

# THE SEWANEE MOUNTAIN MESSENGER

Volume XXXVII No. 23

Published as a public service since 1985

Friday, June 25, 2021

*Rising third-grade students worked hard to complete their summer school STEM challenge at Seawanee Elementary by planning their own lemonade stand. Students completed a business plan, taste-tested the lemonade, prepared a cost analysis, designed advertisements, and researched an organization to receive their profits. Because of generous donations, the students were able to contribute the proceeds from the sale, \$395.81, to the Mountain Goat Trail Alliance in memory of former SES student, Gus Croom. Thank you to our Seawanee community for your support. Rising third-grader Allie Welch said, "The trail serves as a safe place to ride your bike, and we hope our donation will allow them to continue adding more miles. Also, we know Gus loved mountain biking, so we wanted to support something he loved."*

## OperaFest Takes SSMF to New Heights

by Bailey Basham, Messenger Staff Writer

This year, select student musicians with the Seawanee Summer Music Festival (SSMF) will be able to add operatic training to their festival experience.

Laura Brooks Rice, voice teacher with the Cafritz Young Artists of Washington National Opera and director of the Seawanee Opera Intensive, said through OperaFest Seawanee, students will be able to craft skills in areas such as vocal technique, languages, stagecraft and dramatic work.

"OperaFest Seawanee is bringing together 23 opera singers and four pianists for a month of intensive training and performing opportunities," Brooks Rice said. "Seawanee is a very meaningful place for me and my family, and I am delighted to bring singing to the mountain. During the program, I will plan curriculum, work with the faculty to create a holistic and well-rounded training program, and I will be the primary voice teacher for all the singers."

Rice added that the aim of the program is twofold — she and SSMF leadership hope to discover new talent through nationwide auditions and to bring artists together in Seawanee to work with some of the greatest operatic teachers in the world.

"Laura Brooks Rice is one of the finest vocal teachers in the world, and she lives right here in Seawanee. We are so happy to have these wonderful young singers on campus working with Laura and our outstanding vocal faculty. In the future we look forward to continued collaborations between our instrumental and vocal students and faculty, as well as commissions of new compositions for voice and instrumental groups," said Executive and Artistic Director John Kilkenny. "This is truly an exciting time for the SSMF."

In addition to Brooks Rice's leadership, students at the festival will learn under faculty from the Metropolitan Opera, Vienna State Opera, Washington National Opera and the Atlanta Opera.

"They will provide our singers and pianists with musical coaching, dramatic classes and voice lessons that will arm them with information and skills needed as they enter professional auditions and performances," Brooks Rice said.

This month-long intensive will culminate with performances in Aria Showcase concerts, chamber music concerts and public classes with experts from the opera industry. The students will also perform Much Ado About Opera, which will feature scenes from operatic settings of works by William Shakespeare, including "Romeo and Juliet," "Othello," "A Midsummer Night's Dream," "Falstaff" and "Macbeth."

"The singers will have been working with Emeritus faculty David Landon the entire four weeks of the program on elocution of Shakespearean text and diving deeper into character development with his guidance. Although most of the program will be sung, there will be some spoken Shakespeare to accent the flow of the program. It's a unique opportunity for opera singers of this caliber to be able to collaborate with a great acting coach and Shakespeare expert that is David."

Above all, Brooks Rice said the OperaFest programming will prepare each of its students to enter the opera industry and serve as a launching pad for many of the young artists' careers.

"Training artists for a career in the operatic industry is a long and winding road—each individual's path, training needs and artistry is unique to them. Programs like this provide artists with personalized training that meets them where they are and thus helps them to take the important next step in their careers," she said.

The Seawanee Summer Music Festival will run through July 18. For more information about performances or to purchase tickets, visit <ssmf.seawanee.edu>.

## Sewanee Airport Easement Troubles Franklin County Commission

by Leslie Lytle  
Messenger Staff Writer

"All we're looking for is transparency, accountability, and proper representation," Midway property owner Matt Hughes said, addressing the Franklin County Commission at the June 21 meeting. Hughes highlighted concerns which surfaced in conjunction with the University seeking aviation easements from property owners to allow for tree cutting at the Seawanee-Franklin County Airport. The airport, managed by the University, is owned by Franklin County.

"My understanding is the landowners oppose the easements," said Hughes, unofficial spokesperson for an incipient citizens coalition. Unsatisfied with financial information given by the University at a May 3 town meeting, Hughes said he filed a Freedom of Information request with the Tennessee Department of Transportation (TDOT). He shared the documents he received with the commissioners.

