Monteagle: Employee Raises, Speeding, MGT Funding

by Leslie Lytle, Messenger Staff Writer

"Salaries are not even in the marketplace. We've lost several employees because of that," said Mayor Greg Maloof at the Oct. 30 Monteagle City Council meeting where the council voted on first reading to approve an ordinance calling for employee raises. The council also approved rezoning several parcels in the Monteagle Sunday School Assembly and an ordinance adding \$100,000 to the revenue budget for Mountain Goat Trail funding, at no cost to the city.

Alderwoman Dorraine Parmley said she wanted to see "a breakdown of who was getting what" before approving the raises. "I agree, Dorraine," said Alderman Nate Wilson. "We need to be paying everybody a living wage." Wilson also suggested funneling the recently approved employee-

bonus money into more sustained wages. "Pay check to pay check is the way we retain people," Wilson insisted. Maloof said the breakdown and raise amounts would be discussed in a workshop before the second reading. "We wanted to get the process started before the holiday."

Explaining the reason for rezoning several Monteagle Sunday School Assembly parcels, Executive Director Scott Parrish said the property had been acquired over the past 14 years. Central campus was zoned Institutional Development, in keeping with the Assembly's mission. The rezoning would convey the same zoning category on the contiguous parcels. The Assembly was not asking for rezoning of a C-1 commercial tract fronting Main Street, defer-

Location Sought for the 2024 South Cumberland Mural Project

After a successful mural installation on Tracy City's Goat Pen Hostel in summer 2023, the Grundy County Mayor's Office was awarded another Tennessee Arts Commission grant to add to local placemaking efforts in the 2023-2024 fiscal year. Tennessee's South Cumberland Tourism Partnership (TSCTP), which is preserving the region's culture through a multi-year oral history project, has been tasked with implementing the grant and engaged public art nonprofit DMA-events to project-manage the mural installation.

DMA will oversee the creation of a mural that pays homage to the South Cumberland plateau's past, grabs the attention of locals and visitors and provokes interest in visiting the audio sites. The boundaries of this project extend community-wide, and the project will cultivate a sense of community pride in a new place.

DMA is seeking highly visible walls within the South Cumberland region that are brick, cinder block or stucco. All interested parties should email DMA president Kristin Luna at <kristinluna@gmail.com> with their business name and location, as well as a photo of the wall and its approximate size. The deadline to apply is Nov. 15, 2023. Factors that will weigh into the final location decision include visibility that will achieve maximum project impact, as well as wall size, condition and material.

TSCTP is a newly formed nonprofit organization working on both near and longer-term plans to help prepare the region to welcome visitors. The brainchild of Grundy County Mayor Michael Brady, the TSCTP identifies and promotes responsible tourism opportunities that can create and sustain new local businesses and local jobs.

The larger scope of the partnership's oral history project centers on highlighting the region's rich history that includes lived experiences of the Cherokee Nation, Swiss immigrants, "Zebra Law" convicts, civil rights activists at the Highlander Folk School and coal miners throughout the South Cumberland Plateau. Some of these stories are at risk of being lost forever. The tourism commission aims to engage visitors with the tour and oral history components of the project so they can better appreciate the roots of the vibrant community. In addition to directing people to historical sites that are oftentimes overlooked, the project will facilitate a more engaging and thorough recollection of the past.

It's Time to Fall Back

Don't forget to set your clock back one hour before you go to bed Saturday night, Nov. 4. Daylight saving time officially ends at 2 a.m., Sunday, Nov. 5.

64th Annual Lessons and Carols

On Christmas Eve, 1918, the Chaplain of King's College, Cambridge took a Cornish Christmas tradition and brought it to the world. Weaving together biblical readings with seasonal music, the service prepared participants to hear the announcement of the birth of Jesus Christ. For over 60 years, Sewanee has hosted its own service, and coming as it does at the end of the Advent semester, the gathering becomes, for many, the Christmas celebration of the University. In addition to the students, staff, and faculty of the University, the service is open to the broader community in Sewanee and beyond.

We look forward to welcoming the extended Sewanee family back into All Saints' Chapel in 2023. With seats for more than 1,000 guests, we anticipate being able to seat every person who comes to worship in All Saints' Chapel. Two services — Saturday, Dec. 2 at 7 p.m. and Sunday, Dec. 3 at 4 p.m. — feature walk-up seating, and doors will open an hour in advance of the service. The 7 p.m. service on Saturday, Dec. 2 will be live-streamed for friends and family who are unable to attend in person <<https://vimeo.com/event/167828>>. Please note that large bags or backpacks will not be allowed in All Saints' Chapel. Go to <<https://new.sewanee.edu/campus-life/believing/all-saints-chapel/63rd-festival-service-of-lessons-and-carols/>> for more information.

Save the Date for the Annual Holiday Studio Tour

Tennessee Craft-South invites the public to its annual Holiday Studio Tour on the mountain, Saturday, Dec. 2, 10 a.m. to 5 p.m., CST and Sunday, Dec. 3, 11 a.m. to 4 p.m., CST. Tennessee Craft-South is the regional branch of Tennessee Craft, the state-wide organization which supports and promotes all handmade crafts in Tennessee.

Sub-Organist at Westminster Abbey Presents Recital

On Wednesday, Nov. 8, at 7 p.m., Peter Holder, Sub-Organist at Westminster Abbey, London, will present an organ recital at All Saints' Chapel. The two themes of his program will be Royal Connections and Westminster Chimes. Admission is free.

Peter Joseph Holder is a critically acclaimed organist, distinguishable from others by a demonstrated track record of superlative achievements as borne out in the attached materials.

Holder currently holds the position of Sub-Organists and in that role he is the principal organist and chief musical assistant to the Organist and Master of the Choristers, playing the organ for the Abbey's daily services and accompanying the Abbey Choir in recordings and concerts. He is the principal deputy conductor of the Choir and assists in the training of the choristers.

As the principal organist for services, he presides over the historic Harrison and Harrison pipe organ heard around the world for many significant occasions including the coronation services of the late King George VII, the later Queen Elizabeth II and recently the coronation of King Charles III.

Having served for two years as Organ Scholar of Westminster Abbey, Peter was then Sub-Organist of St. Paul's Cathedral between 2014 and 2017. He regularly accompanied choral services and played a significant role in developing the portfolio of organ events at the Cathedral, including staging two Grand Organ Galas in which he appeared as soloist in concert by Handel and Poulenc.

Peter Holder was educated as a chorister at Worcester Cathedral and at the King's School, Worcester. He passed the exams for an Associateship at the Royal College of Organists in 2009, winning the Limpus, Frederick Sinn, Durant, and Lord Stl. Audries Prizes. At the Royal Academy of Music in London he undertook undergraduate and post-graduate studies, graduating in 2013 with the HRH Princess Alice the Duchess of Gloucester's Prize as an exemplary student and winning the John Booth Prize of the Royal Academy of Music in 2016.

Holder held organ scholarship at Southwell Minster (2008-2009), the Royal Hospital Chelsea (2009), St. Albans Cathedral (2010-2012) and Westminster Abbey (2012-2014). He became the Sub-Organist of Westminster Abbey in October 2017.

In addition to regularly concertizing at Westminster Abbey, he played the opening concert of the prestigious Proms 2019 season at the Royal Albert Hall. There he was the organ soloist in the Glagolitic Mass of Leos Janacek, conducted by Karina Canellakis.

Particularly noteworthy events played by Holder and watched by many millions of TV viewers around the world have been National and Royal Services including the National Service Celebrating the 90th Birthday of Queen Elizabeth, the Memorial Service for HRH The Prince Philip, The National Funeral Service for Her Majesty Queen Elizabeth II and the recent Coronation Service for His Majesty King Charles III and Queen Camilla.

