers Small Business College

The University of Tennessee Extension in Grundy County will offer a Small Business College curriculum open to current small business owners, farmers and producers, and those individuals wishing to start a small business in Grundy County and the surrounding area, according to Creig C. Kimbro, UT Extension Agent.

The Small Business College will begin on Tuesday, July 27, continuing on Tuesday and Thursday evenings, and concluding with graduation on Tuesday, Aug. 24.

Each session will last two hours, from 6 to 8 p.m., addressing such aspects as starting up, taxes, financing, using computers and software packages, marketing, customer relations and accounting. Sessions will be taught by professionals. Location for the course is the Community Center in Coalmont.

There is a one-time registration fee of \$50 per participant, which includes the classes, a notebook of all session topics, and a light meal each evening. Price reductions may be available for partnerships. Participants are encouraged to attend all class sessions. Registration deadline is Thursday, July 22. Space is limited to 25 participants.

Grant funds from the USDA Rural Development and the Southern Region Risk Management Education Center were obtained for this year's Small Business College in order to secure the best educational program possible. Local sponsors will also be asked to support the program.

Interested participants who wish to obtain a schedule of the session topics or an application should contact the UT Extension Office at (931) 592-3971.

The University of Tennessee Extension Service offers its programs to all eligible persons regardless of race, color, national origin, sex, age, disability, religion or veteran status, and is an Equal Opportunity Employer.

Sewanee Receives Sustainability Grant for Energy Management, Interns

A new grant from the Jessie Ball duPont Fund will provide resources for some of the University of the South's sustainability efforts, from student-faculty research to community outreach to managing University energy use.

The grant is expected to fund five student interns for the next three summers, who will collaborate with faculty members on sustainability research projects. The new funding will also provide for energy management software that will allow more sophisticated analysis of, increased efficiency in, and communication about the University's use of energy. Grant funds will support community action around sustainability, as well, with increased outreach opportunities for Sewanee's Environmental Residents.

At the end of the three-year grant period, the University will host a "virtual conference," a webinar for sharing the results and experiences with other colleges and universities.

SSMF Presents from page 1 ...

are welcomed back to Sewanee in their first chamber performances of the festival's season. They join Lin He and Paul York to perform Mozart's tuneful Flute Quartet in D Major. Also on Wednesday's program are Carl Nielsen's playful Woodwind Quintet, featuring George, Joseph Salvalaggio, John Marco, Hunter Thomas and David Brockett. Closing the evening is the first of Schumann's three piano trios, featuring Eli Matthews, Natasha Farny and Gary Hammond.

Looking ahead, on Friday, July 9, will be a very special benefit performance by Marc O'Connor, America's foremost multi-genre violinist and composer. O'Connor will also be leading a three-day workshop for SSMF students. The concert will benefit the festival scholarship fund; tickets are \$25.

Tickets for all other concerts are \$10, available online at <musicfestival.sewanee.edu> and at the door 30 minutes before the start of each concert. Season tickets and other packages are also available online.

Sports Scoreboard

Volleyball Camp July 5-9

SAS Summer at St. Andrew's-Sewanee School concludes with Volleyball Camp July 5-9. The camp is for girls and boys in grades three to eight.

The philosophy of the camp is to build a solid foundation of the fundamentals of volleyball for each player,

along with an emphasis on teamwork. The players work on fundamentals in stations each day, focusing on the basic volleyball skills of passing, digging, serving, setting and hitting. The campers will use these skills in game situations and live play.

The camp is directed by SAS varsity coach Rob Zeitler and will meet from 9 a.m. to noon daily. The camp fee is \$85. For more information and registration information go to <www.sasweb.org/summer>, call 968-0198, or e-mail coach Rob Zeitler at <rzeitler@sasweb.org>.

Fowler Center Pool Hours

Now through July 31, the Fowler Center pool will be open Monday-Friday: 12-1 p.m., lap swim only; 1-5 p.m., limited lap lanes; 5-6 p.m., classes (limited lap lanes); 6-7 p.m., open swim; Saturday and Sunday: 2-6 p.m., open swim. The pool will be closed all day on Saturday and Sunday, July 3-4, and Saturday, July 17. On Friday, July 16, the pool will close at 4 p.m.

Those without a regular membership may use the Fowler Center, including the pool, for the daily rate of \$7. Summer memberships beginning now through Aug. 1, are \$150 for individuals and \$200 for families. For information call 598-1323.

No Gymnastics Classes July 3

Mountaintop Tumblers, which meets on Thursdays and Saturdays at the Sewanee Community Center, will not hold classes on Saturday, July 3.

Nature Notes

Black Bear Sighting in Jump-Off

On June 22, Linda Peters phoned Harry and Jean Yeatman to report that a Black Bear was walking around under the Peters' deck. Jean and Harry drove over to the house, which is only a few hundred feet from the Yeatmans' home. Linda reported that it had ambled over to the Wintons' house next door, but apparently it had gone into Lost Cove. Bears have shown up several times off Jump-Off Road. They wander into Tennessee from northern Alabama. A few years ago a mother bear and two cubs were seen in the fields off Sherwood Road. They do not pose a problem here, but apparently knocked down the long metal pole holding a bird feeder in the Yeatmans' side yard! It was badly bent. Be on the lookout for these animals. They are interesting visitors here and avoid humans.