Hughes called to their attention the \$4 million economic benefit the county received from the airport, noting that \$1.5 million of the benefit was wages for airport employees. Hughes also cited the more than \$5 million 10-year plan to apply for grants to improve and expand the airport, which included runway, taxiway and hanger construction, and terminal expansion. Hughes said at the May 3 meeting the community was told the tree cutting was needed to comply with TDOT regulations, and there were no plans to expand the airport.

Hughes said he asked the University for a 10-year operations budget, and had not received it. Franklin County Mayor David Alexander said he made the same request, on May 18, and had not received the document.

Jade McBee Barry has not missed a Fourth of July celebration in Seawanee since her first one, at age 4.

## Barry to Step Down from Fourth of July Committee

by Bailey Basham, Messenger Staff Writer

After more than 8 years of leading the efforts to organize Seawanee's beloved annual Fourth of July celebration, Jade Barry will be stepping down as chairperson of the planning committee.

Barry, who has described the Fourth of July as better than Christmas, said she feels it is time for new leadership on the organizing committee.

"My husband and I have volunteered on multiple boards almost nonstop since our son was born. We have a serious heart for community and servant leadership. After a few years of just enjoying the celebrations and being part of the community, we hope to be ready to swing back into action again," she said. "The celebration has so much potential to grow and be successful, and I think it's time for someone with fresh, new ideas to take over."

Barry said she and the other organizers do not yet know who will be taking over the planning process, but it is her hope that whoever chooses to do so will be able to draw upon the magic of the celebration and reach new heights with the event.

"There is something for almost everyone on the schedule of events, and that's part of why it's my favorite day of the year," she said. "It's really a day when everyone can feel welcomed, accepted and able to have fun. With whoever comes in to keep the celebration going, I know that will remain the same."

Despite choosing to step down, Barry said she and her family would not miss future Fourth of July celebrations for anything.

"My family and I have a picnic on the grass on University Avenue every year during the celebration, and we all have so much fun," she said.

This year's celebration will be centered around a "Maskerade Ball" theme. Read the full schedule of events here <<http://www.seawanee4thofjuly.org/>>.

## ROAD PROJECT QUESTION

### To the Editor:

As the work on the narrowing of the highway through our town begins, I find myself with a question I need to ask.

As a longtime resident of Sewanee, who grew up here, and am now a senior citizen, I am unclear about the purpose of the construction. I know it is supposed to be about beautification and making it safer for people to walk in our downtown village area.

But I wonder: if the town and the University are both growing, meaning more people are driving around and through it, why are we making it harder? Highway 41A first came through here in the 1940s. Since then, there is much more traffic, including bigger trucks and more cars. Will wider sidewalks for people to walk on really make it safer?

I understand remodeling, but I wonder if anyone has suggested

spending any of this project money on, say, improving the quality of Roark's Cove Road (aka Alto Mountain Road) adjacent to the Domain, which many people travel daily, at considerable risk? The money being spent on the 300 yards or so of Highway 41A might have been spent to greater community good.

*Carl P. Hill,  
Sewanee*

## FOOD BANK THANKS

### To the Editor:

Thank you to all the businesses that donated to make the Grundy County Food Banks spring/summer 2021 fundraiser a success. We appreciate each and everyone of you and thank you from the bottom of our hearts.

County Food Bank*

## THANK-YOU FOR THE SERVICE PROJECT

### To the Editor:

Please know that St. James Episcopal Church in Midway is

fortunate to be the recipient of an amazing gift. Calem Knight, who lives in the Midway community, is working to complete the requirements to become an Eagle Scout. One requirement is to complete a service project for the local community. Calem contacted me several months ago and asked if he could make new picnic tables for the pavilion at the St. James Midway Community Park and I said, "Absolutely!" Last week, Calem delivered two new picnic tables to St. James and placed them in the pavilion. With his carpentry skills, he did a top-notch job building the tables and gave them a handsome coat of paint.

So, please take notice of the new tables and admire the beauty they bring to the playground and the community. Also, please thank Calem for his generosity and craftsmanship in making this project possible and providing this asset for the greater good of Midway and St. James Church.

Thank you, Calem!!