St. Mary's Sewanee Thanksgiving Catering is Back

It is hard to believe the 2023 holiday season is already near. The hustle and bustle of holiday parties, travel, and, yes, cooking, can sometimes overwhelm. St. Mary's Sewanee is here to help.

The excellent St. Mary's Sewanee culinary team is offering Thanksgiving catering again this year. The menu includes turkey breast, homemade dressing, green beans, sweet potato casserole, gravy, cranberry relish, rolls, and various pies for dessert. An entire meal to serve as many as six guests can be ordered (pre-cooked, only reheating required) for \$150. Partial orders can also be placed based on supply. Desserts can be purchased separately.

This offer is for a limited time only, so place your order early by contacting the Reservations office. The deadline for orders is Nov. 10 (or while supplies last). The last day for meals to be picked up is Nov. 22.

All orders must be paid for in advance. Please, no exceptions. If you want to find Rest, Renew, and time for Reconnect this Thanksgiving Holiday, let us take care of the cooking for you.

To order, contact: Reservations at (931) 598-5342 or <Reservations@stmaryssewanee.org>.

BIKE LANES

To the Editor:

I was glad to read in the Messenger (Oct. 27, 2023) that the Sewanee Community Council is working to make Kentucky Avenue safer for pedestrians. Kentucky Avenue definitely needs help in this regard, as do several other streets in our town. I am heartened that the ad hoc committee has been formed to work on reducing harm to pedestrians and trust a comprehensive plan will be developed.

To answer the question posed in the article about why we need bike lanes: we need them for the same reason we need sidewalks and traffic calmers such as rubber speed bumps: to encourage people to get out and safely enjoy our world and the movement of our own bodies. It's been fantastic to see parents and children biking safely now that the lanes are open again. Further, we need bike lanes because they are safer, and the safer it is to bike, the more people choose to do so, and the less money Sewanee needs to spend on permanent parking spaces.

I thank the Office of Environmental Stewardship and Sustainability (OESS) and the many students, residents, and University staff for all they've done over many years to make Sewanee such a great place to hike, bike, walk, and do so many of the things that help us enjoy our world and maintain as good health as we can. I'm on board with the vision of OESS: "Empowered human communities. Resilient Natural Communities."

I encourage our Council to continue working to support individual and community health.

Sid Brown, Sewanee

STOP THE SAND QUARRY

To the Editor:

Please help to stop Tinsley Asphalt from running a sand quarry in the Jump Off community in Marion and Franklin counties. A 150-acre tract along Hwy. 156 is under contract to Tinsley Asphalt. They want to purchase property for a sand quarry. This will be so very hurtful to so many people, the environment, and wildlife. There are many homes within sight and sound distance of where the quarry will be. The blasting will damage their homes, as well as homes in the vicinity. The sound of the blasting will be deafening. Wells and groundwater will be adversely affected, and wildlife will suffer. The heavy trucks will add to traffic congestion and damage the roads. Our best line of defense is the

Marion County Commission. They need to pass the Community Powers Act, which will allow the commission to pass a resolution to stop the sand quarry. It is limited in its scope. It will not affect any other land use. It will not affect agriculture, and existing land usage will be grandfathered in. This was passed in January 2023, but was never filed so has to be voted on again. Please contact all your Marion County Commissioners and ask them to pass the County Powers Act. Voting will be at the next Marion County Commissioner Meeting on Nov. 27.

SHAKERAG WEST INITIATIVE

To the Editor:

The launch of our Shakerag West Initiative has been met with tremendous excitement, support, and generosity. We are amazed by the level of success we've seen so quickly. After the first 10 days, our fundraising campaign stands at over 85 percent of the total goal and we're confident we're going to get to 100 percent in far fewer than 100 days. We're honored by your support of SCRLT's efforts to let some forests remain "Forever Wild." Hikes and other events are coming soon so keep an eye on the Messenger, our Instagram page @southcumberlandlandtrust, and <www.scrllt.org> or reach out to <hello@scrllt.org> for more details.

In gratitude,

Letters to the Editor Policy

Letters to the editor are welcome at the Sewanee Mountain Messenger and are a vital part of our community's conversation. Letters need to be no longer than 250 words and may be edited for space and clarity. We make exceptions from time to time, but these are our general guidelines. We strive to print all letters we receive, but publication is not guaranteed. Letters should be factually accurate. Letters that are deemed unsuitable for publication shall not be printed elsewhere in the newspaper, including as a paid advertisement.

Letters and/or their author must have some relationship to our community. We do not accept letters on national topics from individuals who live outside our print circulation area. Please include your name, address and a daytime telephone number with your letter. You may mail it to us at Sewanee Mountain Messenger, P.O. Box 296, Sewanee, TN 37375, leave it at our office, 418 St. Mary's Ln., or send your email to <news@sewanee-messenger.com>. —KB

The typical bag of groceries includes beans, pasta, macaroni and cheese, peanut butter, vegetables, fruit, and soup. This week they are in need of peanut butter, spaghetti sauce, and canned peaches.

The CAC is an outreach ministry of the Parish of St. Mark and St. Paul, with generous support from the Sewanee Community Chest, other organizations and individuals across the Mountain. For more than 49 years, the CAC has provided food, financial assistance, and educational support for persons in the greater Sewanee community. For more information contact the CAC at (931) 598-5927.

Messenger Break Ahead

It is hard to imagine, but Thanksgiving is soon and Christmas is just around the corner.

The Messenger will be on Thanksgiving break Nov. 20 through Nov. 24. We will be back in the office on Monday, Nov. 27, and back in print on Friday, Dec. 1.

For the upcoming Christmas and New Year's holidays, the Messenger will be on break Dec. 15 through Jan. 5, 2024. The staff will return to the office on Monday, Jan. 8, 2024, with the first issue of the new year on Friday, Jan. 12, 2024.

Important updates will be available on the website <<http://sewaneeemessenger.com>> or on our Facebook page during these breaks.

If your organization or church has a different schedule during these upcoming holidays than we normally post, please send the updates to <news@sewaneeemessenger.com> or call the office at (931) 598-9949.

Veterans Tribute Dinner

The Townsend Cultural Center is hosting a Veterans Tribute Dinner 5-8 p.m., Saturday, Nov. 11, at the Center.

In addition to the dinner they are gathering photos of all of the Franklin County veterans to be placed on the Townsend Cultural Center "Veterans Wall of Honor." This is our next project in the coming months.

The goal is to collect photos from the Civil War era Veterans (if possible), to those of service personnel who served in the Afghanistan/Iraqi theaters of conflict ... it's all a part of the county's heritage and culture.

Please RSVP. Seating will be limited. Email <townsendcc@gmail.com> or call (931) 280-0861. The Center is located at 913 S. Shepherd St., Winchester.

Church News

All Saints' Chapel

On Sunday, All Saints' Chapel will gather for worship at Sundays During the Academic Year at 8 a.m., Holy Eucharist, Rite 1 and at 11 a.m., Holy Eucharist, Rite 2. The 6:30 p.m. service is Growing in Grace, an informal, student-led service.

Community Thanksgiving Service

Come ye thankful people to the Cowan Community Thanksgiving Service. The various churches in the Cowan Ministerial Association will gather at 5:30 p.m., Sunday, Nov. 19, at Cowan First Church of the Nazarene.

The speaker will be Rev. L.Z. Johnson from First Baptist Church. Cowan First Nazarene is located at 221 W. Cumberland St.

Monteagle Seventh-day Adventist Church

The Monteagle Seventh-day Adventist Church will have a Special Bible History Program. The programs will be at 7 p.m., Tuesdays, through Nov. 28. The church is located at 475 College St., Monteagle. Learn the story of the Reformation and why it matters today more than ever.

