Five members of Sewanee Boy Scout Troop 14 recently earned Eagle Scout, Scouting's highest rank. From left: Eli Wilson (Monteagle), Mac Croom (Sewanee), Calem Knight (Sewanee), Eli Thompson (Belvidere), and Jon Wert (Decherd). Only 6 percent of Scouts attain this prestigious honor that requires years of commitment and culminates with the completion of an Eagle Scout service project. A ceremony and reception honoring these scouts was recently held at Lake Cheston Pavilion in Sewanee. Troop 14 is chartered by St. Andrew's-Sewanee School.

New Highway Signs and Trailhead Names Mark the Way to SCSP Trailheads

More than 70 new highway signs and a more logical naming system for South Cumberland State Park (SCSP) trailheads are part of an effort to help Park visitors more easily find their way around the Park. "This new naming system is more logical and geographically-based," said SCSP Manager George Shinn. "It will make it much easier for visitors to quickly grasp where our trailheads are, in relation to each other, and in which part of the park each trailhead is located."

"The Friends' website has been completely updated to reflect the new names," he said. "The Tennessee State Parks website has also posted a new trailhead map, which also includes the park's most popular features and highlights, listed below each of the new trailhead names."

A free copy of the new map, which includes the new trailhead names, lists the major natural features accessible from each trailhead, driving directions to each trailhead and other useful information, is also available as a free download from the Downloadable Maps page of the Friends' website <<https://www.friendsofsouthcumberland.org/downloadable-maps.html>>.

New signs guide visitors around the South Cumberland State Park.

Kickoff Picnic Aug. 23

The University of the South is hosting a Kickoff Picnic at 4:30 p.m., Tuesday, Aug. 23, at the Quad. This event is for students, faculty, staff and community members. Families are also invited. There will be music, activities and dinner will be provided. McClurg Dining Hall will be closed for dinner service.

Public Invited to Contribute to Special Places Project

South Cumberland Community Fund invites the public to contribute to the Special Places Project celebrating the special places on the Cumberland Plateau by attending a community conversation on Aug. 30 at Roundhouse Park in Tracy City. The 2022 project will be the creation of a mural, designed by artist Andee Rudloff, and co-created with people on the Plateau.

From Aug. 29-31, Rudloff will be in the area visiting schools and conducting listening sessions on the topic, "What Makes the Plateau Special." In addition to working with students at several area schools, Rudloff will meet with the combined Rotary clubs of Grundy County and Monteagle-Sewanee at 11:30 a.m., Tuesday, Aug. 30. On that same day at 6 p.m., she will hold a listening session for the general public in Old Roundhouse Park in Tracy City, which is where the mural will be installed. That event is co-hosted with the South Cumberland Tourism Board. The rain location is Grundy Heritage Center.

From Sept. 22-24, Rudloff will be back on the Plateau to paint the mural, with the help of many hands. Everyone is invited to be part of the mural painting, with the schedule to be announced in September. The board and staff of SCCF invite all who live on the Plateau to be a part of the special project for a special place.

On Oct. 22, the mural is to be unveiled at the Round the Mountain Fest.

The presentation will be in-person at St. Mary's Convent from 9-10 a.m., Saturday Aug. 27. To register online, go to <<https://www.communityofstmarysouth.org>>.

SUD Discusses Highway Reimbursement

by Leslie Lytle, Messenger Staff Writer

At the Aug. 16 meeting of the Sewanee Utility District Board of Commissioners, SUD Manager Ben Beavers reported on SUD's final cost for the U.S. Highway 41A project, prompting a discussion about requesting reimbursement from the University. The board revisited SUD's request for American Recovery Plan (ARP) funds from the Tennessee Department of Environment and Conservation.

In conjunction with narrowing Highway 41A to accommodate University plans for the downtown, the Tennessee Department of Transportation (TDOT) required SUD to put money in escrow to cover water and sewer line relocation costs. TDOT has billed SUD for \$209,000, Beavers said, and SUD's out-of-pocket expenses for engineering and inspection will bring the total to a quarter million.

In a 2020 verbal agreement negotiated by Beavers and SUD Board President Charlie Smith with University Treasurer Doug Williams and Frank Gladu, who at the time oversaw downtown planning, the University committed to help SUD pay for relocating the water and sewer lines.

"We're hoping to get 80 percent [of the cost reimbursed]," asked commissioner Donnie McBee. "We are," Beavers said. Beavers suggested a letter from Smith to University Treasurer Williams reminding him of the commitment. The board will collaborate on the letter.

