Ned Murray

## Friends of South Cumberland Hire First Executive Director

Friends of South Cumberland State Parks, Inc., has hired Ned Murray as its first-ever Executive Director. “FSC is now 30 years old. As one of Tennessee’s largest Friends groups, we are now supporting multiple Tennessee State Parks in the South Cumberland Region,” noted FSC President Tom Sanders. “The challenges our parks are facing are significant, as the parks become ever more popular with visitors. Our mission, to support our park managers and their priorities, while also helping to conserve, protect and maintain these unique and environmentally significant places, requires us to strengthen our organization and increase our capacity to support these parks. Bringing Ned on board is, for us, an outstanding step forward.”

Murray, who has a life-long passion for the outdoors, has successfully led nonprofit organizations through growth, maturity, and transformation. Murray’s experience includes strategic planning, fundraising, friend-raising, communications, marketing, partnership development, governance and organizational leadership. “These are the skills necessary for Friends of South Cumberland State Parks to reach a new level of organizational maturity and resilience,” Murray explained. “My passion for this work is rooted in the beauty, wonder, and diversity of this amazing part of the world,” he added. “The South Cumberland region remains such a wonderful area thanks to many folks who have worked and fought so hard to protect, preserve, and maintain the most unique areas of this wonderfully diverse landscape.”

Murray will work with FSC committee chairs and its Board of Directors to continue implementation of its current five-year strategic plan, and to guide the process for plan updates. “We are excited to have Ned’s expertise,

## Community Chest Applications Available

The Sewanee Community Chest (SCC) is pleased to announce the beginning of the 2023–24 grant cycle. All nonprofits that benefit the community are encouraged to apply.

The 2023–24 funding application can be downloaded from the website at <https://sewaneeccivc.org>. The application deadline is Friday, Sept. 15, 2023. Approved grant funds will be distributed starting in April 2024, contingent on funding availability.

This year, organizations can also apply online with this form <https://forms.gle/LdHvUL8xTccw26yp6>. It does require you to have a Gmail email account.

The SCC is a nonprofit organization and relies on funding from the community to support charitable programs and initiatives. The SCC supports local organizations that have requested basic needs funding for quality of life, community aid, children’s programs, and those who are beyond Sewanee but still serve our entire community. With your support, the SCC will continue to provide aid where it matters most: elder care, food, books, housing, scholarships, spay/neuter programs for animals, recreational spaces and funding for the local elementary school. As the 2023–24 grant cycle begins, the SCC is also kicking off its yearly fundraising campaign.

The SCC urges everyone who benefits from life in this community, whether you live, work, or visit, to give generously. Donations are tax deductible. Contributions, payroll deductions and pledges are accepted at any time at P.O. Box 99, Sewanee, TN 37375. You can also make a gift through PayPal Giving. Go to <https://sewaneeccivc.org> for more information.

## ‘Woven Wind’ at the UAG

The University Art Gallery is delighted to present the collaborative project “Woven Wind,” on view in the UAG, and at select sites around campus through Oct. 11, 2023.

Please join us at 5 p.m., Wednesday, Sept. 20, in Guerry Auditorium for a panel discussion with the artists. Reception to follow.

“Woven Wind” brings together photography and video, sculptural installation, music, genealogical research, oral histories, and community clay workshops. It does so in order to activate archival materials, and in order to read past those materials and attend to other voices, specifically those of the enslaved and their descendants. “Woven Wind” invites us to remember together, and to work towards community and healing in the present.

The project began in 2018, when artist Vesna Pavlović joined Dr. Woody Register and his students in a critical archival investigation of the Lovell Quitman Family archive, housed in the William R. Laurie University Archives and Special Collections of the University of the South.

The Lovells were part of the Sewanee Community from 1873 to 1939. Their home, affectionately called Sunnyside, stood where Hunter Hall now stands. The family’s carefully preserved papers include photographs of their lives in Sewanee, but also documentation

of their plantations in Mississippi, and of the hundreds of enslaved people held there immediately prior to the Civil War.

Sewanee and its community are intimately tied to other places, including the Lovell plantations in Mississippi and the people once enslaved there.