*Fr. John Runkle, Vicar*

## Join The Sisters of St. Mary for a Virtual Retreat Weekend

The Sisters of St. Mary are continuing their Virtual Program Series in June with two events creating a virtual retreat weekend. This year, the Sisters’ annual picnic gathering for Associates and friends will be held on Zoom. Participants are invited to bring their own picnic and join the Sisters, from wherever they are in the world, for conversation in community. The Picnic evening together will end with the service of Compline.

Then, on the following morning, Sister Hannah will lead a virtual program titled “Forgotten Names of God.” “Who do you say that I am?” is a question that Jesus asked his disciples in the gospel of Matthew. Peter’s response, in declaring that Jesus was the Messiah, was a key confession of faith that we continue to remember today. But what about God? Who do you say that God is? Come explore some of the forgotten names of God from the Old Testament and see how a wider understanding of God can deepen our faith.

## Mary Elwyn Reid Flury

Mary Elwyn Reid Flury, age 101 of Knoxville, died on June 12, 2021, at Tennova Turkey Creek. She was born on Dec. 1, 1919, in Cauthron, Ark., to Robert Crawford and Margaret Eads Reid. She worked in a shoe factory and as a governess, but became a teacher, graduating first from Martin College in Pulaski, and later from MTSU in Murfreesboro. She came to Grundy County in the early 1950s when her father accepted a call to preach in Palmer. She taught elementary grades at Shook School throughout the 1950s. She met her future husband in Tracy City and made her home there for 60 years. She was active with the Methodist women’s groups and FCE clubs through the Extension Service. **Airport** (continued from page 1)

Hughes pointed out in the past that the tree cutting was accomplished by “a gentleman’s agreement” without an easement. Speaking on behalf of his father Jerry Jacobs, one of the affected property owners, Jim Jacobs said his father agreed to cut the trees, but before the task was done, surveyors came on the property without permission.

“We haven’t said one word about not cutting the trees,” Jacobs said. “But the University running in and out doesn’t set well with us.” Jacobs said he recently received a letter about an appraiser visiting to set a value on the property for the easement. “We don’t want to sell it, and we don’t want to price it,” Jacobs insisted.

Commissioner Helen Stapleton suggested comparing airport grants received in the past 10 years with the \$5 million grant plan for the next 10 years. “If the amounts are the same, there would be not much to worry about [concerning expansion],” Stapleton said. “The total [in past grants] is \$3 million,” Alexander said.

Hughes said the Herald Chronicle reported Stapleton, Alexander and Commissioner Johnny Hughes proposed establishing an “airport authority.” “We support this,” said Hughes. He suggested an oversight committee with one commissioner from the Mountain and one commissioner from the valley.

Commissioner Eddie Clark questioned a \$459 expense for three students to take flight classes and asked if grant money awarded to the county was paying for this. Hughes said the comptroller was looking into the expense.

County Finance Director Andrea Smith explained when the county received airport grant funds from TDOT, the county wrote the University a check. Smith said this method had created audit problems, and she would prefer to reimburse vendors directly, the method used for handling other grants.

Alexander said 1954 and 1993 documents governed the airport-management relationship between the county and the University. Assigning authority to an oversight committee would be in conflict with the existing agreements. Stapleton noted the initial “airport authority” proposed was a committee to facilitate communication. Alexander said that would not be in conflict with the agreements in place.

“They [the University] are starting to get really aggressive with development,” said Midway resident Dan Barry. “Why can’t they shorten the runway...and cut trees on the Sewanee side instead of coming on private landowners...That’s why we want the committee so they can explain these things to us.”

“We wouldn’t be at this point if there was a committee in the past,” said Commissioner J. Hughes. “The rumor mill exploded...If everyone had to sit down and look at one another and talk, it wouldn’t have gotten to this.”

Commissioner Adam Casey said there was “no excuse” for the University’s failure to provide an operations budget. “It’s a public airport owned by the tax payers.”

The commission is expected to take up the airport authority question at the July 20 meeting.

## Log Cabin Court House Repair Project

The Cowan Commercial Club requests help to repair the Log Cabin Court House in Cowan's Railroad Park.

The cabin we see today was constructed in 1975 for our nation's Bi-Centennial Celebration. The logs were salvaged from an historic log cabin that originally stood in the Williams Cove area.

The log cabin represents the original home of Major William Russell, who served as the first Judge Magistrate of Franklin County. Court sessions and court musters were held on Russell home place from 1807 until 1814 when the county seat was formally developed in Winchester.