In a recent conversation with a Southeast Tennessee Development District lawyer, Beavers confirmed separate pools of TDEC administered ARP grant money were available to counties and cities. Beavers also learned the money could not be used for maintenance items. SUD has already purchased all the items on its ARP grant list, except for replacing water plant membrane filters, a maintenance item. SUD will work with the Tennessee Association of Utility Districts to modify its application and request replacing 10,000 feet of water line with cast iron fittings, which by law SUD must undertake in the next few years. Beavers estimated the cost at \$500,000-\$700,000. "I'll ask for replacement of all the line, but we may need to settle for investigation and design costs ... I don't expect we'll get any less than \$200,000-\$300,000." Of the \$3.2 million available to Franklin County, the county has already committed \$1.2 million.

SUD accountant Don Mills presented the 2021 audit. The audit contained no negative findings. "You made a nice rebound," Mills said. "In 2020 you lost money. You can't do that two years in a row or the utility review board will get on us." In 2021 SUD reported a net positive change of almost \$78,000. Beavers commented the difference was due almost entirely to lost revenue in 2020 because of the pandemic and students not being on campus.

Community Chest Applications Available

Since 1908, the Sewanee Civic Association and its precursors have believed in the power of area citizens to help sustain community projects and programs. Through these associations, the community has funded many worthwhile endeavors.

Since 1942, the Sewanee Civic Association (SCA) has organized the Community Chest, which has raised more than \$1 million in the last decade for local organizations.

Sponsored by the SCA, the Sewanee Community Chest (SCC) is pleased to announce the beginning of the 2022–23 grant cycle. All nonprofits that benefit the community are encouraged to apply.

The 2022–23 funding application can be downloaded from the website at <<https://forms.gle/fxGNMW2cgSv7DsVx6>>. The application deadline is Friday, Sept. 16, 2022. Grant funds will be distributed starting April 2023, contingent on funding availability.

This year, organizations can apply online with this form <<https://forms.gle/fxGNMW2cgSv7DsVx6>>. It does require you to have a Gmail email account.

The SCC is a nonprofit organization and relies on funding from the community in order to support charitable programs throughout the greater Sewanee area. As the 2022–23 grant cycle begins, the SCC is also kicking off its yearly fundraising campaign.

The SCA urges everyone who benefits from life in this community, whether you live, work, or visit, to give generously. Donations are tax deductible. Contributions, payroll deductions and pledges are accepted at any time at P.O. Box 99, Sewanee, TN 37375. You can also make a donation through PayPal Giving.

Centering Prayer: A Tradition at St. Mary's Sewanee

You don't have to be religious to practice Centering Prayer. St. Mary's Sewanee has a long tradition of hosting and sponsoring Centering Prayer events. Guests recently completed an eight-day commitment to silence and the Centering Prayer practice in August. A weekend Advent retreat is scheduled for Dec. 9–11 this season. Another eight-day retreat is open for registration in the New Year Jan. 6–13, 2023.

Centering Prayer is a receptive method of Christian silent prayer that prepares us to receive the gift of contemplative prayer. In this prayer we experience God's presence and action within us, closer than breathing, closer than thinking, closer than consciousness itself.

If you are new to the practice and want to find out more before signing up for a longer retreat, you may consider registering for the workshop on Sept. 10, "Introduction to Centering Prayer." Lunch is included.

Registration for all these events is open through our website at <www.stmaryssewanee.org>, or you can call Reservations at (931) 598-5342 or email <Reservations@stmaryssewanee.org>.

Community Bike Riding Opportunities

For girls and women, the Sewanee GoGirls MTB rides are regularly scheduled on the first and third Sundays of every month, starting at 3 p.m. from the Lake Cheston parking lot. Rides are accessible for anyone with basic trail experience, with adjustments for age, duration, and skill level as appropriate. Mountain bikes are recommended for all trail rides.

For families, new riders, and anyone interested in biking a short distance with social time afterwards at a local restaurant, there is a monthly Community Bike Ride on the paved Trail Mountain Goat Trail (MGT) every first Saturday of the month starting at 4 p.m. from Hawkins Lane in Sewanee. This is a great ride for younger children and families. Riders who prefer biking on dirt trails also have the option of riding a short MGT section before exiting and riding to Lake Dimmick and back, then joining in social hour afterwards.