The “Woven Wind” collaborative team includes photographer Vesna Pavlović, social practice artists Courtney Adair Johnson and Marlos E’van, musician Rod McGaha, community advocate Mélisande Short-Colomb, and Mississippi civil rights veteran and family history researcher Jan Hillegas.

The exhibition will feature video interviews with the Toles family, descendants of the enslaved connected to the Lovell-Quitman archive, as they consider repair and their own efforts to understand and share their family history. Idiosyncratic clay “cypress knees,” built during community workshops, stand as emblems of memory and connectedness to place. Clay knees placed outside will dissolve over time, and the daffodil bulbs underneath bloom.

The artists would like to thank the Toles family, for welcoming them and for allowing them to listen, and all those who have participated in making clay cypress knees during the Community

## Patterson and Poe to Present at the EQB Club Meeting

On Wednesday, Sept. 6, 2023, the EQB Club will welcome University of the South Professor Emeritus of History, W. Brown Patterson, who will present "The C. S. Lewis I Knew." In addition, renowned C. S. Lewis scholar, Dr. Harry Lee Poe, will join Dr. Patterson in a dialogue.

As a Rhodes Scholar from 1953-1955, Dr. Patterson studied English Language and Literature at Magdalen College, Oxford, where C.S. Lewis was a Fellow and served as Dr. Patterson's tutor. Within the Oxford tutorial tradition, these instructional periods involved just the two of them and were held once weekly for several terms. In his presentation, Dr. Patterson will connect his remembrances as a college student at the University of the South and his experience studying under C. S. Lewis at Magdalen College, Oxford.

Dr. Patterson's talk appears as "C. S. Lewis: Personal Reflections" in C.S. Lewis Remembered, edited by Harry Lee Poe and Rebecca Whitten Poe (Zondervan: Grand Rapids, Michigan, 2006).

Dr. Harry Lee Poe is the Charles Colson Professor of Faith and Culture at Union University in Jackson, Tenn., where he has taught a course on C. S. Lewis for more than 20 years. Dr. Poe has published and lectured widely on the life and writings of C. S. Lewis, both in the U.S. and abroad. With his latest publication, "The Completion of Lewis: From War to Joy (1945-1963)" (Crossway: Wheaton, Illinois, 2022), Dr. Poe has completed a trilogy on the life of C. S. Lewis. Harry Lee Poe is a descendant of Edgar Allen Poe and cousin of University of the South Professor Emeritus of French, Dr. George Poe.

Among his many and varied publications, C. S. Lewis is best known for his Christian writings during and after WWII, his children's book series, "The Chronicles of Narnia," as a preeminent literary historian and critic of Medieval and Renaissance literature, his science-fiction trilogy, and his spiritual autobiography, "Surprised by Joy."

EQB extends a warm invitation to the community to hear these two scholars. Seating is limited to 60 people.

This event will occur at 12:30 p.m., CDT, Wednesday, Sept. 6, in the Common Room at St. Mary's Retreat Center, Sewanee.

Please RSVP to Susan Peek at <susan.peek@gmail.com> by Aug. 31, 2023 if you wish to attend.

## Beerhsheba Spring Historical Society Meeting

Tree rings can tell us more than the tree's age - they can be proxies of climate and related environmental conditions where historical records are lacking. We use the term "proxies" for these natural archives, which can include formations such as stalactites and stalagmites, geologic sediments, ice-cores and even volcanic ash. While many of these proxies are restricted to specific places or regions on the landscape, trees have some advantages as much of the earth has been or is covered by forests.

Scott Torreano, Professor of Forestry (University of the South, Sewanee) will speak on results of a continuing research program in the Savage Gulf Natural Area that is providing a fascinating view into the past and helping understand what the future may hold.

This event will be 4-5 p.m., Saturday, Aug. 26, at the Grace Methodist Chapel, 56 Backbone Rd., Beersheba Springs. Visit <https://www.beershebaspring-shistoricalociety.org> for more information.