Morton Memorial UMC

This Sunday is All Saints Sunday. It's a special time. It's a time to remember all of the Morton saints with candles that symbolize the light each brought to the life of this church and an additional candle in remembrance of those we hold forever in our hearts. Additional candles will be available for individuals to light in memory of loved ones.

Our scripture reading for the day is Matthew 5:11-12, which you will know as the sermon on the mount. It was a message for his disciples and that can include each of us.

Children are welcome at Morton. They are invited to interact with our pastor during worship. This Sunday, the "All God's Children" message will include a story about God's forever love. Following that time, children not in the nursery have time together with Margaret in Children's Church.

This Sunday our worship service will also include the gift of Holy Communion. It's a time of sharing in the mystery of the life, death and resurrection of our Savior and is offered to all persons regardless of age or church affiliation. All are invited, even if it's the first time

visiting Morton Memorial.

To learn more, accept this invitation to worship at Morton Memorial United Methodist Church. In addition to a thought provoking message, you can look forward to inspirational music. If you are unable to attend and want to sample worship at Morton, the service will be live streamed at Morton's Facebook page and available there in the week following the service.

St. Mark and St. Paul

The 8:30 a.m. Sunday Holy Eucharist is in the church and is also livestreamed on our Facebook page and remains available there afterward. The second service is at 11 a.m.

Godly Play for Children: Two Montessori-based classes meet 9:45-10:45 a.m. in the Godly Play

rooms.

Nursery services: Infants and toddlers through three year olds are invited to gather on the playground on Sunday from 8:15 a.m. to noon. Sunday School takes place at 9:45 a.m., upstairs in Brooks Hall, or on the porch on nice days.

This Sunday, the Parish of St. Mark and St. Paul will celebrate All Saints' Day. The Rev. Robert C. Lamborn will speak to the Sunday Forum at 9:45 a.m., on Sainthood in Creativity. Participants will have the opportunity to color crosses in the memory or honor of a loved one or saint, and hang them on the church wall as they go into the service. Lamborn, Rector of the parish since 2015, lives in Sewanee with his wife the Rev. Dr. Amy Bentley Lamborn. They have a daughter in college and two cats

at home. He is a 1994 graduate of the School of Theology. He also holds a Bachelor's in music from the University of Georgia, Master's in music from the University of Georgia, and Doctor of Ministry from Virginia Theological Seminary. Sunday Forum meets each Sunday in Kennerly Hall at 9:45 a.m. while the children are in Sunday School.

Centering Prayer is a method of meditation in which we consent to God's presence and action within us. A weekly support group meets in the church on Monday nights at 7 p.m. Beginners are always welcome. For more information about the practice, see <<https://www.contemplativeoutreach.org/centering-prayer-method/>>. For more information about the group, contact Jennifer Michael

Build a Thanksgiving Food Box for CAC

Thanksgiving is right around the corner. CAC is asking for people to sign up to fill Thanksgiving food boxes to be distributed to our neighbors in need. If you are interested in purchasing items for a food box, please contact Sarah at <cac@stmarkstpaul.org> for more information and the shopping list. CAC is not asking individuals to purchase a turkey for the boxes, but monetary donations to provide one for each family are much appreciated.

Monteagle (continued from page 1)

ring a decision on that property until the Community By Design town plan had been completed.

Updating residents on the town planning process, Wilson said Community By Design representatives from the Architects Foundation had visited Monteagle, conducted a site survey, and met with residents, preliminary to putting together a team of advisors and planners. The planning team will return in the spring to host community meetings and collect detailed information about residents' vision for the town.

Wilson said \$95,000 of the MGT funding came from a Tennessee Department of Transportation Multi-Modal grant and \$5,000 came from the Mountain Goat Trail Alliance. The grants will facilitate "the next phase" of moving the trail through Monteagle, Maloof said.

Police Chief William Raline said the department had "ramped up" traffic stops for speeding. "The reason is obvious. Speeding kills." In the past month there had been 11 vehicle crashes, one serious crash in the Depot Cafe area, with several injuries, but fortunately no fatalities. Other high-speed locations where the department has increased enforcement include the Pizza Hut section of Highway 41 and just before the Summerfield area. Last month the department made 176 traffic stops, although only 52 arrests. Raline stressed the goal of "pulling people over was

to inform them to stop speeding." Reporting on the Oct. 8 homicide of a woman, Raline said he could not release any details on the "active investigation." He advised residents with information to phone the Tennessee Bureau of Investigation hotline (800-882-0611). Contrary to rumors, there was "no danger to the community," Raline said.

Maloof thanked Raline and urged the department to supply additional information when available to dispel future rumors. Countering rumors about the proposed Marriott Hotel, Maloof said plans were on track for the project to move forward, and the developers recently purchased additional land to satisfy drainage requirements.

Fire Chief Travis Lawyer reminded residents beginning Oct. 15 burn permits were required for "all open fires," including cook fires and campfires. The Tennessee Department of Agriculture issues burn permits online, 24-7, at Burn Permit Application <tn.gov>. Wilson commented, in spite of dry conditions, based on lake levels "we have more water than at this time last year." Condra concurred, "It's pretty normal."

Commissioner Dan Sargent said several residents complained about water discoloration or sand in their water. Utility Supervisor John Condra speculated the cause was a recent line break.

Garden Build Day at St. Mark's Community Center

We are excited about building the St. Mark's Community Association Garden in partnership with Growing Roots, Mountain T.O.P., the University Farm, and the Roberson Project funded by a generous grant from South Cumberland Community Fund.

The event will be on Saturday, Nov. 18, from 9 a.m. to 3 p.m. We will be constructing the beds, putting up a deer fence, and filling the beds. There are opportunities for volunteers of all ages, sizes, and abilities, and there will be children's activities, so bring the whole family.

A sign-up sheet will be posted on our new website: <stmarkssewanee.org>. Contact us any time at <stmarkscomassoc@gmail.com>.

Mountain Goat Presentation, Nov. 3

This Friday, Nov. 3, at 3 p.m., there will be a presentation about Sewanee, the Mountain Goat Railroad, the Mountain Goat Trail, and the current project creating a trailhead and welcome center at the depot in downtown Sewanee.

Historian Meg Beasley will share news on recent research on the history of Sewanee. Patrick Dean, executive director of the Mountain Goat Trail Alliance, will speak on the development of the rail to trail project from Cowan through Sewanee and on to Palmer.

The event is part of the University of the South's Class of 1973 as part of their 50th reunion year, and will be in Naylor Auditorium in Gailor Hall at the University.

ANGELWITH AN ATTITUDE

by Virginia Craighill

Dear Angel,

I recently read an article about a snake falling from the sky and wrapping itself around a woman's arm, who was then attacked by a hawk attempting to retrieve the snake. Could this horrifying scenario happen in Sewanee? I would like to avoid this, if possible.

Signed,
Leaning towards Agoraphobia

Dear Nascent Agoraphobic,

Sewanee has snakes a'plenty: copperheads, rattlesnakes, and the gentle and misunderstood garter snake. And there are hawks – Red-tailed, Red-shouldered, Broad-winged, Sharp-shinned, and Rough-legged, among others – all of whom are looking for a meal, and snakes are on the menu. Nature, being what it is, "red in tooth and claw, you cannot discount the possibility of a local hawk, owl, or other ravenous raptor dropping their snack, or snake, on your head. It might just as well be a kitten, small dog, or infant as a snake, if that's any comfort.

However, possibility and probability are different, and the probability of you experiencing such an airborne trauma is very, very low, about the same as having a billion-dollar Powerball ticket (though that is more to be desired).

Sewanee's natural world is abundant, beautiful, and not to be avoided. You are much more likely to encounter twin fawns, pilliated woodpeckers, red foxes, racoons, and yes, even armadillos (which may, or may not, give you leprosy, but only if you kiss them on the lips, which are hard to find), than find yourself simultaneously fighting off a reptile and a raptor.