VISTA Associates: A Summer of Service

From left to right, 2022 Summer Associate VISTAs: Thad Warren, Maryam Sibley, Sophia Patterson, Lyberti Bradley, Julia McClain, Josh Bryant, Katy Mae Elder, Grace Pettis, Augusta Spessard, Sarah Paredes, Bryn Lefrenz, Julianne Purves. Not pictured: Emily Senefeld

VISTA Summer Associates with the South Cumberland Plateau VISTA Project (SCPVP) were busy this year. Throughout the past eight weeks, they have distributed meals, volunteered with nonprofits and governmental service agencies, built community infrastructure, and developed and deployed youth programming across the Plateau. SCPVP, physically headquartered at the University of the South, is jointly sponsored by AmeriCorps VISTA, University of the South Office of Civic Engagement (OCE), and South Cumberland Community Fund. SCPVP works with its sponsors to provide paid stipends, coordination, support, and other benefits to AmeriCorps VISTA volunteers in service. SCPVP efforts are centered on food security, education, economic opportunity, and healthy futures.

The primary duty for VISTA Summer Associates this summer was to assist in the deployment of hunger relief efforts through the South Cumberland Summer Meal Program (SMP), which is operated by the South Cumberland Plateau VISTA Project in partnership with McClurg Dining Hall. McClurg Dining and SCPVP worked in tandem this past June and July to deploy the Summer Food Service Program (SFSP), distributing more than 6,642 free meals to area

youth. SFSP is a federally funded, state-administered program. SFSP reimburses program operators who serve free healthy meals and snacks to children and teens in low-income areas. SFSP/SMP efforts are umbrellaed under and sponsored by University of the South; this year's working team is particularly grateful for the support and good faith of the University administrators Nancy Berner, Acting Vice-Chancellor and Scott Wilson, Acting Provost.

Across the South Cumberland Plateau, participants in town hall meetings and community conversations often cite transportation as a primary challenge for low-income families seeking services. The months leading up to summer 2022 brought forward a sharp increase in fuel prices and prominently displayed the decrease in housing for low-income families that began around the 2020 pandemic. These factors guided SMP in planning 2022 SFSP Summer Meal Sites. To lower the barrier to access for services, SMP set a goal to hold wide enough geographic coverage so that no South Cumberland Plateau family would need to drive more than 10 minutes from their home for service.

Community partners across Grundy and Franklin counties stepped up to ensure that different

areas received coverage. The 2022 Summer Meal Sites included Beersheba Springs Assembly, Camp Discover, Camp Rain, City Lights Church, Community Action Committee, Franklin County Prevention Coalition, Grace Center of Hope, Grundy County UT-TSU Extension, Grundy Safe Communities Coalition, Highland Community Church, Mountain T.O.P., RISE UP! Grundy, Tracy City Library, University Child Care Center, Palmer Community Center, and Pelham United Methodist Church. A special thanks to Tower Community Bank in Monteagle and Grundy County UT-TSU Extension in Coalmont for providing off-site training facilities for meal sites leading up to the summer season.

Managing the 2022 Summer Meal Program was not without challenge. After two years of a pandemic-related grab-n-go model, Congress voted to return SFSP program operations to what's referred to as a "congregate meal setting," where youth are asked to consume their meal on site. Per program guidelines, engagement opportunities for youth were a required component of providing meal service — something which was available at some meal sites, but not all. To minimize the effect this requirement had on the availability of SFSP to residents, SMP worked with as many Summer Meal Sites as possible to implement youth activities in local areas without immediate programming resources, emphasizing participation with those in traditionally underserved locales. VISTA Summer Associates worked directly alongside these partners to plan, provide, and support engaging programming for youth, including arts and crafts, movement activities, cultural lessons, literacy activities, nature-based engagement, and more.

With COVID again becoming a concern in mid- and late June, SMP found that some participant families had reduced access to sites because of external healthcare employer requirements, growing medical concerns, and other reasons. Through the advocacy of organizations like No Kid Hungry and TN Department of Human Services, Congress moved to make COVID waivers available to operating SFSP programs on July 1. Coupled with quick action from university administrators, these waivers enabled SMP to re-implement the grab-n-go model, which allowed the SMP to add additional meal distribution sites for areas that still needed service coverage, and which allowed programs to manage streamlined operations with fewer personnel.

Throughout both pre-waiver and post-waiver portions of the summer, employees at McClurg Dining Hall worked every day to plan and package out individual meals for youth in Grundy County that meet USDA and Federal Nutrition Service standards. Additionally, McClurg staff managed bulk purchasing, delivery, and food safety logistics on meals, and met volunteers each morning for distribution pickup. SMP would like to give a special thanks to McClurg employees Brent Tate, Dana Moss, and Kristy Nix, who provided key support for volunteers and meal preparation.