## Church News

### All Saints' Chapel

During the academic year, All Saints' Chapel resumes the normal Sunday schedule by gathering for worship at 8 a.m., 11 a.m. and 6:30 p.m. The 8 a.m. service is simple and quiet with no music, and the congregation sits in the choir stalls. The 11 a.m. service features the organ, the University Choir, and the congregation sits in the nave, the main part of the Chapel. The 6:30 p.m. service is Growing in Grace, an informal, student-led service.

### Morton Memorial United Methodist

"Now a king came to power in Egypt who didn't know Joseph" — and so begins Sunday's lectionary reading from the book of Exodus in the Hebrew Bible, our Old Testament. From that beginning we can

appreciate that only in knowing our own story can we know ourselves, and from there to lean into who we are called to be. Join us this Sunday as we journey into Egypt to better understand our calling on this mountain!

Children are welcome at Morton! A Nursery is provided for the youngest among us, and all are welcome with a special children's sermon during worship each week. This Sunday, "All God's Children" will focus on how we help one another.

To hear more, accept this invitation to worship at Morton Memorial United Methodist. The text for this Sunday's 11 a.m. service is Exodus 1:8-2:10, the story of Miriam and baby Moses. If you are unable to attend or want an idea about worship at Morton Memorial, the service will be live streamed at the Morton Memorial Facebook page

and is available during the week after that service.

in the parish hall and on the playground.

Youth Sunday School resumes on Sunday, Aug. 27, from 9:45–10:45 a.m., upstairs in Brooks Hall.

This Sunday, Aug. 27, the Parish of St. Mark & St. Paul launches its fall Sunday Forum series, which features various speakers addressing a central theme. The theme for 2023-2024 is “Creating in the Image of God.” The series will open with the Rev. Rob Lamborn, who will reflect on his recent 12-week sabbatical. He experienced both the expected and the unexpected during travels on both sides of the Atlantic, and is eager to share his growth and insights. Lamborn has been rector of the Parish of St. Mark & St. Paul (formerly Otey Memorial) since 2015, and is a 1994 graduate of the School of Theology. Sunday Forum meets at 9:45 a.m., in Kennerly Hall.

On Aug. 27 after the second service, we will enjoy our annual Welcome Picnic. The picnic is one way we welcome newcomers to the mountain, and re-engage with one another after a summer of altered schedules. Expect great food and relaxed conversation. Parish Life will be providing fried chicken, bread, tea, and lemonade. The rest will be potluck — baked beans, salads, deviled eggs, veggie sides. Pick your favorite dish and bring to share.

All elementary school-aged children are invited to join us for our new Children’s Choir. Rehearsals continue on Wednesdays at 2:45 p.m. in Kennerly Hall (with possibilities for pickup from Sewanee Elementary school at 2:30 p.m.). We will be learning foundational music skills, good techniques for young singers, and having a lot of fun praising God along the way! Please contact Meghan Mazur <mjmazur@sewanee.edu> if you would like more information, are interested in signing a child up to sing, or would like to volunteer to ensure this program’s success.

Youth Group Interest Form: This fall we will be launching the Journey to Adulthood program at St Mark St Paul. If you have a young person in grades 6-12 for the 2023-2024 school year, please fill out this Google Form, <https://forms.gle/VxsGAXYwfuNKZ-dMKA>, so that we can gauge interest and group sizes. Additionally, please share this link with anyone you know who has youth who may be interested. If you have any questions, please don’t hesitate to reach out to our youth group leader, Hilary Bogert-Winkler, at <hbwchurch@gmail.com>.

Want to join our EfM group? Education for Ministry is a 4-year theological education program that “helps the faithful encounter the breadth and depth of the Christian tradition and bring it into conversation with their experiences of the world as they study, worship, and engage in theological reflection together.” EfM meets on Monday nights during the academic year. coupled with his knowledge of our parks and their environmental significance,” noted Sanders. “Ned will be instrumental in helping us build a stronger volunteer organization by engaging with the people and organizations who care about the parks and who want to help enhance FSC’s work with their time, talents and financial support.”

“When my wife Lucy and I began a conversation about where to make our new home base, it was a short conversation. We both knew that we would settle on our beloved Cumberland Plateau. No place feels more like home. No place offers more of what we value in life. It will be incredibly rewarding to help support the Friends of South Cumberland State Parks and its people to develop greater potential to positively impact the ecological, educational, environmental, and recreational life of the community and its visitors,” Murray added.