After 40-plus years of exposure to the elements the log cabin needs repair work. All contributions to this project are welcome.

## Hospitality Shop Update

The Hospitality Shop will hold its eagerly-awaited Bag Sale from 10 a.m.-2 p.m., Saturday, June 26.

The sale will be different this year. It will be inside due to several factors.

The Bag Sale will include all clothing, which will be \$5 per bag. Everything else in the Shop priced over \$1 will be half price. All items under \$1 will remain their regular price.

Also, the Shop will be closed from June 27 until July 6 to refresh the stock with new items.

Proceeds from sales are used to furnish scholarships to area high school graduates who wish to enter the medical field, and for continuing education to practicing nurses, physical therapists and others employed at the Southern Tennessee Health System-Sewanee.

## Archives Hours

## University Hires Chief Diversity Officer

University of the South Provost Nancy Berner has announced that Sibby Anderson-Thompkins will become the university's first chief diversity officer. She will have the title of vice provost for diversity, equity, and inclusion, and will begin her new role in August.

Anderson-Thompkins has been serving as special advisor to the chancellor and provost for equity and inclusion, and as the interim chief diversity officer, at the University of North Carolina-Chapel Hill. Prior to that appointment, she was special assistant to the vice chancellor for research and the director of the office of postdoctoral affairs, leading the Carolina Postdoctoral Program for Faculty Diversity and other diversity-related initiatives for the Office of the Vice Chancellor for Research.

"Dr. Anderson-Thompkins brings to this role a wealth of knowledge, experience, and dedication to DEI issues," said Berner. "Much work is already underway on campus; she is a strong collaborator and consensus builder, characteristics that will be important as she helps bring those efforts into focus and as she guides us strategically toward becoming the Beloved Community."

Anderson-Thompkins will bring to Sewanee more than 20 years of experience in higher education administration, primarily serving and supporting the success of underrepresented groups. In addition to her support of the chancellor and vice chancellor at UNC, she has also served as assistant dean in the Office of the Dean of Students. She also has served as an associate dean of student affairs at Hampshire College and as a clinical faculty member in education and dean of advising at Agnes Scott College.

*Sibby Anderson-Thompkins*

At Sewanee, she will help ensure that the campus climate reflects the university's deepest value, that of EQB. She will assess current programs and practices to identify barriers that limit progress in the areas of DEI and recommend changes; partner with other offices and students to support a welcoming and inclusive campus climate; and provide coordinating leadership campus-wide to ensure that diversity and inclusion initiatives are integrated throughout the University.

"I'm excited to join the Sewanee leadership and look forward to working collaboratively with colleagues to advance diversity, equity, and inclusion," said Anderson-Thompkins.

Sibby Anderson-Thompkins holds a B.A. and an M.A. in communication studies from UNC-Chapel Hill and an M.S. in educational research (ethnography and qualitative methods) from Georgia State University, where she also completed a Ph.D. in educational policy studies. She has a certificate in management and educational leadership from the Graduate School of Education at Harvard.

## Come Join the Maskerade

The 35th Sewanee Fourth of July committee is pleased to announce all the events to help celebrate America. The theme this year is Maskerade.

In accordance with state masking protocols, masks are optional for attendance at the events on July 3 and July 4. Most of the events will occur outdoors to minimize the risk of spreading COVID-19, but inherent risk to exposure exists in any public place where people are gathered.

### MSSA Pub Run

Join the Monteaule Sunday School Assembly (MSSA) in celebrating their annual Pub Run starting at 8 a.m., Saturday, July 3. Runners will meet at the MSSA Front Gate and run to Shenanigans (6.4 miles) on the Mountain Goat Trail. Walkers may start at Dollar General. The fee for the run is \$20. Pre-register at the MSSA Office or call (931) 924-2286 for more information. All are welcome to participate.

### Street Dance & Splish Splash Bash

The celebration will begin on Saturday, July 3, at 5:30 p.m. with kid's games, water slides, plenty of food vendors, and all-around family fun at Angel Park. The Street Dance will start at 7 p.m. featuring live music by Men of Soul.

### Sunrise Yoga

The Sewanee Community Center is hosting a Sunrise Yoga session

from 6–7:15 a.m. in Manigault Park. The class is free and for any level of yoga ability. Please bring your own mat. The rain location is in Sewanee Community Center. If it is raining and the class is indoors, the windows will be open for ventilation and we ask that all participants wear masks indoors in accordance with CDC guidelines.