Varying SCPVP team members, including VISTA for Hunger Relief Maggie Willis and Office of Civic Engagement staff members Stephanie Colchado Kelley (SCP-VISTA Coordinator), Ashley Cheaves (SCP-AmeriCorps Program Director), and Katie Goforth (Community Development Director)

provided ongoing administration, organizational, and significant personnel support for SMP throughout the summer. This included the recruiting and deployment of 13 VISTA Summer Associate members and managing partnerships with 16 total SMP/SFPS Summer Meal Sites. SCPVP team members facilitated training on topics such as food safety, working with minors, SFSP guidelines and regulations, the importance and implementation of Civil Rights, equity, and equality practices, coordination of administrative and financial elements, necessary monitoring, evaluation, reporting, and more. Daily, the SCPVP team worked to schedule personnel and manage food delivery routes and logistics to ensure maximum impact for meal services.

A "Summer Meal Program Communications Team" comprised of VISTA for Hunger Relief Maggie Willis (team lead), VISTA Summer Associates Julia McClain (photography lead), Sarah Paredes (graphics content lead), and University of the South Office of Civic Engagement work-study student Noah Shively (general VISTA volunteer support), helped to keep the public informed about the Summer Meal Program services.

In addition to their volunteerism with the Summer Meal Program, SCPVP also utilized the unique skills and backgrounds of VISTA Summer Associates to provide both indirect and direct service for a number of community partner activities throughout the eight-week summer term. Some of the activities the VISTA Summer Associates assisted with, led by community partners, included growing and harvesting food for community food distribution, digital archiving of hard-copy land deed records, planning and facilitation of community focus groups, researching historical locations for a project that utilizes the National Registry of Historic Places, reading to children, caring for dogs up for adoption, researching native plant uses for long-term food access projects, educating youth and adults on culinary applications for garden-grown food, distributing school supplies and health resources during the Grundy County Back to School Bash, developing for an oral history project, and more.

Community infrastructure projects that VISTA volunteers banded together to help implement included trail maintenance, clean up, and tornado damage remediation at area parks under the direction of the South Cumberland State Park system; the painting of Coalmont Elementary teachers' lounge, auditorium/cafeteria, and library alongside staff members at the school; and the creation of a community garden to serve Beersheba Springs, under the guidance of Growing Roots and Beersheba Springs Assembly.

SCPVP also provided general administrative support to the Old-Time Music Day Program, sponsored by The Caverns and South Cumberland Community Fund. The music program, deployed at two of the 2022 Summer Meal Sites, provided area youth the opportunity to learn music and instruments that are rooted in the Appalachian tradition. The initiative was organized by Grundy County music teacher Ben Ayers and engaged two additional individuals in planning and instruction, Altamont fiddler Bob Townsend and Nashville musician Michael Klug.

SCPVP encourages members of the public to engage with these partner organizations, which op-

erate with missions that strive to increase the quality of life on the Plateau. If you are interested in any of the activities performed by VISTA Summer Associates, please email the VISTA program at vista@sewanee.edu to be introduced to the volunteer organizers at our partner sites.

Individuals aged 18 and up may be considered for volunteer service through AmeriCorps VISTA. Summer program recruitment efforts begin in March and extend through late April; the term lasts for eight weeks in June and July. Full Year service terms with bi-weekly stipends are available for qualified service candidates. If you are interested in engaging in a year of service, please contact SCPVP VISTA Coordinator Stephanie Colchado Kelley at snkelley@sewanee.edu.

'Stay Healthy and Strong' at University Art Gallery

The University Art Gallery is delighted to present Nathalie Miebach's "Stay Healthy and Strong."

Beginning with numbers, Miebach tells stories. Meteorological data from extreme weather events, data about Covid-19 deaths and infection rates, and anecdotal information from news reports and social media are painstakingly translated into delicate, complex, colorful objects and musical scores.

Miebach's work asks us to consider the representation and interpretation of data. It makes overwhelming events intimate and personal, and asks us to connect numbers with experience.

Climate change and its devastating impact on communities, Covid-19 and our distance from our loved ones are made visible. Aesthetics is used to further the understanding of complex scientific systems.

"Stay Healthy and Strong" is on view in the University Art Gallery from Aug. 24 through Oct. 9.

Please join us! Miebach will present her work in conversation in Guerry Auditorium at 5 p.m., Wednesday, Sept. 14, 2022. Reception to follow.

Miebach's exhibition and campus visit have been made possible with the support of Art, Art History and Visual Studies, Music, SIPE, and the University Lectures Committee.