Murray recently retired from his position after 19 years as Head of School for the Episcopal Day School in Augusta, Ga. Prior to that he was Associate Headmaster

at Baylor School in Chattanooga. In both communities he was also an active member or board member of several nonprofit organizations, including Boys and Girls Club of Chattanooga, Augusta and Chattanooga Rotary, SAIS, and the Augusta Chapter of American Red Cross. He was a founding organizer of both the Elementary Schools Research Collaborative and The Youth Board Augusta. Murray holds a Doctorate in Educational Leadership from the Virginia Theological Seminary, a Master’s Degree from UT/Chattanooga, and a Bachelor’s Degree from the University of the South.

Ned and Lucy reside in Sewanee. Lucy, an alumna of SAS and an environmental educator, is a Georgia Master Naturalist and has begun the Tennessee naturalist program offered through FSC. They have two sons, both of whom are graduates of the University of the South.

## Centering Prayer at St. Mary's Sewanee

St. Mary's Sewanee Retreat Center recently hosted one of its annual Eight Day Centering Prayer Retreats. Guests had the entire week to dedicate to the practice of silent prayer, as well as participate in Meditation in Motion, BodyWork Therapy, walking meditation, and spiritual direction with the retreat leaders. The guests enjoyed hearty, nutritious meals and snacks each day, and a special ice cream buffet on the last night together.

According to the Contemplative Outreach organization, "Centering Prayer is a method of silent prayer that prepares us to receive the gift of contemplative prayer, prayer in which we experience God's presence within us, closer than breathing, closer than thinking, closer than consciousness itself. This method of prayer is both a relationship with God and a discipline to foster that relationship."

St. Mary's Sewanee hosts weekend and extended retreats throughout the year, as well as workshops and weekly support groups. Tuesdays and Wednesdays are online support groups, and on Thursdays at 3:45 p.m., centering prayer meets in person at the retreat center.

To find out more about how you can begin your own Centering Prayer practice and join a local support group, contact <[Reservations@stmaryssewanee.org](mailto:Reservations@stmaryssewanee.org)> or (931) 598-5342. To register for the next retreat, visit our event calendar at <[www.stmaryssewanee.org](http://www.stmaryssewanee.org)>.

## New Executive Director of Education for Ministry Takes the Helm

The Rev. Kevin M. Goodman has joined the School of Theology as executive director of the Education for Ministry (EfM) program—a lay theological education program in which participants meet weekly in small mentored groups. EfM groups can be found locally, nationwide in nearly every diocese of the Episcopal Church, online, and abroad. Since its inception in 1975, more than 120,000 people have participated in the program. Learn more here: <https://efm.sewanee.edu/about>

Having served as an EfM mentor and trainer for more than thirty years, Kevin brings a deep understanding of EfM to his new role, as well as years of leadership experience in the church. Since his ordination into the priesthood in 2006, Kevin has served the Diocese of Chicago in many capacities, including serving as a street pastor to homeless youth, Associate Rector at All Saints' Ravenswood, and Associate Dean of St. James Cathedral.

"I am thrilled to be called to serve as EfM's next executive director. For nearly 50 years, EfM participants, mentors, coordinators, trainers, and staff have journeyed together, seeking a connection to God's story through concrete and tangible faith actions," said Goodman. "I cannot wait to see how we transform EfM together for the 21st century, post-COVID church."

Kevin completed his undergraduate studies in television production at Loyola University New Orleans and in 2004 earned a Masters of Divinity from General Theological Seminary. In 2012 Kevin was trained and accredited

Please join me in welcoming Kevin to the Mountain."

The University of the South comprises a nationally recognized College of Arts and Sciences, a School of Letters, and a distinguished School of Theology serving the Episcopal Church. The University of the South enrolls approximately 1,750 undergraduates and 165 seminarians in master's and doctoral programs annually. ## Community Arts & Crafts Fair and Trash & Treasures Yard Sale

Come shop for the delightful crafts made by people in our community. See what treasures you can find in the Trash and Treasures Yard Sale. The event will be from 9 a.m. to 5 p.m., Friday and Saturday, Sept. 15-16, at the Morton Memorial United Methodist Church in Monteagle.