### Flag Raising

Greet the day with cheer and song! Join your friends and neighbors at Sewanee's Fourth of July Flag Raising Ceremony sponsored by The Friends of Abbo's Alley.

Note the change of location: This year, the ceremony will be held at 8 a.m. at the Sewanee Football Field instead of the traditional location of the Juhan Bridge in Abbo's Alley. The change in location allows for more physical distancing, access to restrooms, and handicap accessibility. Sing patriotic songs with music by the Sewanee Summer Music Festival Brass Ensemble and observe the Rising of the Colors by Sewanee Boy Scout Troop 14. A light potluck breakfast will follow the ceremony on the lawn of the Centennial House (formerly known as the Kirby-Smith House) with coffee and juice provided by the Blue Chair and Friends of Abbo's Alley. A light breakfast item to share (individually wrapped if possible) and/or a donation for the Friends of Abbo's Alley would be appreciated.

For at least two decades, Sewanee Boy Scout Troop 14 has kicked off July 4 celebrations with this traditional flag raising ceremony at the historic Abbo's Alley flagpole at the Juhan

Bridge. The ceremony provides an opportunity to join with friends and neighbors to begin a full day of celebration through patriotic music and singing. Although the ceremony has been moved to the football field this year, it should be noted with great thanks that the historic flagpole has received a much-needed refurbishment by Troop 14's own Porter Neubauer who repaired the flagpole, shored up stone steps, and planted native shrubs and trees in Abbo's Alley as part of his Eagle Scout project.

For more information, contact Margaret Beaumont Zucker at (931)-598-5214. We hope to see you there!

### Parade Entries

The Fourth of July Parade Committee has been working for months on the biggest, best, most arms-open-wide parade Sewanee has ever seen. There will be fire engines, police cars, our grand marshals Dixon and Annwn Myers, and this year we want you and your organization to be recognized and cheered on in the Mask-CARade parade.

Sewanee's Fourth of July Parade celebrates America and its origins at a time when the ideals of freedom and good citizenship were agreed upon by all. The parade is an event where everyone feels welcome and respected—where spectators and participants alike feel proud of our big/little town for its creativity, diversity, and mutual respect.

The committee wants you to know there are so many creative ways to strut your stuff down University Avenue, and they range from traditional and elaborate, to simple, elegant, memorable and

## The History of the Sewanee Dog Show

by Matt Petrilla, M.D., Special to the Messenger, from the July 3, 2015 issue

On July 1, 1986, Jeanette Hamilton, who was then the crotchety chief of the Sewanee Hospital laboratory, was sitting in the hospital cafeteria, along with other hospital staff, looking out its large glass window.

"We need to have something for these old folks to celebrate the Fourth of July," she declared. (At that time the hospital served as a part-time nursing home facility). "I've got it! Let's have a Kids' Dog Show out here on the grass!" You two new docs—put it together! (Diane Petrilla and I had just arrived on the Mountain three weeks earlier and were "fresh meat," as Jeanette saw us). And the rest is history.

With two days to advertise and prepare, the first Sewanee Mutt Show consisted of a wooden show ring and an entrance banner (still used to this day). The awards were a squeaky toy, box of dog treats and a leather chew bone. Seven dogs were entered, and three kids went home squealing in delight at their achievement. Hamilton's post-show evaluation was ruthless. "Not enough kids!" "Terrible prizes!" "That stunk!"

The second year had 15 hopeful kids and dogs, three official-looking generic ribbons for awards and boxes of doughnuts. (And, of course, those copycats started the cat show next door!) Post-show critique by Hamilton was, again, embarrassing. "Terrible turnout!" "Doughnuts?! Who gives doughnuts as dog show awards?!" she barked.

For the third Sewanee Mutt Show, Sewanee resident jocks were asked to donate their old, dusty trophies stored in attics and basements to be refurbished. Community response was tremendous, and at least 100 trophies dating back to 1930 were converted to dog trophies for the next years, as continues to this day. Twenty dogs entered the third year, and the new prizes were a big hit, as grinning children walked off with trophies taller than they were. Finally, post-show evaluation

got a "Not bad" from Hamilton. "But don't slack off next year—or else!" she cautioned.

Over the years, changes were made to be politically correct, per the adults. The "Mutt" Show was changed to the "Dog" Show. The first categories were: Biggest Dog, Smallest, Ugliest, Best Trick, Owner-Dog Look-alike.