2022 White Oak Craft Fair

Come spend an early fall day in the country at the 32nd annual White Oak Craft Fair scheduled from 9 a.m. to 5 p.m. on Saturday, Sept. 10, and 10 a.m. to 4 p.m. on Sunday, Sept. 11. The White Oak Craft Fair returns for its 32nd year, offering something of interest for everybody who delights in items and products that are individually designed and hand crafted. See artists and craft vendors display their beautiful and unique wares along the banks of the East Fork Stones River just down from the Arts Center of Cannon County. Top craft artisans from throughout the region will offer for sale their original textiles, jewelry, woodcarving, metalwork, pottery, rocking chairs, baskets, ironwork, stained glass and much more.

The White Oak Craft Fair will present an enormous variety of work, all of which is chosen for its excellence and integrity by a highly respected selection panel. In an age when mass production makes so many things widely available, the White Oak Craft Fair celebrates the inspiration and skill of the individual maker and creates an opportunity to appreciate uniqueness. Although a high percentage of the participants in the show are typically perennial favorites, new exhibitors join the show each year, so there is always something fresh for visitors to look forward to. Continuing this year is a "Children's Tent" sponsored by Fast Pace Urgent Care that will offer free children's activities including balloon animals on Saturday, coloring, face painting temporary tattoos, and free "make and take" crafts. There will also be craft artist presentations throughout the fair showing our youngest patrons how crafts are made.

This year the fair will again include a special exhibit in Cannon Hall featuring master basket maker Sue Williams who was awarded the Tennessee Governor's Folklife Heritage Award, Tennessee's highest honor in the arts. Basket weaving is one of the oldest art forms from gathering and preparing the materials to patiently weaving them together into a functional and beautiful design. This is a not-to-be missed opportunity to watch a master basket-maker at work.

Admission to the fair is free with a \$3 donation for supervised parking benefiting the Cannon County High School's Cross Country Team and The Arts Center. Make your plans now to visit the White Oak Craft Fair and be sure that you give yourself plenty of time, because you will not want to miss all that this year's fair has to offer. The White Oak Craft Fair is sponsored in part by White Oak Tennessee, The Arts Center of Cannon County, The Tennessee Arts Commission, Fast Pace Urgent Care, and realtor Gregory Goff. The fair will be at The Arts Center of Cannon County, 1424 John Bragg Hwy., just west of the town of Woodbury, approximately 20 minutes from Murfreesboro, Manchester, and McMinnville, and one hour southeast of Nashville. For additional information call (615) 563-2787 or go to <whiteoaktn.org>.

Football Unveils 2022 Schedule

Announced by head coach Travis Rundle, the 128th season of football at the University of the South has been released. 10 games are on the docket, with six coming inside historic Hardee-McGee Field at Harris Stadium. Four of the first five weeks will see the Purple and White stay on the Domain.

The 2022 campaign will open with the Tigers hosting The College of St. Scholastica (Minn.) on Sept. 3. It will also be Hall of Fame Weekend for the Class of 2022. This will be the first-ever meeting for the football program and the 104th opponent Sewanee has faced in its storied history.

From a new opponent to one of our regulars as Washington and Lee (Va.) makes the trek to the Domain on Sept. 10 for a noon kickoff. The Purple Tigers will look to clinch their first win against the Generals since 2014, when Sewanee edged W&L, 21-19, at home.

Westminster (Mo.) makes a second straight trip to Sewanee for Family Weekend on Sept. 17. The Tigers will be seeking revenge on the Blue Jays after falling late, 30-29, last season.

Following a bye week, the Purple and White conclude their four-game homestand with the Southern Athletic Association (SAA) opener with Millsaps College on Oct. 1.

After four straight weeks on the Domain, the Tigers will hit the road for the next two weeks as they take on Centre and Hendrix on Oct. 8 and 15, respectively.

The Purple Tigers return home for a contest under the lights as Birmingham-Southern makes the trek to the Domain on Oct. 22. Kickoff is slated for 6 p.m. The Panthers, who earned an at-large bid to the NCAA Championships, is ranked 25th in the preseason <D3football.com> poll.

The 68th edition of the Orgill Cup will take place in Memphis, as the Tigers take on the Lynx in Rhodes College on Oct. 29.

Sewanee's home finale will take place on Nov. 5 for Homecoming versus Berry College. Kickoff is slated for 1:30 p.m.

The regular season concludes with the battle of the Tigers, as Sewanee heads to San Antonio to take on defending SAA Champion Trinity (Texas) on Nov. 12. Trinity is ranked ninth in the preseason <D3football.com> poll.

Volleyball Finalizes 2022 Schedule

Announced by head coach Nancy Mueller, the University of the South volleyball program opens its 48th year of volleyball on the Domain on Sept. 2. The Tigers will play 25 matches during the 2022 campaign, with nine scheduled inside Juhan Gymnasium.