The event is a fundraiser for Morton's missions, including the church's monthly food ministry, Isaiah 117 House, Sleep in Heavenly Peace and Monteagle Elementary School.

There will be gifts galore, plus Fall and Christmas Crafts—a great time to get some Christmas shopping done. And a chance to find a treasure among your neighbors' down-sizing cast offs. There will also be some food to eat while you browse and some frozen food to take home with you for dinner.

If you want to participate with your own crafts and/or treasures, contact Carol Bennett at (931) 315-9871 for details and to sign up. Deadline to reserve a space is Sept. 1.

## 'Garrison Keillor Tonight' in The Caverns on Sept. 17

Garrison Keillor has been entertaining audiences for more than 50 years, notably with the radio show he created, "Prairie Home Companion," which ran from 1974 to 2016. But on Sept. 17, the author and radio personality will add a new milestone to his career by performing inside a cave for the very first time. Keillor will bring his latest show, "Garrison Keillor Tonight," to The Caverns, a world-famous cave venue located in Grundy County.

Garrison Keillor Tonight is an evening of stand-up, storytelling, audience song, and poetry. One man, one microphone. There are sung sonnets, limericks and musical jokes, and the thread that runs through it is the beauty of growing old — and what better setting to underscore the passage of time than inside a natural Tennessee cave that took millions of years to form?

During the subterranean show, guests will hear news from Lake Wobegon, the fictional Minnesota town Keillor created, booming with new entrepreneurs, makers of artisanal firewood and gourmet meatloaf, breeders of composting worms, and dogs trained to do childcare. But some things endure, such as the formation of the Living Flag on Main Street, citizens in tight formation wearing red, white or blue caps, and Mr. Keillor among them, standing close to old neighbors, Myrtle Krebsbach ("Truckstop") and Julie Christensen ("Bruno, The Fishing Dog") and Clint Bunsen. And an a cappella sing-along with the audience singing from memory an odd medley of patriotic songs, pop standards, hymns, and ending with the national anthem.

Reserved seating, yurt and VIP packages, and camping passes for "Garrison Keillor Tonight" in The Caverns are on sale at <https://www.thecaverns.com/event/garrison-keillor-tonight-in-the-caverns>. With limited seating available, guests are encouraged to secure their tickets early.

Located in Grundy County, The Caverns is a world-renowned destination known for live music in beautiful natural settings, the Emmy-winning PBS television series The Caverns Sessions, and a magical cave system for different skill levels of exploration. Inside The Caverns subterranean venue, guests to "The Greatest Show Under Earth" revel in the prehistoric venue's natural acoustics and otherworldly beauty. The outdoor amphitheater sits at the foot of the Cumberland Plateau with the rolling Tennessee hills as a backdrop. Whether underground or above ground, live music at The Caverns is a bucket list experience that keeps fans coming back time and again. On-site camping available after most shows. Daily guided walking tours and adventure cave tours of The Caverns cave system offered 7 days a week. Go to <https://www.thecaverns.com> for more information.

# 'FESTIVAL' by Josiah Golson at the Carlos Gallery

The Carlos Gallery in the Visual Art Building at the University of the South is pleased to present "FESTIVAL," an installation by artist Josiah Golson. The exhibit will be on display through Oct. 13. An artist talk and reception will be at 5 p.m., Monday, Sept. 18.

Josiah Golson explores personal and collective narratives of identity and advocacy through drawing, painting, poetry, performance, and video. He is the creator of 800 Collective, an organization that creatively inspires and organizes civic discourse and engagement.

"FESTIVAL" is a work of poetry, installation, and performance through which Golson explores identity and belonging in his relationship with popular music and its imagery. Through visual and textual narrative contextualized in the space of a teenage music lover's bedroom, Golson shares his experience of negotiating the complexity of influence and seeking authenticity amid the power structures of popular culture.