But Ugly, Biggest and Smallest were felt to be discriminatory and thrown out.

The venue was moved to the University football field, then to the site in Manigault Park on University Avenue used today. In 2005, cumbersome paper sign-in sheets were replaced with complex computer sign in as we "progressed." Adults got a piece of the action as judges sometimes awarded prizes to the adults' dogs, but they were redirected to the origins of the show as an event for children.

The emcee job was alternated until Lizzie Clark Duncan took the microphone. The crowds love Lizzie so much that she is now snagged to do the announcing as often as possible.

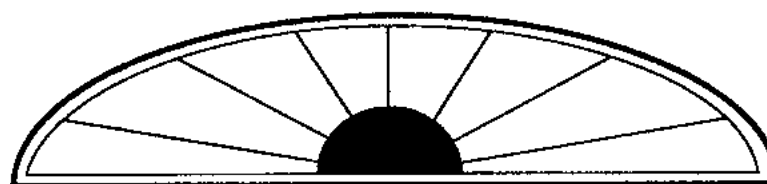

"Best Dog Joke" was added to the show to fill in time as the judges made their decisions. Benches were added to accommodate the growing crowds of people and the ring made bigger to accommodate the great number of dogs participating.

The highest number of entrants was 70 dogs in 1995, and someone (unofficially) counted 400 onlookers one year. The show was never canceled for rain until the first time in 2013, with organizers facing severe criticism encountered for "wimping out."

The show began raising money a few years ago, with donations going to Animal Harbor for proper care of homeless dogs.

Thank you to Jeanette Hamilton for the original idea and early "direction," and thank you to the many people over the years that made the Sewanee Dog Show a part of Sewanee's fantastic Fourth of July celebration.

*Have a safe and Happy Fourth of July!*

## Mentors Needed for TN Promise

tnAchieves has begun its effort to recruit 9,000 volunteer mentors to meet the goal of providing a local support system to every TN Promise applicant in the Class of 2022.

Although TN Promise is a financial aid program, a critical component and often the difference maker for many students is the volunteer mentor. Mentors work with a small group of three to seven students as they transition from high school to college. Mentors send reminders of important deadlines, serve as a trusted college resource, and, most importantly, encourage students to reach their full potential. All mentors complete a one-hour online training and receive weekly updates on the program and its requirements.

"You cannot replace the committed, encouraging support offered by a local mentor," says tnAchieves Executive Director Krissy DeAlejandro. "Through the challenges of the past year, we have been grateful to our volunteers across the state who answered the call to ensure students successfully transition to college and feel seen. While TN Promise funding is important, mentors represent the heart of our program."

Current tnAchieves mentors indicate that they only spend about one hour per month in their volunteer role. tnAchieves mentors also have access to tnAchieves CONNECT, a virtual mentoring platform that allows for efficient and safe online connections for serving students.

"For the last 13 years, tnAchieves has provided high-impact mentor support for students," says tnAchieves Director of Mentors Tyler Ford. "Virtual mentoring has made it possible to continue supporting students locally while doing so safely. If you have one hour a month and believe in the transformative power of education, you can serve as an outstanding mentor for students in your community."

Mentors can serve students in their community from home on their schedule, offering support via text, email, calls and video chat. Those interested in learning more or applying can visit <[www.tnAchieves.org/mentors](http://www.tnAchieves.org/mentors)>.

tnAchieves is a 501(c)3 nonprofit that has been providing scholarships with mentor support since 2008. To learn more about tnAchieves, or apply to mentor please visit <[tnAchieves.org](http://tnAchieves.org)> or contact Tyler Ford at <[tyler@tnAchieves.org](mailto:tyler@tnAchieves.org)>.

TN Promise provides every high school senior the opportunity to attend a community or technical college tuition free. The scholarship application is available for students beginning their senior year of high school at <[www.tnpromise.gov](http://www.tnpromise.gov)>.

## Arts in the Burg Launch Party

Arts in the Burg is planning a huge festival style launch party with three stages of entertainment, visual artists and more. It's open to the public and admission is free. The launch party is from 9 a.m.-4 p.m., Saturday, June 26, in the alley behind the Princess Theatre. The launch party will include the unveiling of the city's first large mural. For the complete line-up of events, craft vendors and food vendors, go to <<https://artsintheburg.com/event/arts-in-the-burg-launch-party/>>.