The Tigers will spike into the new season with the Maryville College Labor Day Invitational on Sept. 2-3. Over the weekend, the Purple and White will face Mount Aloysius (Pa.), Maryville (Tenn.) and Washington and Lee (Va.).

Sewanee will have an early season test with WLU, as the Generals are coming off an Old Dominion Athletic Conference (ODAC) Tournament Championship and a first-round appearance in the NCAA Championships.

Sewanee's home opener will occur on Wednesday, Sept. 7, as they host the Mississippi University for Women.

The Tigers hit the road again for the second weekend of the season, Sept. 9-10, as they head to Lexington, Ky., for the Transylvania Invitational. Sewanee will take on Dubuque (Iowa), St. Benedict (Minn.), Chicago (Ill.) and Illinois College.

Sewanee's opponent in Chicago will be against a Maroons team that finished 25th in last year American Volleyball Coaches Association (AVCA) Division III Poll. Finishing with a 17-10 record and a third-place finish at the University Athletic Association (UAA) Championships, UChicago qualified as an at-large for the NCAA Championships a year ago.

The Tigers return to Domain for a three-match homestand with Covenant (Ga.) on Sept. 14 for a 6 p.m. first serve. Over Family Weekend, Sept. 17-18, Southern Athletic Association (SAA) play begins as Berry and Oglethorpe are first on the slate.

Berry, who is the defending SAA Tournament Champions, advanced to the quarterfinals of the NCAA Championships after winning the Atlanta Regional. The Vikings finished seventh at the end of the 2021 AVCA National Poll.

Following Family Weekend, Sewanee will head to Danville, Ky., for a midweek match with Centre on Sept. 21 before returning home Sept. 24-25 to battle Hendrix and Rhodes for Alumni Weekend.

The first half of the SAA schedule concludes on Oct. 1-2 at Millsaps and Birmingham-Southern.

The weekend of Oct. 7-8 will be a game changer for the program. After heading to Berry on Oct. 7, Sewanee will play a doubleheader in Atlanta the next day. The Tigers will take on Oglethorpe at noon ET / 11 a.m. CT and then will head to Emory on Oct. 8 for a 6 p.m. ET / 5 p.m. CT first serve.

The Eagles, who finished as a finalist in the 2021 UAA Championships, hosted the Atlanta Regional of the NCAA Championships last year. Finishing 13th in the final AVCA Poll from a year ago, Emory fell to Berry in the third round at home in straight sets.

The Purple and White return home on Oct. 15-16 for matches with Birmingham-Southern and Millsaps before heading back on the road for matches with Hendrix (Oct. 21) and Rhodes (Oct. 22).

Senior Night will take place during Sewanee's home finale on Wednesday, Oct. 26 versus Centre for a 5:30 p.m. first serve.

The regular season concludes with a non-conference match at Covenant (Ga.) on Friday, Oct. 28.

The 2022 SAA Tournament will take place from Nov. 4-6 at the site of the regular season champion.

Women's Soccer 2022 Schedule Includes Seven Home Games

The University of the South's Women's soccer team announced their 2022 schedule, which includes 17 games total, and seven games on the mountain.

The season starts in September with a three game homestand when Covenant comes to open the season on the Sept. 1, and then Mount St. Joseph and Adrian come to town for the Sewanee soccer tournament on the Sept. 3 and 4. The Roanoke Invitational in Salem, Va., is next up for the Tigers, as they take on Lynchburg and Roanoke on Sept. 10 and 11. Following that, the Tigers travel to Maryville on Sept. 13 to start a quick three game road stretch. A trip to Atlanta is next to face nationally ranked Emory on Sept. 16, and they wrap up this road stretch in Montgomery, Ala., on Sept. 21, with a clash against Huntington. The Tigers wrap up the month at home against Berry to open SAA play on the Sept. 24.

October opens with a trip back to Atlanta on the Oct. 1 to take on Oglethorpe, which opens a five game road stretch. Oct. 4 is a road trip back to Alabama to take on Belhaven in Hoover in a midweek matchup. The Tigers are in Conway, Ark., to take on Hendrix on Oct. 7, and shortly after head to Memphis to take on Rhodes on Oct. 9. A match against Berea in Kentucky wraps up the road slate for the Tigers on Oct. 11. Birmingham Southern and Millsaps come to town on the Oct. 14 and 16 for a weekend of SAA play. The season wraps up on the Oct. 22 when Centre comes to the Mountain.