In "FESTIVAL," Golson reimagines his teenage bedroom as a space of world-building with the iconography of popular music. Through the assemblage and collage of photos sourced from magazines, posters, and pop music media, he designs "stages" or scenes inspired by the "genre" or styles of music associated with the subjects. Over time, Golson revisits, reconstructs, and removes images to transform the layered and evolving scene, as the bedroom endures as a space for conjuring and constructing identity and community. As he releases the mass-produced images of his "heroes," these icons populate the floor and are replaced with photos, markings, and materials that reflect his authentic experiences and world, the music no less present.

The installation is documented in an Artist's Book that contains poems for each of the 12 "stages" of the bedroom.

Josiah Golson is the founder of 800 Collective, and the Programs Director at Stove Works in Chattanooga, Tennessee. Golson received his B.A. in Communication from the University of Tennessee at Chattanooga and his law degree from the University of Texas School of Law in Austin. Developing his artistic practice while studying law, Golson expanded his projects from individual works to collaborative workshops and projects inspired by civic themes. Golson has taught and facilitated workshops at the Harvard Graduate School of Education, the Curb Center at Vanderbilt University, and Project Row Houses in the Third Ward of Houston, Texas.

Carlos Gallery in the Visual Art Building is located at 105 Kennerly Rd. Gallery hours are 8 a.m. to 5 p.m., Monday-Friday, and 1-5 p.m., Saturday.

## SAS Varsity Girls' Soccer Wins at Home

The St. Andrew's-Sewanee School girls' soccer team kicked off their regular season on Aug. 17, with a 3-1 home victory against Middle Tennessee Christian School. SAS were first on the scoreboard after Elisabeth Perkins '25 notched her first goal of the season in the first half. MTCS equalized shortly after halftime to make the game 1-1, but a second SAS goal from Emma Wockasen '25 and a third late goal from combined efforts of Stella Wilson '25 and Drew Delorme '24 sealed the victory which saw SAS dominate possession and create chances throughout the match.

## NATURENOTES

by Yolande Gottfried

### Insect Songs

We are mostly familiar with some of the insects we hear singing through the summer. Various species of cicada sing at different times of the day and the season. The Northern True Katydid begins its night-time chorus around the Fourth of July and continues until it gets too cold. But there are other insect sounds that can be distinguished from the katydid chorus and that have mystified me for a while. An article in the July/August edition of *The Tennessee Conservationist* led me to a website, LEAPS, that has descriptions and recordings of various nighttime singers in our area. The Lesser Angleming is in the group of the False Katydids, although it looks a lot like the Northern True Katydid. It seems to be the one making the short, loud, rapid-fire song I've been wondering about and it sings late into the season. Crickets are another group of singers that one can begin to pick out once familiar with the songs. The Broad-winged Tree Cricket has a lovely trill and the Snowy Tree Cricket is one that can be used to estimate the temperature by the number of chirps in 13 seconds plus 40 — it slows down as the temperature drops. The Columbian Trig, a kind of cricket, has a faint chorus that is common, but usually unnoticed, in the South. I will be listening more carefully to these nighttime sounds to expand my grasp of the repertoire.

## Free Vaccine and Microchip Clinic

Marion Animal Resource Connection (MARC) will have a vaccine and microchip clinic from 10 a.m. to 4 p.m., Saturday, Aug. 26, at Hannah Pickett Park Pavilion, 24 Dixie Lee Ave., Monteagle.

This clinic is for dogs of people living in Grundy County and in the counties of Marion and Franklin on the mountain (and down to Sherwood, and Jump Off Road, to around the Franklin State Forest area). One shot including distemper, adenovirus, parainfluenza, and parvo, a microchip, and an ID Tag will be available, free, for dogs of people who cannot otherwise afford them. Distemper and parvo are deadly and contagious to other dogs and mostly are preventable. Microchipping and providing ID tags will help reunite the many wandering or lost dogs seen in our communities with their families. This clinic is sponsored by South Cumberland Community Fund and Petco Love.

## Nature Journaling Continues

The Nature Journaling group, sponsored by the Sewanee Herbarium, meets Thursdays, 9-11 a.m., at Stirling's Coffee House. Grab a pencil and paper and plan to join us. Email <mpriestley0150@gmail.com> for more information.