The Pop-up Project (Dance Group) will perform in collaboration with Emmy Award winning Ben Sollee, at 4:30 p.m., June 26, in the Princess Theatre. This event requires a ticket, and can be purchased on Eventbrite.com at <<https://www.eventbrite.com/e/ben-sollie-performing-with-the-pop-up-project-at-arts-in-the-burg-tickets-154965860059?aff=ebdssbeac>>.

Arts in the Burg is the recipient of a generous donation from a gracious patron of the Arts, as well as a \$10,000 grant from the Tennessee Arts Commission to fund the mural and launch party. This grant was awarded to SPARQ for the Arts in the Burg program as result of South Pittsburg's participation in the Thriving Communities program and the Tennessee Place-making Partnership.

## Free Summer Meal Program in Full-Swing

Now in the third-week of operation, the South Cumberland Summer Meal Program has served more than 15,000 meals to plateau children and continues to serve at all 17 locations this week. The program will be in operation the week of July 5, with minor changes to the distribution schedule. Please watch local press and social media early next week for distribution details.

Free meals are available for all children 18 and younger, regardless of need. All families are encouraged to participate. At most locations, meals are distributed in drive-thru, grab-and-go fashion with as many as 10 meals per child available at one time. Children need not be present during meal distribution and any adult may pick up meals for children. This means grandparents, neighbors, and parents are welcome to pick up free meals for children in their home or neighborhood.

The popular program prevents summer learning loss in children by providing nutritious meals and supplementary reading materials during the summer months. The program is a joint venture of the University of the South, the University's McClurg Dining Hall, the South Cumberland Community Fund, and the South Cumberland Plateau AmeriCorps VISTA Project. The VISTA Project administers the USDA-funded program and staffs meal distribution locations across the plateau each summer with up to 20 AmeriCorps Summer Associate VISTAs.

The program has added new grab-and-go distribution sites including the Sewanee Community Center (Thursdays, 2:30-4 p.m.), Beersheba Springs Assembly (Thursdays, 10 a.m.-noon), Monteagle Greene Apartments (Tuesdays 10 a.m.-noon) and Morton Memorial UMC (Fridays 1-2:30 p.m.). See the complete schedule below.

The University of the South in partnership with the South Cumberland Community Fund, operates the South Cumberland Summer Meal Program. The program is participating in the Summer Food Service Program (SFSP) administered by the Tennessee Department of Human Services under an agreement with the U.S. Department of Agriculture (USDA). The program operates through July 30, 2021.

Meals are available on a first-come, first-serve basis at the sites and times as follows:

## Shake Rag Classic Resumes, MSSA vs. Sewanee

The Shake Rag Classic golf tournament will be played July 5. The annual event pits the Sewanee team, captained this year by Daniel Lehmann, against the Monteagle Sunday School Assembly team captained by Robert Peacock. In the 2019 contest, the Sewanee team prevailed against stiff competition from the Assembly. Spokesman for the Assembly says they are eager for the rematch and plan to take home the Shake Rag Classic Cup this year. Individual contests during the tournament will include closest to the pin competition on a par three hole and a most accurate drive on one of the par fives. Club Professional Matt Daniels says the inaugural event in 2019 was well received and he expects a spirited contest this year. Golfers interested in participating should check with the Club Pro-Shop to see if spaces are available, (931) 598-1104.

Runners and walkers are invited to participate in the Dash to the Door 5K Family Run/Walk on the weekend of July 3-5 2021, to benefit Beersheba Springs Medical Clinic.

Since 2015, Dash to the Door, a 3-mile walk or 5K run through Beersheba Springs has been the annual fundraiser for the Beersheba Springs Medical Clinic (BSMC). This year it will be a hybrid event—both virtual and in person—so that anyone can participate from any location. Sign up here <<https://beershebaclinic.org/dash/>>. Participants should arrive by 7 a.m. in front of the clinic (located at 19592 State Highway 56) prior to the 7:30 a.m. start time.

The BSMC is a nonprofit, 501(c)(3) medical facility established by and for the community of Beersheba Springs located in Grundy County. The clinic, which opened on Nov. 21, 2010, averages 2,100 patient visits annually and is staffed by a nurse practitioner, medical assistant, office manager, and volunteer physicians from St. Thomas and Erlanger.