Sewanee Youth Soccer Registration Open

Sewanee Youth Soccer registration is open for ages 3+ groups, Lil Kickers through U12. Cost: Lil Kickers, \$65 per player, U6+, \$75 per player (uniform included in registration cost). Register online at <<https://www.fcsoccer.org/>> or contact <georgiahewitt@gmail.com>.

Games are on Saturdays, beginning on Sept. 10. The games will be at the Sewanee Ballfield on Ball Park Road.

As we build our plateau-based program, Sewanee Youth Soccer will be using the academy soccer model that allows players to participate without following the rules of team formation. Players will gather for practices and game day by age group, rather than team, to play small sided games. Players will get more touches on the ball and by having a variety of different groupings during practices and intramural games the kids get to enjoy playing soccer with all of their friends. Little Kickers, U6, U8, U10, and U12 age groups are available in Sewanee. Depending on enrollment, some age groups may combine. Best practices for health and safety will be followed.

NATURENOTES

by Jean Yeatman

Warblers and Tanagers

"The fall bird migration is in full swing," Jean Yeatman reports, "and the trees along my bluff are full of those difficult-to-identify fall warblers. They are losing their bright summer colors and changing into duller traveling feathers for their trip south for the winter. One that is easy to identify is the Black and White Warbler, with its black and white stripes. A male Scarlet Tanager flew up, in its changing feathers, the greenish feathers gradually replacing the red ones. The black wings are retained. By the time the Tanagers reach their winter quarters in South America, they are covered in greenish feathers, and the people down there wonder why we think they are so beautiful."

In memory of Jean Yeatman, who died on Aug. 20, 2015. From the Aug. 29, 2014 issue.

State Park Alert

Foster Falls Septic Line Construction

Construction on the septic lines at Foster Falls began on Aug. 15, 2022. Heavy machinery will be working in both the campground and around the day use parking area. Three campsites, (17, 18, and 19) have been closed down, as they are directly adjacent to where the work is happening. Campers in the Foster Falls campground during the next two weeks will experience noise from these machines during the day. Thank you for your patience while these improvements are implemented.

Greeter Falls Staircase Volunteer Opportunity

Join South Cumberland State Park and the Friends of South Cumberland in our ongoing project to build a brand new staircase and trail at the Savage West (Greeter Falls) area of Savage Gulf State Natural Area. This event will involve working with park staff and Friends group members to move building materials and supplies to the future sight of a brand new staircase and trail. This will be a physically demanding event, moving lumber, rebar, and other heavy construction materials to the work site. Volunteers will need to wear sturdy boots/shoes, gloves, and work/weather appropriate clothing. Be sure to bring plenty of water and food for the day. This event will begin at 9 a.m., Saturday, Sept. 17, at the Savage West (Greeter Falls) parking lot, where park staff will orient and go over the day's event.

Locally grown vegetables, fruits, flowers and plants, plus home-baked and home-canned items!

Saturday, Aug. 20

All-Day Guided Hike (\$5)—Meet Seasonal Interpreter JD Dickerson at 7:45 a.m. at Stone Door Ranger Station, 1183 Stone Door Rd., Beersheba Springs, for an all-day, intermediate 10-to-12-mile roundtrip (depending on time) guided hike at the north side of South Cumberland State Park. Attractions you will see include but are not limited to: Stone Door, Greeter Falls (upper and lower views), Blue Hole, the old Greeter homestead, and several overlooks. You may download a detailed hiking map at the link above. The main challenge is the overall distance. You will be staying on the Cumberland Plateau for the entire hike, so there will not be a great deal of elevation gain. Note: you will be treading steep areas around the falls, and these locations can be treacherous. The potential to slip and fall exists, and extreme care is needed.

Saturday, Aug. 27

Guided Waterfall Hike (\$5)—Meet Seasonal Interpreter JD Dickerson at 8:45 a.m. at Collins West Trailhead, 2689 55th Ave., Gruetli-Laager, for an approximately 5-mile intermediate level hike which will last a good part of the day. You will see Suter Falls and Horsepound Falls. Bring all needed gear — backpack, packed lunch, additional snacks, plenty of water, sturdy shoes suitable for hiking, and any other desired items. The main challenge is the trek back from Horsepound Falls, which is down in the Gulf, so there will be some elevation gain on the return trip. Note: you will be treading steep areas around the falls, and these locations can be treacherous. The potential to slip and fall exists, and extreme care is needed.

Sunday, Aug. 28

New Moon Hike at Stone Door (\$10) (This hike is limited to the first 10 people to register; please pre-register at link above)—Meet Ranger Spencer Baxter at 7:45 p.m. at Stone Door Ranger Station, 1183 Stone Door Rd., Beersheba Springs, for an approximately 2-mile roundtrip hike to the Great Stone Door, and to experience the beauty of the evening sky over Savage Gulf. Bring your own headlamp, wear sturdy hiking boots, appropriate clothing for the weather, and bring your spirit of adventure.