## Join the Trail Friends

The Friends of South Cumberland State Parks, in conjunction with the park managers and rangers, have implemented a volunteer program, called Trail Friends, at five popular trailheads in the parks.

Trail Friends are stationed at these trailheads during periods of high visitor traffic to welcome hikers, provide information and answer questions about the trails.

Since implementation, Trail Friends have assisted thousands of park visitors with information about the special attractions in the parks, the range and specifics of what is here, and about critical safe behaviors. Fall Season 2022 marked the beginning of the sixth year of service to the park.

In Savage Gulf State Park, trailheads Trail Friends typically staff include Savage Gulf North (Stone Door) in the Beersheba area; Savage Gulf West (Greeter Falls), near Altamont; Savage Gulf East (Savage Falls). In South Cumberland State Park, Trail Friends typically staff Fiery Gizzard North (Grundy Forest), in Tracy City; and Fiery Gizzard South (Foster Falls), between Tracy City and Jasper.

Volunteers are generally needed from 8 a.m. to 4 p.m. on weekends and holidays, during peak Park visitation periods. Volunteers sign up on the Tennessee State Parks volunteer website (Galaxy Digital) to work at the trailhead of their choice, at times and on days of their choosing. Trail Friends volunteers wear identifying apparel and identification badges; and set out signage at the trailhead so park visitors know that the Trail Friends are there to help.

To learn more about the Trail Friends program, please go to <<https://www.friendsofsouthcumberland.org/how-to-become-a-trail-friend.html>>.

## Volunteers Needed to Help Socialize Dogs and Cats

MARC dogs and cats would love your attention. Are you free for a couple hours? Do you want to spend some spare time with a special dog or cat?

MARC's pups would love to go for a two hours play day with you. Take one to the park, or the river, to your work or your house. Enrichment will keep the dogs happy as we find them their perfect forever homes.

The cats and kittens also need socialization with humans. You can spend two hours or less playing with them at our MARC office.

Stop by any Saturday around 11 a.m. to "borrow a dog" or to play with kitties. They can't wait to see you.

The MARC Office is located at 225 Sequatchie Lane, Sequatchie, TN 37374.

## State Park Offerings

Please note: To confirm that these events will occur as listed go to <<https://tnstateparks.com/parks/events/south-cumberland>>, <<https://tnstateparks.com/parks/events/savage-gulf>> or call (931) 924-2980.

**Ravens Point Hike—South Cumberland State Park, Thursday, Aug. 31, 9 a.m. CDT. Cost, \$10.** <<https://tnstateparks.com/parks/events/south-cumberland>>. (Registration closes at midnight the day before the event. Please pre-register.) Meet Park Ranger Hannah Sheley at Fiery Gizzard North Trailhead, 131 Fiery Gizzard Rd., Tracy City, to go on a moderate (but with significant elevation changes at certain points) out-and-back hike to Ravens Point, passing Blue Hole, Sycamore, and Yellow Pine Falls, plus several amazing overlooks. You'll stop at Ravens Point for lunch. Wear sturdy hiking shoes, bring plenty of water and a packed lunch. Hike suitable for ages 13+.

**Day Loop Hike—Savage Gulf State Park, Tuesday, Sept. 5, 8:30 a.m. CDT. Cost, \$5/12+under; \$10/adults.** <<https://tnstateparks.com/parks/events/savagegulf>>. (Registration closes at midnight the day before the event. Please pre-register.) Meet Park Ranger Mark Greenwood at Savage Gulf East Ranger Station, 3157 SR 399, Palmer, for a 5-mile (round trip, approximate) basic, introductory guided hike to the east side of Savage Gulf. The challenge lies mostly in the overall distance. Bring desired food, plenty of water, and wear sturdy shoes. The areas around overlooks can be treacherous in terms of keeping your footing. The potential to slip and fall exists, and extreme care is needed. Attendee cancellations must be made no later than 24 hours prior to the program's scheduled start in order to receive a refund. This hike will also be offered on Wednesday, Sept. 6, at the same time.