But if this type of freakish event does occur, look on the bright side: you can surely parlay the encounter into some kind of internet fame.

Signed,
Angel

Project Beautify at Monteagle Community Center

The Monteagle Community Center is asking the public to sponsor a commemorative brick to be incorporated into the landscaping bordering the entire perimeter of the Community Center and Library. Bricks can be purchased in honor of a loved one, a special pet, celebrations, to publicize a business, club, or organization. The possibilities are only limited by your imagination. This project ends Wednesday, Nov. 15.

Your purchase of a commemorative brick will help to ensure our Community Center is here for many generations to come. Additional information and order forms can be found at <www.monteaglecommunitycenter.com> or call Monteagle Town Hall at (931) 924-2265.

Community Chest Sets Goal

The 2023-24 Sewanee Community Chest (SCC) Fund Drive is underway. Sponsored by the Sewanee Civic Association, the SCC raises money yearly for local organizations serving the area. This year's goal of \$120,000 will help 16 local organizations that have requested basic needs funding for quality of life, community aid, children's programs, and those who are beyond Sewanee but still serve the entire community. The following organizations will receive funding when the goal is met.

- Little Bellas, \$250
- Mountain Goat Trail Alliance, \$1,500
- Reach Out and Read, \$2,030
- Early Literacy Ambassadors, \$2,845
- Fourth of July Celebration, \$3,500
- Sewanee Community Center, \$3,600
- St. Mark's Community Center, \$4,000
- Animal Harbor, \$5,000
- Community Action Committee, \$5,000
- Folks at Home, \$5,000
- MARC, \$10,000
- Sewanee Mountain Messenger, \$12,000
- Housing Sewanee, \$12,000
- Sewanee Children's Center, \$12,000
- Sewanee Senior Center, \$14,000
- SES Parent Organization, \$27,275

The Sewanee Community Chest is a 501(c)(3) nonprofit organization, and donations are tax-deductible. Send your donation to Sewanee Community Chest, P.O. Box 99, Sewanee, TN 37375.

For more information or to give through PayPal Giving or Giving Matters, go to <www.sewaneecivic.org>. If you are an employee at the University of the South, you can enroll in the payroll deduction program by contacting Human Resources.

Community Harvest Dinner at St. Mark's Center

Residents and people with family roots in Sewanee's St. Mark's neighborhood are invited to join the St. Mark's Community Association and the Roberson Project for our quarterly dinner Sunday, Nov. 12, from 4-6 p.m. at St. Mark's Community Center, 481 Alabama Ave., in Sewanee. A special harvest meal will be prepared by Priscilla Graham's Nuthin' Fancy Catering.

This clinic is for dogs of people living in Grundy County and in the counties of Marion and Franklin on the mountain. One shot including distemper, adenovirus, parainfluenza, and parvo, a microchip, and an ID Tag will be available, free, for dogs of people who cannot otherwise afford them. Distemper and parvo are deadly and contagious to other dogs and mostly are preventable. Microchipping and providing ID tags will help reunite the many wandering or lost dogs seen in our communities with their families. This clinic is sponsored by South Cumberland Community Fund and Petco Love.

Tourism Enhancement Grants Awarded to 29 Tennessee Communities

Tourism is getting a boost in communities across Tennessee, as the Tennessee Department of Tourist Development announced that the state awarded 29 communities over \$2.22 million in Tourism Enhancement Grants.

Tennessee's Tourism Enhancement Grants support cities and counties seeking to invest in their local tourism assets, lift visitation and increase economic impact. Eligible projects include stages, signage, historic preservation, ADA compliancy and other improvements to local attractions and venues.

"Tourism is vital for the growth and sustainability of communities throughout Tennessee, especially in our rural communities," said Melanie Beauchamp, Assistant Commissioner of Rural Tourism and Outreach, Tennessee Department of Tourist Development. "These projects create opportunities for visitors, enhance the quality of life for residents and ultimately, bring more funds back into the communities."

"We've seen first-hand how tourism can transform communities," added Commissioner Mark Ezell, Tennessee Department of Tourist Development. "Tourism development is economic development, and these investments are essential to Governor Lee's mission to expand opportunity for rural Tennesseans."

Tourism enhancement grants were awarded to 10 at-risk and distressed communities. Local awardees are:

Town of Tracy City, Grundy, \$88,350.00

City of South Pittsburg, Marion, \$90,000.00

The Tennessee Department of Tourist Development (TDTD) is dedicated to driving economic growth and tourism in all 95 counties. TDTD's global marketing efforts increase visitation to Tennessee, which boosts tax revenue, creates jobs and attracts new investment across the state. Tennessee is a global destination of choice offering visitors world-class music, live entertainment, family-friendly experiences, charming communities, innovative and classic culinary creations, renowned scenic beauty and outdoor adventure—all centered at the crossroads of rich history and unrivaled hospitality. Vacations "sound perfect" in Tennessee. Visit <TNvacation.com> and follow @TNvacation on social media for travel inspiration.

Carlos Gallery: 'Triggered' by Paul Ware

The Carlos Gallery in the Visual Art Building at the University of the South is pleased to present "Triggered," an installation by artist Paul Ware. The exhibit will be on display through Dec. 6. An artist reception will be at 4 p.m., Friday, Nov. 3.

Paul Ware in his latest work is focused on the multifaceted relationship that the United States has with personal gun ownership. Ware explores and presents these facets using painting, collage, gilding, and installation.

The U.S. passed the 300 mark for mass shootings before the celebration of the Fourth of July, 2023. So much gun violence that the names and places blur together: Uvalde, Buffalo, Dadeville, Philadelphia, Covenant School in Nashville. A uniquely American pastime. Stunned and triggered by the carnage of gun violence — Ware has felt the need for some form of self-defense — a psychological and mental protection, a respite from the violence and killings. A disarmament. His own form of "gun control" as paintings rather than as weapons.

"Triggered" presents individual paintings of many of Alabama's most popular handguns, along with the AR-15 long rifle, which the NRA calls, "the most popular rifle in America." The images are painted on cradled birch panels covered in gold, copper, and silver leaf. This technique gives the paintings a glow and shine resembling religious icons. The presentation emphasizes the religious passion with which Americans treat their firearms; they are objects of worship — precious idols. America preaches the Second Amendment while forsaking the Second Commandment. Praise the Lord and pass the ammunition. Instead of turning the other cheek, now it's stand your ground.

In addition to the religiosity and worship of firearms, "Triggered" explores the fetishized and sexualized aspect to how guns are described at gun shows and in promotional literature. Guns have "aggressive barrels" with rounded edges for perfect concealment. They are pythons; "powerful in your hand;" "dependable and rugged" with "ideal length." Somewhat ironically, however, many of these guns are small and lightweight, designed to be carried often and concealed. The Sig Sauer P365 name promotes that it can be carried 365 days of the year. Likewise, the softly rounded edges of the Ruger LCP (Light, Compact and Powerful) facilitate easy carry and concealment.

Violence and death, God, guns and sexualized fetishism: choose your Trigger. Paul Ware has a B.A. in religion from the University of the South in Sewanee, in 1982 and a J.D. from Washington and Lee University School of Law in Lexington, Va. Ware practiced law in Birmingham, Ala., from 1986 to 2015, primarily in securities work and mergers and acquisitions.

Carlos Gallery in the Visual Art Building is located at 105 Kennerly Rd. Gallery hours are 8 a.m. to 5 p.m., Monday–Friday, and 1–5 p.m., Saturday.

SAS Gallery Features Covid Reflections

The St. Andrew's-Sewanee Art Gallery features the work of Susan Harrison, a seasoned artist educator who has been an exhibiting member of Pyro Gallery in Louisville, Ky., since 2005. The show is titled "Keeping Cozy During Covid and Crossing Paths." The exhibit is on display through Nov. 6.