The South Cumberland State Park Visitors' Center is located on U.S. Highway 41 South between Monteagle and Tracy City and is open 8 a.m. to 4:30 p.m., seven days a week. For more information call (931) 924-2980.

Sewanee Herbarium Events

The Sewanee Herbarium events are now following a seasonal schedule. Spring and summer offerings will be wildflower walks. Fall will bring various activities focused on art, and winter's events will be instructional, i.e., plant identification using field guides. Nature journaling will be an on-going, year-round offering.

Foster Falls, Saturday, Aug. 20, 9 a.m., with Mary Priestley. This has long been a favorite spot for late season wildflowers that thrive in the open sun, such as blazing star and numerous asters. Meet at the Foster Falls parking area for this one-to-two-hour easy walk in the power line right-of-way above the gorge with optional short but steep trek to the bottom of the falls and back to see some trees and ferns. Contact the South Cumberland State Park Visitors' Center for directions (931) 924-2980. Want to take a dip after the walk? Bring your suit. Foster Falls is also a wonderful place for a picnic.

Mountain Goat Trail, Satur-

day, Aug. 27, 9 a.m., with Yolande Gottfried. The Mountain Goat Trail is a paved walking/biking trail following an old railroad bed. We will walk a short section of it to spot late summer wildflowers. Meet in the parking lot of the Franklin County/Sewanee Airport at 262 Airport Road.

Nature Journaling: A group meets for nature journaling Thursdays from 9-11 a.m. Come try it out and stick with it if you like. Bring an unlined journal (or a few sheets of unlined paper) and a pen or pencil. No experience needed. For more information email <mpriestley0150@gmail.com>.

Wear appropriate shoes on all of these walks. Risks involved in hiking include physical exertion, rough terrain, forces of nature, and other hazards not present in everyday life. Picking flowers and digging plants are prohibited in all of the above-mentioned natural areas.

For more information on these or other Sewanee Herbarium events, please get in touch with Yolande Gottfried by email at <ygottfri@sewanee.edu>.

Axel

Dobby

MARC's Mountain Adoptables

Meet Axel & Dobby

Axel is a gray tabby and such a cutie! He is friendly, loving, and loyal. Axel never seems to be in a bad mood. He gives lots of kisses and will pet his human. His foster mom says "Axel is a sweetheart." Axel is around 4.5-5 months old, neutered, up-to-date on his vaccines and preventatives, and is negative for feline leukemia and AIDS. Although he was originally not sure about people, Axel is now a little lover. Don't wait. Meet Axel and see for yourself.

Dobby may be a MinPin/Kelpie mix and is a bundle of fun! He is around 2 years old, very sweet and full of energy. His favorite past times are cuddling in your lap or running and playing with one of his buddies. Dobby is intrigued by cats at the vet office but does not show hostility. He is working on potty training and will want to continue manners training. He is neutered and up-to-date on vaccines and preventatives, and is heartworm-negative. Dobby would enjoy older children with whom to play but might knock over smaller children with his exuberance. If you are an active person or family and would like a new best companion willing to learn obedience skills, then check out Dobby.

If you would like to learn more about Axel or Dobby, please fill out an Adoption Application on the MARC website <www.marc4change.org> or contact Sue Scruggs at (423) 619-3845. These pets are fostering on the Sewanee-Monteagle Mountain and are easy to meet. All MARC animals ready for adoption are spayed or neutered and up-to-date on their vaccines and preventatives.

MARC is a 501(c)(3) nonprofit animal welfare organization. It is not a shelter and relies on foster homes to save animals. MARC also provides low cost and free spay/neuter procedures for animals.

FROM BARD TO VERSE

by Robin Bates

“College Commences”

Settle thy studies, Faustus, and begin
To sound the depth of that thou wilt profess:
Having commenc'd, be a divine in show,
Yet level at the end of every art,
And live and die in Aristotle's works.
Sweet Analytics, 'tis thou hast ravish'd me!...

O, what a world of profit and delight,
Of power, of honor, of omnipotence,
Is promis'd to the studious artisan!
All things that move between the quiet poles
Shall be at my command: emperors and kings
Are but obeyed in their several provinces,
Nor can they raise the wind, or rend the clouds;
But his dominion that exceeds in this,
Stretcheth as far as doth the mind of man;
A sound magician is a mighty god:
Here, Faustus, tire thy brains to gain a deity.

--Christopher Marlowe, Doctor Faustus