**Grundy Forest Day Loop Hike—South Cumberland State Park, Wednesday, Sept. 13, 10 a.m. CDT. Cost, \$10.** <<https://tnstateparks.com/parks/events/south-cumberland>>. (Registration closes at midnight the day before the event. Please pre-register.) Meet Park Ranger Jessie DeRight at Fiery Gizzard North Trailhead, 131 Fiery Gizzard Rd., Tracy City, to hike the Day Loop while you learn about the flora and fauna of the area, the history of the Fiery Gizzard (where did that name even come from?), and hopefully see some waterfalls. This 2 mile loop trail is rated as moderate due to the rocky terrain and exposed roots, so please wear appropriate footwear. Flip flops and slide in sandals will not be allowed. Please pack plenty of water and bring snacks if you would like. In the event of bad danger weather (heavy rain, high winds, lightning, hail), Ranger Jessie will make the decision to cancel and will notify everyone and then issue refunds.

The South Cumberland State Park Visitors' Center is located on U.S. Highway 41 South between Monteagle and Tracy City and is open 8 a.m. to 4:30 p.m., seven days a week. For more information call (931) 924-2980.

Shadow

Cocktail

## MARC's Mountain Adoptables

### Meet Shadow & Cocktail

Shadow is a very sweet boy, around six years old, black with a few white markings, and weighs around 75 pounds. He is not a fan of cats so he is looking for a home without them. He is good with other dogs. Medium activity would be great. Shadow looks a lot like a Golden Retriever maybe mixed with some kind of Shepherd. Wouldn't you like to give him a forever home? Unfortunately he is kenneled at a vet's office and he needs to leave there by Sept. 4. So if you could foster Shadow to see how things work out with him at your home, that would be wonderful.

Cocktail is a very handsome kitten who is looking for a forever home. He is around five months old and weighs about five pounds. He is white with large gray tabby markings and is litter trained. Cocktail loves to be near his people and is talkative. Like most young kitties, he likes to play and would enjoy a home with people who will play with him or with another kitty with whom he could be friends and play buddies. Does Cocktail sound like just the right kitten for you?

If you would like to learn more about Shadow and Cocktail, please fill out an Adoption Application on the MARC website <[www.marc4change.org](http://www.marc4change.org)> and/or contact Sue Scruggs, cell phone (423) 619-3845. These pets are fostering on the Sewanee-Monteagle Mountain and are easy to meet. All MARC animals ready for adoption are spayed or neutered and up-to-date on their vaccines and preventatives.

MARC - Marion Animal Resource Connection is a 501(c)(3) nonprofit animal welfare organization. It is not a shelter and relies on foster homes to save animals. MARC also provides low cost and free spay/neuter procedures for animals and is available for teaching humane care of animals in schools and to community organizations.

## PEDESTRIANS and BIKERS – EXERCISE CAUTION.

When you are out getting your exercise, following a few simple rules will keep you on the go. When biking on Sewanee sidewalks, cyclists should slow down when passing pedestrians since some may not hear a warning bike bell and know to step to the right. Walkers should walk on the left-hand side of the road, traveling against the traffic; bicyclers should travel in the right-hand lane, going with the flow of traffic. During the day, both walkers and bikers should wear clothing of bright, easily seen colors, and, from dusk on, wear light, reflective clothing. In any case, don't just assume drivers can see you. Be on the lookout ... for your own safety.

## FROM BARD TO VERSE

by Robin Bates

### Sewanee Classes Start

It was a dreary morning when the chaise  
Rolled over the flat plains of Huntingdon,  
And, through the open windows, first I saw  
The long-backed chapel of King's College rear  
His pinnacles above the dusky groves.

Soon afterwards, we espied upon the road  
A student clothed in gown and tasseled cap;  
He passed — nor was I master of my eyes  
Till he was left a hundred yards behind.  
The place, as we approached, seemed more and more  
To have an eddy's force, and sucked us in  
More eagerly at every step we took...

My spirit was up, my thoughts were full of hope;  
Some friends I had, acquaintances who there  
Seemed friends, poor simple schoolboys, now hung round  
With honor and importance: in a world  
Of welcome faces up and down I roved;  
Questions, directions, counsel and advice  
Flowed in upon me, from all sides; fresh day  
Of pride and pleasure!