Over the years Harrison has developed art installations concerning the nature of comfort and security, recently creating "Covid comfort blankets" and personal flotation devices as a metaphor for how people keep themselves afloat and navigate troubled times. Currently she is a high school art teacher in Louisville, an instructor for the Kentucky Governor's School for the Arts and maintains her personal studio at Brick Street Art Studio, located in New Albany. Her work is often a hybrid of 2D printmaking elements with 3D woven or constructed forms. She dedicates this show to the incredible resiliency and staying power of her many art students over the years.

Her work stems from being sequestered in her house during the pandemic in 2020 reflecting on her life, choices and the paths she took. As she 'doodled' with her india ink markers during these times of reflection, she created designs she then turned into blankets. In addition to the blankets she exhibits, experimental in nature, the series of spontaneously carved, inked and layered relief mono prints represents her struggle with limitations. The paper is discarded student gesture drawings, the ink was expired and salvaged, and the carving blocks are left-over linoleum tiles from a bathroom renovation. These materials are comforting and familiar to her as she has always lived with clutter—perhaps a reflection of wide-ranging interests, a need to save family hand-me-downs, keep stuff out of landfills, and see the potential in discarded, neglected things. And so, this project is also about using up, working the materials beyond recognition, figuring out what she wants, defiantly resisting the creative void, and reviving what feels like an extinguishing flame.

SAS, an Episcopal boarding and day school in Sewanee, is committed to arts education and creativity. In addition to offering a wide range of courses and afternoon programs in the visual and performing arts, SAS welcomes professional artists throughout the year for gallery exhibitions, performances, and workshops.

Electric Arcadia Fall Back Sunday Sonic Salon

Join us Sunday Nov. 5, from 2p-5 p.m. for our open studio picnic with demonstration/performances by guest artists Brady Sharp (Chattanooga) and Courtney World (Sewanee).

Brady Sharp plays experimental modified guitar using pedals and software (such as Pure Data). University of the South dance professor Courtney World and Electric Arcadia founder Linda Heck (as Infanta Silhouette) plan to revisit and reimagine their 2014 "Broken Soul" collaboration.

Weather permitting, we will be outdoors and under cover adjacent to the studio. We will have light snacks and assorted beverages, and you may BYOB and snacks-coolers-blankets-chairs. Check our under-construction website <<https://www.electrarcadia.org/>> for more information and last-minute updates. Please note that severely cold and rainy weather may cancel this event.

There is street parking – please contact us for assistance with closer access.

Electric Arcadia, 874 Lake O'Donnell Road in Sewanee, is a music & art studio and retreat on the Cumberland Plateau fostering exploration, community, discovery and healing through creative practices.

Miller to Perform on Nov. 6

The Department of Theatre and Dance, and DEI CREATE present "Performance! Body! Self!" at 4:30 p.m., Monday, Nov. 6, in the Mary Sue Cushman Room at the Wick.

Internationally-acclaimed solo performer Tim Miller will perform excerpts from his work and speak about the role performance plays in constellating identity. Known for his charged performance work which takes up the most challenging social texts of our time, Miller will share fierce and funny performance material as well as speak about how performance can be used to embolden communities, challenge injustice and connect people with one another.

Miller is an internationally acclaimed solo performer. Hailed for its humor and passion, Miller's solo theater works have been presented all over North America, Australia, and Europe at such prestigious venues as Yale Repertory Theatre, the Institute of Contemporary Art (London), the Walker Art Center (Minneapolis), and the Brooklyn Academy of Music. He is the author of the books "Shirts & Skin," "Body Blows" And "1001 Beds," which won the 2007 literary prize for best Drama-Theater book from Lambda Literary Foundation. Miller has taught performance in the theater departments at UCLA and at Cal State L.A. He is a founder of two of the most influential performance spaces in the United States: Performance Space 122 on Manhattan's Lower East Side and Highways Performance Space in Santa Monica, CA.

This performance is made possible by support from the University Lectures Committee and the Dakin Fund.

'All Member Show' at In-Town Gallery

Wednesday is the new Friday at In-Town Gallery. Join us for In-Town Gallery's 49th All Member Holiday Show on Wednesday, Nov. 8. Expect lots of ornaments and gift items priced from \$15-\$75. All new artwork from our members lights up the walls offering Chattanooga the creative excellence it expects from ITG. Share the excitement as we kick off the holiday season Wednesday, Nov. 8, 5-8 pm. And after your In-Town visit, be sure to stop by AVA's new salon show featuring the artwork of AVA members. The show runs through Nov. 13.

And there's more to this busy November. On Saturday, Nov. 4, and again on Wednesday, Nov. 8, Sean Price will be giving demonstrations, showing how he makes his incredible frameworked glass figures. Price, a long-time resident of Hawaii, creates sensuous portrayals of fish and other marine creatures using the medium of molten glass.

In-Town Gallery joins in the Northshore Holiday Celebrations beginning, Thursday Nov. 16 through Sunday, Nov. 19. Special shopping promotions and activities abound. Come see all that In-Town Gallery and the Northshore merchants have to offer.

ITG is also proud to welcome new members Linda Coulter and Candice Stuart as well as returning artists Robin Howe, Nadine Koski, and Margaret Park.

Linda Coulter and Candice Stuart are both pastelists who enjoy interpreting the natural world. Coulter majored in fashion illustration in college. She later worked with architects and designers, developing her strong sense of perspective, which reveals itself in her landscapes. She is now an associate member of the Pastel Society of America. Linda's art focuses on land and seascapes, with the occasional still life thrown in just to make things interesting. "My style," she says, "is impressionistic realism — impressionism to spark the viewer's imagination and realism so they recall similar moments in their own lives."

Candice Stuart, whose father was a painter, received her BFA from Santa Barbara Art Institute. An admittedly eclectic artist, Stuart has worked with mixed media, glass, and natural materials. At present, she devotes herself to pastel. "I have been exploring the world of orchid species," she says. "They are intensely sensual while at the same time they can be perceived as archangels of the plant world. My oversized images stand as spiritual sign posts, which I hope impress the viewer with their presence."

Showcasing the creativity of local artists, In-Town Gallery is located 'Between the Bridges' on Chattanooga's North Shore at 26A Frazier Ave. Hours are 11 a.m. to 6 p.m., Monday-Saturday, and noon to 5 p.m. on Sunday. Visit us at <www.intowngallery.com>, Facebook and Instagram.

Historic Sewanee Downtown Exhibit

"Historic Sewanee Downtown, 150 Years" is currently on display in the Museum Gallery of the William R. Laurie University Archives and Special Collections building through Dec. 15, 2023. The Sewanee Historic Downtown Digital Exhibit and Walking Tour of Historic Downtown Sewanee is available at <<https://library.sewanee.edu/archives/exhibits>>.

Viewing hours are 1-5 p.m., Monday through Friday, or by appointment. Support from the University of the South and the Sewanee Trust for Historic Preservation made the research for and presentation of this exhibit possible.

New Exhibition at the University Gallery

The University Art Gallery is delighted to present Ming Ying Hong's "The One With The... Amalgamations," an exhibition of two series of intricate graphite, charcoal, color pencil, and pastel drawings.

Both series speak to skill, care, and time. Both offer representational fragments that snare viewers. Both are uncomfortable and disrupt expectations.

With "Amalgamations," the artist offers the viewer hybrid forms that bring together categories and experiences normally treated as opposites—inside and outside, male and female, pleasure and pain. The boundaries between categories disappear, and the values and hierarchies assigned to those categories are destabilized and questioned.

In "The One With The..." the artist's fragmented and caricature-like self-portraits confront—and share—the uncomfortable and threatening experience of inhabiting a racialized body, perceived through the filters of misconceptions and stereotypes.