Roy Millar reports on June 29: "We woke this morning around 5:30 a.m. and found this bear in our yard (pictured below, left), eating the black-oil sunflower seeds from our two bird feeders. We live on Ravens Den Road and were really surprised by this sighting of a black bear. I called the Marion County Sheriff's Department and they had several reports from various residences and said the bear was looking for companionship. Needless to say my bird feeders are totally destroyed. The bear stayed about 45 minutes and finally wandered on down the mountain toward Battle Creek, I believe."

F.C. Humane Society Pets of the Week

Meet Tybalt & Jade

The Franklin County Humane Society's Animal Harbor offers these two delightful pets for adoption.

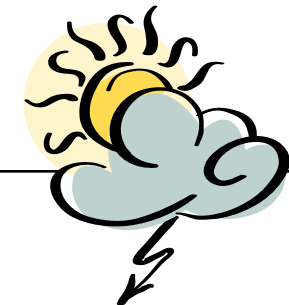

Tybalt is an adorable Beagle-mix puppy with big, brown eyes. Cute and sweet, this bundle of love has a golden coat and contagious puppy energy. Tybalt is up to date on shots and neutered.

Lovely Jade is a Brown Tabby with jade-colored eyes. Her kittens are grown up now, so she is ready for a nice, quiet home. Jade is negative for FeLV and FIV, house-trained, up to date on shots and spayed.

Call Animal Harbor at 962-4472 for information and check out their other pets at <www.animalharbor.com>.

Please help the Humane Society continue to save abandoned pets by sending your donations to the Franklin County Humane Society, P. O. Box 187, Winchester, TN 37398.

Sewanee Herbarium Summer Events

The Sewanee Herbarium has scheduled the following events this summer. They are free and open to the public.

Nature Journaling Opportunity, beginning at 9 a.m. on Thursdays in June and July, will be led by Mary Priestley. She has been practicing nature journaling for nearly 10 years. Opportunities for conversation about nature journaling will be given, and books on the subject will be available to peruse, but this is not a workshop. Rather, it is an invitation to set aside any or all Thursday mornings in June and July for nature journaling. Meet at the gazebo in Abbo's Alley. Bring a notebook (preferably small and unlined), a pen or pencil and something to sit on, if you wish.

A Lake Cheston Stroll on Tuesday, July 6, at 4 p.m. will be led by Jean and Harry Yeatman. Come take a walk around Lake Cheston with these eminent Sewanee naturalists and see what can be found—wetland and aquatic plants, meadow plants, trees and shrubs and perhaps some bird-watching. Meet at the Lake Cheston pavilion for this easy, one-hour walk. Bring hats and insect repellent, if desired, though the insects usually are not a problem.

For more information on these events contact Mary Priestley at <marypriestley@bellsouth.net>. Directions are available on the Herbarium website, <lal.sewanee.edu/herbarium>, under Calendar of Events.

State Park Offerings

Friday, July 2

SAVAGE FALLS SUNSET/NIGHT HIKE—Meet seasonal ranger Aaron at the Savage Gulf Ranger Station at 8 p.m. for a moderate 4-mile hike to see beautiful Savage Falls. Experience the difference between night and day at the park. Bring water and possibly a snack, bug repellent, a head lamp or flashlight and wear sturdy shoes.

Saturday, July 3

HORSEPOUND/SUTER FALLS HIKE—Meet seasonal ranger Aaron at the Collins West parking lot at 1:30 p.m. for a rigorous 6-mile hike to beautiful Horsepound and Suter Falls. This is a tough hike so bring plenty of water, a snack and wear sturdy shoes. Don't forget your camera!

CELEBRATE INDEPENDENCE DAY AT STONE DOOR—Kids and parents, come to the Stone Door ranger station at 2 p.m. for some holiday craft fun. Make your own American flag or patriotic ribbon to decorate your home for Independence Day.

Sunday, July 4

STONE DOOR TRAIL HIKE—Join Ashlie at Stone Door ranger station at 9 a.m. to learn about Tennessee native trees and wildflowers and soak up some incredible scenery. This is an easy family-friendly, 2-mile hike, so bring the kids, water and a snack.

Tuesday, July 6

GRUNDY LAKES COKE OVENS—Take a walk on the trail and learn about the history of the coke ovens. Meet at 10 a.m. at Grundy Lakes beach. For directions call the Visitors' Center.

For more information on these and other programs offered by South Cumberland State Park, call (931) 924-2980 or visit the website at <www.friendsofscsra.org/activities.htm>.

The Visitors' Center is located on Highway 41 South between Monteagle and Tracy City and is open seven days a week, 8 a.m.–4:30 p.m.

From Bard to Verse

by Scott and Phoebe Bates

Fourth of July Parade, July 3

Loudly let the trumpet bray,
Tantantara, tantatara!
Proudly bang the sounding brasses,
Tantantara, tantatara!
As upon its lordly way
This unique procession passes.
Tantantara, tantatara! Tzing, boom!
Bow, bow, ye lower middle classes!
Bow, bow, ye tradesmen, bow, ye masses!
We are Peers of highest station,
Paragons of legislation,
Pillars of the British nation.
Tantantara, tantatara! Tzing, boom!
Tzing, boom! Tzing, boom!
Tzing, boom!

—from “Iolanthe”
by Gilbert and Sullivan