The facility provides comprehensive ambulatory medical services for the community including diagnosis and treatment of acute episodic illness as well as ongoing supervision of chronic diseases, minor wound management, injury stabilization, and arrangement of hospital and specialist referrals. The clinic also provides prenatal and well-child care along with family planning.

The BSMC Dental Clinic opened in June 2019 and has conducted more than 100 patient visits.

For more information on the clinic, Dash to the Door, or to donate, please visit <[beershebaclinic.org](https://beershebaclinic.org)> or contact Alison Gower at <[alison-gowerbsmc@gmail.com](mailto:alison-gowerbsmc@gmail.com)>.

## NATURENOTES

by Yolande Gottfried

### Beauties of Earth and Sky

Last week we saw our first male Diana fritillaries, large orange and chocolate brown butterflies. This is the largest of the Greater Fritillaries, larger than the Great Spangled Fritillary. The males appear first, followed by the strikingly different black and blue females. Their life history is rather unusual. Females lay their eggs in the fall, seemingly at random, among grasses in a meadow, not on the caterpillars' food plant, violets. The eggs hatch and overwinter as tiny caterpillars, not eating for seven or eight months. Few survive the winter, but those that do then seek out violets and grow through several stages to large (about 2 inches) black spiny-looking caterpillars that hide out on the ground and feed at night. These are the ones that have pupated and are now emerging as adults.

Some astronomy notes:

Yesterday, June 24, was the first full moon of astronomical summer. According to some definitions of a supermoon, it is the last of three supermoons of 2021. It is called, in some traditions, the Strawberry Moon, though at our latitude, strawberry picking season is over.

Look for the constellations Leo in the west and Scorpius in the south a few hours after sunset. The Summer Triangle is becoming more prominent in the east as summer progresses. It consists of the stars Vega in the constellation Lyra, Deneb in the constellation Cygnus, and Altair in the constellation Aquila. On a moonless night in a dark sky, the Milky Way can be seen passing through the Summer Triangle.

## Pets of the Week

### Meet Scooby & Patrick

Scooby dooby doo is looking for you! Scooby is a stunningly handsome brindle colored Great Dane/Doberman mix. Scooby absolutely loves to run and play with toys, he walks well on a leash, and is incredibly gentle with small children! He tests well with every human he meets, and is fantastic with other dogs. Scooby would do best with no cats in the home and no barnyard animals like pigs or chickens. Scooby is 3-years-old, up-to-date on vaccinations, neutered, and microchipped. Please submit an adoption application at <www.animalharbor.org> to meet and adopt Scooby!

Born on St. Patrick's Day 2021, Patrick is a handsome brown tabby kitten who is now three months old and freshly ready for adoption! He is your typical playful kitty who loves to romp with his littermates and be the star of his own show the moment you walk in to greet him. He can be timid at first to strangers, but it doesn't take him long to warm up for affection. Patrick is FIV/FeLV negative, neutered, up-to-date on age appropriate vaccinations, and microchipped. Please submit an adoption application at <www.animalharbor.org> to meet and adopt Patrick!

## Denny Cove Closure

Denny Cove will be closed from June 28 through July 31 for road repairs. However, the climbing areas at Foster Falls will remain open. Contractors will be removing trees on the Denny Cove Access Road in preparation for widening and improving the roadway. This process is scheduled to begin on June 28, and could take 2 to 3 weeks. Following that effort, and through July 31, the National Guard will take over the project and bring in large, earth-moving equipment to remove tree stumps and create the improved access roadbed.

During these time periods, the Denny Cove Access Road will be closed, with no public access to Denny Cove. This is necessary to ensure a safe construction site, as many trees will be coming down to widen the one-lane road from Highway 41 to the Denny Cove parking lot, and large earth-moving machines will be in use to create the grade for the new road. As a result, climbers and other visitors will not be allowed to enter the area, but instead are encouraged to climb and hike at neighboring climbing areas like Foster Falls.

## Summer Begins

Summer is i-cumen in  
Loudly sing, cuckoo!  
Groweth seed and bloometh med  
And springeth wood anew,  
Sing, cuckoo!  
Ewe bleateth after lamb  
Cow loweth after calf  
Bullock starteth, stag farteth  
Merrily sing, cuckoo!  
Cuckoo, cuckoo, well singeth now cuckoo;  
Nay stop you never now.

Sing cuckoo now. Sing, cuckoo.  
Sing cuckoo. Sing cuckoo now!

--Anonymous, 13th century lyric