Ming Ying Hong's remarkable drawings ask the viewer to stop and process what they see differently. "Amalgamations" and "The One With The..." prompt us to think about how we understand, categorize, and value visual information, and to consider carefully what's at stake in that process.

Please note: limited mobility parking for central campus is available on Georgia Avenue in front of the University Art Gallery. After 5 p.m., visitors may park in the blue-lined faculty and staff spaces on Georgia Ave. At all hours visitor parking is available in the white-lined spaces in the Fulford and duPont lots.

Gallery hours are 10 a.m. to 5 p.m., Tuesday through Friday, and noon to 4 p.m., Saturday and Sunday.

Author Will Grant to Speak About the Pony Express

Will Grant, C'02, will give a short talk on his new book "The Last Ride of the Pony Express: My 2000-Mile Journey Into the Old West," followed by a book signing, on Friday, Nov. 3 at 12:30 p.m. in room 215 of Snowden Hall. In this tale of adventure, Grant travels with two horses along the historic Pony Express route, weaving an unforgettable narrative that will forever change how you see the West. After graduating with a Geology degree from Sewanee, Grant worked as a cowboy and horse trainer before pivoting to journalism. His writing has appeared in *Outside Magazine*, *Bloomberg Businessweek* and other publications. His efforts to combine horses and storytelling have included a 600-mile horse race across Mongolia, an expedition to find gold in Arizona, and two trips to Kyrgyzstan to play the most dangerous horseback game on the planet, Kok Boru. The talk is sponsored by the Department of Earth and Environmental Systems.

Swimming and Diving Take Fifth in Sewanee Invitational

The swim and dive team hosted six teams Oct. 27 and Oct. 28, for the 22nd annual Sewanee Invitational meet on Friday afternoon and Saturday morning. On the women's side, there were seven teams competing and on the men's side, there were six. Sewanee's men's and women's programs both placed fifth. The women accumulated 387 points while the men scored 295.5.

"It was great to get back to racing after a couple of weeks off," said head coach Mark Fino. "Our team is really growing together and learning from each other. This weekend was a lot of fun on the deck watching our team compete, and I am proud of the type of team we are becoming."

Both men's and women's dive teams were able to find the podium as Greta Cobb placed first scoring 203.23 and Ellie Vincent placed third in the one-meter competition for the women. Vincent also took home first in the three-meter event posting 149.77. On the men's side, Jack Goodson and Will Snead took home second and third in the one-meter event, Goodson also took gold in the three-meter event.

Nacem Mangum took home fourth for the Tigers in the men's 200 breaststroke placing just 0.58 seconds behind Mason Wood of Montevallo. Mangum also tied for fifth in the 50 breaststroke and was part of two relay teams that finished sixth. Jackson Pillow, Gage Bailey, and Aidan Ocasio joined Mangum on the 100 medley relay and George Mabury joined Bailey, Pillow, and Mangum on the 200 medley relay.

The Tigers also placed fourth in the men's 100-free relay with Mabury, Bailey, Ocasio, and Henry Kovan who finished just 0.24 seconds behind the third-place team. The same relay team also placed sixth in the 200-free relay.

The women's side also found luck in their relays as Riley Carswell, Juliana Vidal, Natalia Evans, and Audrey Francell made up the women's 100-free relay that also tied for fourth just 0.21 seconds behind the third-place team. In the 200-medley relay, Evans and Carswell were joined by Ava Mack and Rachel Little as they finished fifth.

In the 100-medley relay, Francell, Carswell, Mack, and Little finished sixth, Vidal, Mary Alice Hubbard, and Sophie Yanoshik then joined Carswell as their team placed sixth in the 200 free relay.

Individually, three women placed sixth in their respective events, Ava Mack in the 100-backstroke, Riley Carswell in the 50-backstroke, and Natalia Evans in the 200-backstroke.

The Tigers will travel to their first away meet of the year on Nov. 11 for a dual meet versus Berry College at 1 p.m. before returning to the mountain the following weekend to host the two-day Igloo Invitational on Nov. 17 and 18.

SAS Mountain Bike Team Completes Season

The SAS Mountain Bike team competed in its fifth and final race of the Tennessee Interscholastic Cycling Race Series on Oct. 22, at Raccoon Mountain in Chattanooga. Fifteen high school students tackled the technical course in races that ranged from 8.5 miles for the freshman, sophomore and UC2 categories to 17.5 miles for the Varsity Boys. Sophomore William Shrader wrapped up his season with another strong finish in the Varsity Boys' category, taking home sixth place, and fellow Varsity rider, senior Elliot Benson, finished 11th in his final high school race. Theo Shrader and Harper Thompson once again stood on the podium in the Freshman Boys' category, placing fourth and fifth respectively. Juniors Petre Gotsiridze and Augustin Tabacaru took first and second respectively in the UC2 Boys' category.

Twelve members of the middle school team represented SAS at Raccoon Mountain. Alex Glacet put his technical skills to the test and secured a tenth place race finish in the Sixth Grade Boys category. Rosa Thompson continued her successful season by finishing third in the Seventh Grade Girls category. The seventh grade boys were led by Joseph Gray who finished in 12th place. Eighth grade boys were split into two groups due to the large entry field of 75 riders. Grayson Clark took sixth place in Group A while Martin Brodsky and Will Roberts claimed top 10 spots in Group B with third and eighth place finishes respectively. Will Moody, Jack Roberts, Cabell Thompson, Archer Ladd, Jane Shealy, and Dylan Bruscato all rode with confidence and determination. They represented the Mountain Lions well and showed the league that the future of mountain biking at SAS is certainly bright.

Throughout the season, riders earn points for each race which are tallied following the Championship race to determine state rankings. An impressive eight athletes garnered top 10 overall series rankings: William Shrader, fourth place, Varsity Boys; Theo Shrader, third place, Freshman Boys; Harper Thompson, fourth place, Freshman Boys; Augustin Tabacaru, second place, UC2; Petre Gotsiridze, third place, UC2; Grayson Clark, seventh place, Eighth Grade Boys; Rosa Thompson, third place, Seventh Grade Girls; and Alex Glacet, eighth place, Sixth Grade Boys. Both the varsity and middle school teams finished in eighth place for the season, out of 27 and 26 teams respectively.

The mountain biking season is long and demanding, and student-athletes must balance schoolwork and sacrifice family and social time. This team met these challenges and created a culture of hard work, mutual respect, and inclusive support of each other in the process. Head Coach Amy Neubauer, along with Middle School Coach Frank Allen and Assistant Coach Rafael Lomeli, thank the volunteer coaches without whom this season would not have been possible: Speed Baranco, Barbara Fox, Matt Schrader, Jill Mollica, Sian Baranco, Jeff Thompson, Alex Neubauer, Ben Brodsky, Aymeric Glacet, and Nick Roberts. Special thanks as well to Jeff Heitzenrater who provided valuable training insight and advice to the high school coaches. The coaches also wish to thank the families for their generous support throughout the season. And finally the team is grateful for its two seniors, Elliot Benson and Cameron Crawford, whose steady leadership played a large role in the team's successful season both on and off the bike.

SAS Cross Country Team District Champions; Two Athletes Head to State Meet

The St. Andrew's-Sewanee School cross country team capped off a fantastic season with a strong showing at the DII-A East regional championship meet in Knoxville on Oct. 25. The girls team placed ninth overall in the region, while the boys placed fifth in the region, winning their district in the process. While the team's season may have come to an end, two athletes aren't done quite yet. Toby Van de Ven and Micah Moody placed third and fifth overall in the region, with times of 17:47 and 18:17, and will continue on to the state championship meet in Hendersonville on Nov. 2. This is a huge accomplishment for Toby and Micah and for the SAS cross country team as a whole – a fitting end for a great season.

SAS Begins Wrestling Season

In a thrilling showdown that marked the beginning of the wrestling season, the St. Andrew's-Sewanee middle school wrestling team went head-to-head with Coffee County Middle School in a gripping contest that had fans on the edge of their seats. While the final score favored Coffee County 60-24, the match was filled with exciting moments and showcased the promising talents of both teams.

Despite the final score, the wrestling team showed remarkable potential. Their young athletes exhibited great heart and determination, leaving the audience with high expectations for the rest of the season. It's clear that the team's hard work and dedication will continue to pay off as they gain more experience and refine their skills.

Coach Sparacio was proud of the team's efforts and praised the wrestlers for their commitment to improvement. "This match was an excellent learning experience for our athletes," said Coach Sparacio. "We have a very young group of wrestlers, and with continued hard work and dedication, I am confident they will reach their full potential as the season progresses."

SAS was led by eighth graders Leonora Pate (94 lb) and Mason Sparacio (wrestling up at 115 lb) with impressive pins. Seventh grader Joseph Grey (108 lb) and Sawyer Barry (108 lb) also had impressive wins during exhibition matches. First-year wrestlers Archer Ladd and Kaiser Keeton helped to score additional team points in their respective weight classes winning by forfeit.

Early Goal Sends Men's Soccer into SAA Semifinals

Tyler Scott's header in the sixth minute put Sewanee ahead early and the Tigers hung on for a 1-0 win against Birmingham-Southern in the quarterfinals of the Southern Athletic Association Men's Soccer Championships Oct. 28 at Puett Field.

The Tigers (6-4-6) advance to the semifinals this Friday, Nov. 3, to face a yet-to-be-determined opponent.

Sewanee came out flying against the Panthers, whom the Tigers defeated, 3-0, in Birmingham just 11 days ago. But this was a much different match and the early goal was just enough to advance for the home team.

Connor Dail's free kick from just outside the box down the left-side found Scott's head, bounced off the crossbar and down over the goalline at 5:29 of the first half. Sewanee controlled possession for the first 15 minutes of the half, but BSC held the run of play for much of the rest of the half.

Patrick Kelly's blast from distance bounced off the hands of a sliding Sewanee goalkeeper Nathan Vanhove and the rebound by Cedar Hurtado was also stopped by Vanhove midway through the period. That was the best scoring chance for the Panthers in the period.

The Tigers took control of the first 25 minutes of the second half, with Stokes McConnell's shot from a bad angle down the leftside bouncing off the crossbar and another head from Scott bouncing over the net off a corner by Dail.

Birmingham-Southern's desperation nearly led to the equalizer in the final 10 minutes, including a blast from distance by Justin McDowell that Vanhove saved over the crossbar. Kelly's corner kick nearly curled in at the front post but was knocked away by Vanhove as well, who finished with eight saves against 21 total shots.

Panthers goalkeeper Jayden Schell got a header in the final minute that was also saved by Vanhove and the final seconds ticked off the clock after a final ball went over the end line. Schell collected three saves against 12 total shots by the Tigers.

Tigers Finish Second on the Final Day of IHSA Maryville Show

Emma Sameth took home the overall high-point champion rider for the second day as Sewanee's Intercollegiate Horse Show Association (IHSA) took home second place on the final day of the Maryville Fall Show in Maryville, Tenn on Oct. 29.

Sewanee's equestrian team finished second of seven teams, with 26 points, just four points behind Murray State in first.

Emma Sameth continued to dominate on the second day of competition as she took home reserve high-point rider for the second day and placed second in open fences and second in the open flat division, taking the overall high-point rider of the show.

For the second day in a row, Nell Grady placed in both the intermediate fences and open flat division. In the intermediate fences, she finished second and placed third in open flat. In the intermediate flat division, Jenna McAmis and Kelly Baumgart both placed again taking third and fourth.

Claire Dillard placed fourth in limit fences and sixth in limit flat and Belle Gampher took home third for the Tigers in the novice division.

In pre-novice A, Mary Pat Colbert placed sixth, and Bailet Pezella also took home sixth in pre-novice B.

Hannah Fitzgerald took home the fourth in the introductory division.

The Tigers finished out their IHSA season this year as their next tournament will be when they travel to MTSU for their spring show on Feb. 10 and 11, 2024.

Community Bike Rides

The Sewanee GoGirls MTB rides are regularly scheduled on the first Sunday of every month, starting at 2 p.m. from the Lake Cheston parking lot. Rides are accessible for anyone with basic trail experience, with adjustments for age, duration, and skill level as appropriate. Mountain bikes are recommended for all trail rides.

For families, new riders, and anyone interested in biking a short distance, there is a monthly Community Bike Ride on the paved Mountain Goat Trail (MGT) every first Saturday of the month starting at 3 p.m. from Hawkins Lane in Sewanee. This is a great ride for younger children and families. Riders who prefer biking on dirt trails also have the option of riding a short MGT section before exiting and riding to Lake Dimmick and back. For more information contact Beth Pride Ford at <bethprideford@gmail.com>.

Ferry Scores Twice in Quarterfinal Win for Tigers

Samantha Ferry scored a pair of goals and Kylene Monaghan assisted on both, helping top-seeded Sewanee to a 3-0 victory over Millsaps in the quarterfinals of the Southern Athletic Association Championships on Oct. 28, at Puett Field.

The Tigers (11-1-4) advance to the semifinals this Friday, Nov. 3, to face a yet-to-be-determined opponent. Semifinals and a possible championship match would be hosted by Sewanee next weekend.

Ferry found the back of the net in the 15th minute and again in the 58th minute, her fourth and fifth goals of the year, scoring early in both halves for Sewanee. The Tigers dominated possession and the run of play the entire match, limiting Millsaps (1-14-2) to one shot in the entire 90 minutes.

Sewanee outshot the Majors, 25-1, in the victory.

The Tigers scored in the 15th minute to take an early lead, with Brianna Fee crossing from the right to Monaghan, whose shot hit the left post. The ricochet fell to the feet of Ferry, who fired into an open net for a 1-0 edge.

Sewanee produced several other excellent scoring chances in the period, but Millsaps goalkeeper Emily Lozano kept the home team off the board again until late in the half, thwarting efforts by Fee, Khiana Roraback and Lacey Carder on thru balls.

The Tigers added a score late in the period, with Kate Thomson finding Lily Reinhardt down the leftside and the sophomore scoring past Lozano from the bad angle in the 42nd minute.

In the second half Monaghan played a long ball down the left side and Ferry's shot beat Lozano to the far post for the final goal of the match. The Tigers subbed freely over the final 30 minutes.

NATURENOTES

by Yolande Gottfried

From the Nov. 1, 2019 issue.

Cotton, Coyotes, and Cobalt Blue

The cotton harvest is underway in our area, so a brief note on the botany of cotton seems timely. Cotton is in the family Malvaceae, the Hibiscus or Mallow family, along with Rose-of-Sharon (which is a hibiscus), the cola nut, cacao, okra, marshmallow, and, oddly, American Basswood. These all seem very different from each other but DNA analysis groups them together. Most of the cotton grown, including in our area, is Upland Cotton, *Gossypium hirsutum*, a species native to Mesoamerica and the Caribbean. It has been cultivated and modified for thousands of years, resulting in the numerous varieties that exist today. It is grown for cottonseed as well as fiber.

Kate Gooch reported hearing “a great chorus of coyotes right at sunset Thursday (Oct. 24). Sopranos in Champion Cove. Altos/tenors chimed in from Lost Cove.”

Teesha Tiller reports finding a remarkable fungus: “When picking up sticks in the afternoon, I found this! (see photo) I think it is cobalt crust fungi, *Terana caerulea*. It is beautiful!”

Cobalt Blue Fungus. Photo by Teesha Tiller

Freddy Tucker called to report that he saw three male hummingbirds at his feeder earlier in October. He says he had one hummer as late as December last year, which apparently moved on. He says he'll probably keep his feeders out for quite a while. He also reported a large red-headed pileated woodpecker and two yellowhammers, which he says live up to their name.

Forestry Grants Available to Protect Private Forestlands

A special round of Forest Legacy Program (FLP) funding is giving landowners an opportunity to ensure forest conservation benefits for generations to come.

“Conversion of forest land into areas for housing or commercial buildings is a significant threat in Tennessee,” State Forester David Arnold said. “However, there are grants available to landowners who want to keep their forests productive for generations. These grants encourage sustainable forest management and support strong markets for forest products. FLP provides landowners with options to keep their land private and support economies and conservation.”

FLP is a conservation program administered by the U.S. Forest Service in partnership with the Tennessee Department of Agriculture’s Division of Forestry to protect privately-owned forest lands from conversion to non-forest uses through conservation easements or land purchases. Federal grant funds pay for conservation easements that restrict development and allow landowners to continue to own and manage their land.

Project proposals may be submitted now through Jan. 19, 2024 at 4:30 p.m. CST. Applications that offer significant natural carbon sequestration benefits or provide benefits to underserved populations will be prioritized.

Keeping Tennessee land in traditional forest uses contributes to improved water quality, fish and wildlife habitat, timber, fuel wood, other forest products, and recreation opportunities through active forest management. FLP in Tennessee currently conserves 53,315 acres valued at \$59 million across the state.

Find the request for proposal package and more information about Tennessee’s FLP at <www.tn.gov/agriculture/forests/protection/legacy.html>. For questions about FLP, contact Assistant State Forester Heather Slayton at (615) 837-5432 or <heather.slayton@tn.gov>.

The Division of Forestry protects and promotes the responsible use of forest resources in Tennessee. Focus areas include assisting landowners with a variety of services, providing quality tree seedlings, supporting forest health programs, collecting forest inventory data, assisting forest industries, and fighting wildland fires. Visit <www.tn.gov/agriculture/forests> for more information.

Orders Now Accepted for Division of Forestry Tree Seedlings

The Tennessee Departments of Agriculture’s Division of Forestry (TDF) is offering more than 30 varieties of tree and shrub seedlings for reforestation and conservation projects. TDF’s East Tennessee Nursery in Delano, Tenn., is accepting orders until April 1, 2024 or while supplies last.

“Our forests are an important economic, cultural, and recreational resource in Tennessee,” State Forester David Arnold said. “The East Tennessee Nursery cultivates native species that help ensure the long-term sustainability of our forests and provide timber, wildlife habitat, clean water, and recreational opportunities for generations to come.”

The nursery, which sells in bulk at affordable prices, “is unique in its mission to serve the public and support large-scale reforestation efforts with native species that flourish,” TDF Reforestation Unit Leader and Nursery Manager Gina Sowders said.

A variety of cost share programs offering financial assistance for seedling purchases are available to qualified landowners. Each program has its own eligibility requirements and limited quantities.

Trees for Tennessee, sponsored by Huber Engineered Woods, LLC, is designed to expand pine regeneration on recently harvested land and fallow fields.

Beam Suntory’s sponsorship program promotes the purchase of white oak trees.

Play. Plant. Preserve., sponsored by D’Addario, promotes the sustainability of hardwood resources, particularly hickory and oak, in Tennessee.

Tree City USA sponsors a program that assists cities and towns seeking to grow urban and community forests.

The White Oak and Shortleaf Pine Initiatives assist landowners in purchasing white oaks and shortleaf pines.

To learn more about online seedling sales and associated financial assistance and cost share programs, visit <www.planttrees.org> or contact your local area forester at <www.tn.gov/agriculture/forests/staff>.

Landowners may also qualify for cost share opportunities for hardwood and softwood seedling purchases through the Tennessee Agricultural Enhancement Program (TAEP). For information about TAEP, visit <www.tn.gov/agriculture/forests/landowners/financial/taep-for-forest-landowners>.

TDF protects Tennessee’s forests by fighting wildland fires, coordinating hazard emergency response, providing prescribed fire guidance and contract services, as well as wildland fire training. Additionally, the division promotes the responsible use of forest resources by assisting landowners, providing quality seedlings, monitoring insects and diseases, improving urban forests, managing state forests, protecting water quality, and collecting forest inventory data. The division also works to promote primary and secondary forest industries to stimulate the state’s economy. Visit <www.tn.gov/agriculture/forests> for more information.

Rollo

Maverick

MARC’s Mountain Adoptables Meet Rollo & Maverick

You may have met Rollo at AngelFest greeting all the people and loving on little children while he helped staff the MARC booth. He is friendly but not jumpy. You may also remember that Rollo was a stray posted by several people in Sewanee Classifieds before he decided he wanted some help and followed a person and her dogs home and came right inside the garage. From there his foster picked him up and they have been having the best fun together. Rollo likes other dogs as well as cats and horses. He is around two years old and weighs 40 lbs. Rollo is just the right size to be a great family dog. He may be a Pointer mix. He is white with red markings. Rollo is housetrained and walks well on a leash and he loves playing with his larger canine companions. Rollo will make a great addition to your family whether it is going on adventures or snuggling on the couch.

Maverick is one of four kittens who were recently rescued. He is around five months old and is litter trained. He may be at least part Russian Blue being all gray as are his mom and siblings. Maverick, with his cat family started life as being feral but Maverick was definitely the most friendly. From the moment he was brought into his foster family’s home, he was very affectionate. He is very playful and also pretty vocal when he doesn’t get enough attention or wants his wet food treat. If you are looking for a friendly, playful, curious and loveable kitten with whom to share your life, then Maverick is your boy.

If you would like to learn more about Rollo and Maverick, please fill out an Adoption Application on the MARC website <www.marc4change.org> and/or contact Sue Scruggs, (423) 619-3845. These pets are fostering on the Sewanee-Monteagle Mountain and are easy to meet.

JUMP OFF
SAND QUARRY

If people are wondering what direct action to take right now, calling Marion County Commissioners to voice support for the County Powers Act (which enables the county to stop the quarry) is a great place to start.

<https://marioncountyttn.net/leadership>

The commissioners should vote YES to adopt the County Powers Act.

<https://www.ctas.tennessee.edu/sample-county-powers-act-resolution>

They should then in a separate vote say NO to an invasive mining operation in unincorporated areas. This does not limit agriculture activities, people's right to put in an auto repair shop on their land, or stop existing quarries from operating.

From the Grundy County, TN resolution:

"No quarry, rock crusher or gravel pit may be located within five thousand (5,000) feet of a residence, school, licensed daycare facility, park, recreation center, church, retail, commercial, professional or industrial establishment. Measurements shall be taken from the nearest recorded property line of the quarry business to the nearest property line or boundary of the foregoing."

FROM BARD TO VERSE

by Robin Bates

November in California

In coastal California, in chaparral country,
Spring comes first in November
With strong winter rains.

Out here, fire's the first fear.
Golden summer fields have tensed to crackling parchment,
waiting to explode by any little spark.

Winter's relief from danger. Winter is spring.
Everywhere, rolling brown hills bloom with green,
A thick new blanket pushing up through dry selva.

This green winter coat stays bare late Fall through February,
Except for some wild sourgrass,
A stem with solitary yellow flowers.

But in March and April, the coastland ranges
And all the valleys and wooded foothills of the Sierras
Finally catch up. Now spring comes on like winter.

We watch for wildflowers like you'd anticipate
The first snowfall, thinking how it will cover
Familiar landmarks. Suddenly, it breaks:

Orange poppies sweep the contours of hills,
verges of roads, pool into bright swaths,
While blue lupine well into gratitude.
